Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch

William D. Pederson, Byron W. Daynes

Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch:

Bitter Harvest Matthew J. Dickinson,1996-12-28 This book argues that modern presidents could learn much from Franklin Roosevelt's method of organizing his presidency Roosevelt consciously avoided a large functionally specialized White House bureaucracy Instead he developed staff agencies composed mostly of civil servants and personally managed them using competitive administrative practices Matthew Dickinson is the first scholar to reconstruct the methods FDR used and his research suggests modern presidents could benefit greatly by studying them **The Development of the**

American Presidency Richard J. Ellis,2013-06-17 Our understanding of the politics of the presidency is greatly enhanced by viewing it through a developmental lens analyzing how historical turns have shaped the modern institution The Development of the American Presidency pays great attention to that historical weight but is organized topically and conceptually with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage this text looks at how the presidency has evolved in relation to the public to Congress to the Executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change All the while Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts Ellis's own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts A companion website not only acts as a further resources base directing students to primary documents newspapers and data sources but also presents interactive timelines practice quizzes and key terms to help students master the book's lessons **Presidential Power** Robert Y. Shapiro,Martha Joynt Kumar,Lawrence R. Jacobs,2000 A collection of essays that reevaluates Richard Neustadt's place in presidential studies and shows that while Neustadt's classic work remains a beacon for the study of the presidency it no longer offers a reliable roadmap embodying the consensus among contemporary scholars The Presidency of Franklin Delano Roosevelt George T. McJimsey,2000 Concise and refreshingly balanced this history portrays FDR as he confronted crises of epic proportions during his record 12 year tenure as our nation's chief executive McJimsey gives a fresh account of Roosevelt's landmark administration and offers a new perspective on the New Deal 12 photos *The Powers of the Presidency*,2013 This is a comprehensive and illustrative work on the historical and contemporary perspective on presidential powers guiding readers through the presidency as a constitutional office with many updated features from the previous edition The President's Czars Mitchel A. Sollenberger,Mark J. Rozell,2012-04-27 Faced with crises that would challenge any president Barack Obama authorized pay czar Kenneth Feinberg to oversee the 20 billion fund for victims of the BP oil spill and to establish and enforce executive pay guidelines for companies that received 700 billion in federal bailout money Feinberg's office comes with vastly expansive policy powers along with seemingly deep pockets yet his position does not formally fit anywhere within

our government's constitutional framework The very word czar seems inappropriate in a constitutional republic but it has come to describe any executive branch official who has significant authority over a policy area works independently of agency or Department heads and is not confirmed by the Senate or subject to congressional oversight Mitchel Sollenberger and Mark Rozell provide the first comprehensive overview of presidential czars tracing the history of the position from its origins through its initial expansion under FDR and its dramatic growth during the presidencies of George W Bush and Barack Obama The President's Czars shows how under pressure to act on the policy front modern presidents have increasingly turned to these appointed officials even though by doing so they violate the Appointments Clause and can also run into conflict with the nondelegation doctrine and the principle that a president cannot unilaterally establish offices without legislative support Further Sollenberger and Rozell contend that czars not only are ill conceived but also disrupt a governing system based on democratic accountability A sobering overview solidly grounded in public law analysis this study serves as a counter argument to those who would embrace an excessively powerful presidency one with relatively limited constraints Among other things it proposes the restoration of accountability starting with significant changes to Title 3 of the U S Code which authorizes the president to appoint White House employees without regard to any other provision of law Ultimately the authors argue that czars have generally not done a good job of making the executive branch bureaucracy more effective and efficient Whatever utility presidents may see in appointing czars Sollenberger and Rozell make a strong case that the overall damage to our constitutional system is great and that this runaway practice has to stop

Franklin D. Roosevelt and Abraham Lincoln William D. Pederson, 2003 Cover Half Title Title Page Copyright Page Table of Contents Introduction Part I Dual Greatness in the White House 1 Franklin D Roosevelt's Abraham Lincoln 2 Two Wartime Elections The Presidential Elections of 1864 and 1944 3 Abraham and Mary Franklin and Eleanor Their Growth From Private to Public Comprehension 4 FDR and Lincoln in Stone and Bronze Part II Comparative Political Leadership 5 Warrior Communitarian and Echo The Leadership of Abraham Lincoln Winston Churchill and Franklin Roosevelt

White House Studies Compendium Glenn P. Hastedt, 2007 The American Presidency has become one of the most powerful offices in the world with the ascendancy of American power in the 20th century White House Studies Compendium brings together piercing analyses of the American presidency dealing with both current issues and historical events The compendia are the bound issues of White House Studies with the addition of a comprehensive subject index

The Policy State Karen Orren, Stephen Skowronek, 2017-10-23 The steady accretion of public policies over the decades has fundamentally changed how America is governed The formulation and delivery of policy have emerged as the government's entire raison d'être redefining rights and reconfiguring institutional structures The Policy State looks closely at this massive unnoticed fact of modern politics and addresses the controversies swirling around it Government has become more responsive and inclusive but the shift has also polarized politics and sowed a deep distrust of institutions These developments demand a thorough

reconsideration of historical governance A sterling example of political science at its best analytically rigorous historically informed and targeted at questions of undeniable contemporary significance Orren and Skowronek uncover a transformation that revolutionized American politics and now threatens to tear it apart Timothy Shenk New Republic Wherever you start out in our politics this book will turn your sense of things sideways and make you rethink deeply held assumptions It s a model of what political science could be but so rarely is Yuval Levin National Review A gripping narrative opening up new avenues for reflection along methodological conceptual and normative lines Bernardo Zacka Contemporary Political Theory A Companion to Franklin D. Roosevelt William D. Pederson,2011-03-21 A Companion to Franklin D Roosevelt presents a collection of historiographical essays by leading scholars that provides a comprehensive review of the scholarship on the president who led the United States through the tumultuous period from the Great Depression to the waning days of World War II Represents a state of the art assessment of current scholarship on FDR the only president elected to four terms of office and the central figure in key events of the first half of the 20th century Covers all aspects of FDR s life and times from his health relationships and Supreme Court packing to New Deal policies institutional issues and international relations Features 35 essays by leading FDR scholars Workways of Governance Roger H. Davidson,2004-05-13 A Brookings Institution Press and Governance Institute publication The war on terrorism has raised profound questions of domestic governance not primarily about power or policy but about the capacities of government agencies their personnel procedures work habits and styles and ability to interface with each other These are the workways of governance As the aftermath of the tragic events of September 11 2001 made very clear shortcomings and defects in the workways of governance are all too often manifested only in times of crisis or scandal after the damage is done How much better it would be to design for government a version of the periodic physical examination where tests of various types together with the physician s observations and the patient s own testimony combine to help define the patient s status and prospects The Workways of Governance project sponsored by the Governance Institute was begun in 1997 in response to a growing concern that institutions of national government have evolved into structures and developed procedures and customs that constrain their workers and hamper their collective effectiveness A unique feature of the project is the development of a periodic review of the quality of institutional life and work in government Guidelines for evaluating and monitoring governmental entities will be established and implemented annually or biennially The resulting reports consist of both objectively measured data and subjective evaluation with the ultimate aim of generating positive change toward improving the capacity of government In this first volume of analysis arising from the Workways of Governance project contributors apply these general guidelines to evaluate the leading institutions of the federal government as listed in the first three articles of the Constitution the House of Representatives the Senate the presidency focusing on White House organization and staffing the executive branch focusing on the civil service and the federal judiciary **Arsenal of World War II** Paul A. C. Koistinen,2004 Prolific munitions

production keyed America's triumph in World War II but so did the complex economic controls needed to sustain that production. Artillery tanks planes ships trucks and weaponry of every kind were constantly demanded by the military and readily supplied by American business. While that relationship was remarkably successful in helping the U.S. win the war, it also raised troubling issues about wartime economies that have never been fully resolved. Paul Koistinen's fourth installment of a monumental five-volume series on the political economy of American warfare focuses on the mobilization of national resources for a truly global war. Koistinen comprehensively analyzes all relevant aspects of the World War II economy from 1940 through 1945, describing the nation's struggle to establish effective control over industrial supply and military demand and revealing the growing partnership between the corporate community and the armed services. Koistinen traces the evolution of federal agencies mobilizing for war, including the National Defense Advisory Commission, the Office of Production Management, and the Supply Priorities and Allocation Board, and then focuses on the work of the War Production Board from 1942-1945. As the war progressed, the WPB and related agencies oversaw the military's supply and procurement systems, stabilized the economy while financing the war, closely monitored labor relations, and controlled the shipping and rationing of fuel and food. In chronicling American mobilization, Koistinen reveals how representatives of industry and the armed services expanded upon their growing prewar ties to shape policies for harnessing the economy and how federal agencies were subsequently riven with dissension as New Deal reformers and anti-New Deal corporate elements battled for control over mobilization itself. As the armed services emerged as the principal customers of a command economy, the military-industrial nexus consolidated its power and ultimately succeeded in bending the reformers to its will. The product of exhaustive archival research, *Arsenal of World War II* shows that mobilization meant more than simply harnessing the economy for war; it also involved struggles for power and position among a great many interest groups and ideologies. Nearly two decades in the making, it provides an ambitious and enormously insightful overview of the emergence of the military-industrial economy, one that still resonates today as America continues to wage wars around the globe.

The Development of the American Presidency Richard Ellis, 2022-05-02. A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present. This developmental lens, analyzing how historical turns have shaped the modern institution, allows for a richer, more nuanced understanding. *The Development of the American Presidency* pays great attention to that historical weight but is organized by the topics and concepts relevant to political science, with the constitutional origins and political development of the presidency its central focus. Through comprehensive and in-depth coverage, Richard J. Ellis looks at how the presidency has evolved in relation to the public, to Congress, to the executive branch, and to the law, showing at every step how different aspects of the presidency have followed distinct trajectories of change. Each chapter promotes active learning, beginning with a narrative account of some illustrative puzzle that brings to life a central concept. A wealth of photos, figures, and tables allow for the visual presentations of concepts. New to the Fourth

Edition Explicit and expanded attention to the role of norms in shaping and constraining presidential power with special focus on Trump's norm breaking and Biden's efforts to shore up norms Enhanced focus on the prospects for institutional reform including in the electoral college presidential relations with Congress war powers and the selection of Supreme Court justices A full reckoning with the Trump presidency and its significance for the future of American democracy presidential rhetoric the unilateral executive and the administrative state Coverage of the first year of Biden's presidency including presidential rhetoric relations with Congress and the bureaucracy use of the war powers and unilateral directives Comprehensive updating of debates about the removal power including the Supreme Court cases of *Seila Law v CFPB* and *Collins v Yellen* In depth exploration of the impact of partisan polarization on the legislative presidency and effective governance Analysis of the 2020 election and its aftermath Expanded discussion of impeachment to incorporate Trump's two impeachments Examination of presidential emergency powers with special attention to Trump's border wall declaration Review of Biden's and Trump's impact on the judiciary Assessment of Biden's and Trump's place in political time

Encyclopedia of the American Presidency Michael A. Genovese, 2009 Praise for the print edition entries are well written an excellent addition *Managing the President's Program* Andrew Rudalevige, 2018-06-26 The belief that U S presidents legislative policy formation has centralized over time shifting inexorably out of the executive departments and into the White House is shared by many who have studied the American presidency Andrew Rudalevige argues that such a linear trend is neither at all certain nor necessary for policy promotion In *Managing the President's Program* he presents a far more complex and interesting picture of the use of presidential staff Drawing on transaction cost theory Rudalevige constructs a framework of contingent centralization to predict when presidents will use White House and or departmental staff resources for policy formulation He backs his assertions through an unprecedented quantitative analysis of a new data set of policy proposals covering almost fifty years of the postwar era from Truman to Clinton Rudalevige finds that presidents are not bound by a relentless compulsion to centralize but follow a more subtle strategy of staff allocation that makes efficient use of limited bargaining resources New items and for example those spanning agency jurisdictions are most likely to be centralized complex items follow a mixed process The availability of expertise outside the White House diminishes centralization However while centralization is a management strategy appropriate for engaging the wider executive branch it can imperil an item's fate in Congress Thus as this well written book makes plain presidential leadership hinges on hard choices as presidents seek to simultaneously manage the executive branch and attain legislative success **Franklin D. Roosevelt and Congress** William D. Pederson, Byron W. Daynes, 2001 Examines the reactions of particular groups within Congress including those of individual congressmen to the changing role of the federal government during the New Deal era Also examines facets of the New Deal era from a contemporary perspective *The Upcoming Insignificance of the American Presidency* Wilbur C. Rich, 2023-12-15 This new text analyzes the development of the presidency as the dominant political

institution in the United States and raises questions about its future relevance In this history of the U S executive branch from the framing of the Constitution to the Biden administration author Wilbur C Rich illuminates the transformation of the presidential role by a variety of extra constitutional non legal forces technology and social changes The book highlights how some presidents nevertheless have managed to maintain relevancy and dominance by adapting to these changes or by introducing changes of their own For undergraduate students and researchers of presidential history and American political development this expansive historical overview of the executive branch in America makes a strong case that the significance of the American presidency has declined dramatically and perhaps irrevocably in the modern presidency *The President's Day* Matthew N. Beckmann, 2024-10-15 A president's work is defined by two challenges knowing what to do and finding the time to do it While the first of these has commanded extensive attention the second has received little to none until now *The President's Day* is a groundbreaking study of the history theory and practice of modern presidential time management Matthew N Beckmann argues that the seemingly innocuous task of scheduling turns out to be anything but In choosing what and who will fill their time presidents determine their value define their role and drive their agenda Combining extensive archival research with interviews spanning administrations from John F Kennedy to George W Bush Beckmann exposes each president's signature pattern in terms of when to work how long to work how much to pack in what to prioritize and whom to see along the way In these ways *The President's Day* demystifies what John F Kennedy called the secret of the presidential enterprise **The American Presidency** William G. Howell, 2023-01-10 How institutions shape the American presidency This incisive undergraduate textbook emphasizes the institutional sources of presidential power and executive governance enabling students to think more clearly and systematically about the American presidency at a time when media coverage of the White House is awash in anecdotes and personalities William Howell offers unparalleled perspective on the world's most powerful office from its original design in the Constitution to its historical growth over time its elections and transitions to governance its interactions with Congress the courts and the federal bureaucracy and its persistent efforts to shape public policy Comprehensive in scope and rooted in the latest scholarship *The American Presidency* is the perfect guide for studying the presidency at a time of acute partisan polarization and popular anxiety about the health and well being of the republic Focuses on the institutional structures that presidents must navigate the incentives and opportunities that drive them and the constraints they routinely confront Shows how legislators judges bureaucrats the media and the broader public shape the contours and limits of presidential power Encourages students to view the institutional presidency as not just an object of study but a way of thinking about executive politics Highlights the lasting effects of important historical moments on the institutional presidency Enables students to grapple with enduring themes of power rules norms and organization that undergird democracy **New Directions in the American Presidency** Lori Cox Han, 2023-02-21 The third edition of *New Directions in the American Presidency* provides important updates on all topics throughout the text including new and

relevant literature across the subfield of presidency studies within political science Significant changes have occurred within the political environment since the publication of the second edition Many scholars refer to the Trump presidency as a disruption to the political order and each chapter will assess the lessons and legacies of the Trump years and analyze how the Biden presidency is faring in the return to a more traditional style of presidential leadership New to the Third Edition Updated chapter on the 2020 presidential campaign and aftermath Assessment of the Trump years Presidential powers and management of executive branch use of social media relationship with Congress relationship with political parties public opinion domestic and foreign policy Supreme Court appointments Two new chapters unitary powers and intersectionality and the presidency

Eventually, you will no question discover a supplementary experience and talent by spending more cash. still when? pull off you believe that you require to acquire those all needs subsequently having significantly cash? Why dont you try to get something basic in the beginning? Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch Introduction

Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch Offers a diverse range of free eBooks across various genres. Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch, especially related to Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Bitter Harvest Fdr Presidential Power And The

Growth Of The Presidential Branch, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch books or magazines might include. Look for these in online stores or libraries. Remember that while Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch eBooks, including some popular titles.

FAQs About Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch Books

1. Where can I buy Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Bitter Harvest Fdr Presidential Power And The Growth Of The Presidential Branch books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
