Women Writers of the American West, 1833-1927 Nina Baym, 2012-08-17 This book recovers the names and works of women who wrote about the American West during the nineteenth and early twentieth centuries some of them long forgotten and others better known such as Willa Cather and Mary Austin Holley It reveals how the authors showed women making lives for themselves in the West how they represented the diverse region and how they represented themselves

City of Night John Rechy, 2013-11-12 The cult classic novel from one of the few major American writers whose life is as interesting and meaningful as his work Michael Cunningham When John Rechy's explosive first book appeared in 1963 it marked a radical departure from all other stories of its kind and gave voice to a subculture that had never before been revealed with such acuity It earned comparisons to Jean Genet and Jack Kerouac even as Rechy who had based the novel on his own life was personally attacked by scandalized reviewers Nevertheless *City of Night* became an international bestseller and ushered in a new era of fiction More than fifty years later it remains a classic Bold and inventive in style Rechy is unflinching in his portrayal of one anonymous youngman and his search for self knowledge and love within a furtive neon lit world of male hustlers drag queens closeted cops and fetishists As the narrator moves from El Paso to Times Square from Pershing Square to the French Quarter and through the lives of an extraordinary collection of characters who dwell in this clandestine world Rechy delivers a portrait of the edges of America that has lost none of its power to move and exhilarate Rechy's tone rings absolutely true is absolutely his own and he has the kind of discipline which allows him a rare and

beautiful recklessness He tells the truth and tells it with such passion that we are forced to share in the life he conveys This is a most humbling and liberating achievement James Baldwin
