Bitter Price Of Love:

The Bitter Price of Love Amanda Browning, 2011-07-15 Mistress for hire Hunter Jamieson has been furious to discover that his cousin's intended bride was the same little gold digger who had run out on him only days before. And it seemed Reba Wyeth was up to her old tricks. She needed money fast. And marrying Eliot Thorson III seemed the perfect deal. He'd get a beautiful woman on his arm. Reba would get the cash. Simple. Only Hunter Jamieson stood in her way. She had made the mistake of falling for the man, only to have to say goodbye. She'd had her reasons, of course, but Hunter wasn't interested in explanations, only revenge. The wedding was off. If Reba wanted money, she could have it, but on one condition: that she become his mistress. *Trail of Love* Amanda Browning's portrayal of one woman's difficult search for the truth packs a wallop in itself, but when paired with an obsessive love, readers get twice the fun. **The Price of Love**

Colin Murray Parkes, 2014-08-01 In the course of a long career, Colin Murray Parkes, one of the most important and influential psychiatrists working in the field of bereavement and loss, has produced a body of work which can be considered truly groundbreaking. His early studies involved working alongside John Bowlby in the development of attachment theory and led to his pioneering work on the Harvard Bereavement Project in the USA and at the new St Christopher's Hospice in Britain. Parkes focussed on two psychological processes: grief, which is the painful search for a lost person or object of attachment, and transition, which is the process of changing the assumptive world in ways that ensure that nothing worthwhile need be completely lost. Out of the struggle to resolve the conflict between holding on and letting go of the old assumptions, there gradually emerges a new and more mature model of the world. These ideas throw light on a wide range of life change events and have proved useful to people faced with bereavement, physical disabilities, dying, disasters, and even terrorist attacks. In recent years, he has supported humanitarian efforts in countries including Rwanda, India, and Japan. Parkes' career has spanned several decades and touched countless lives. In *The Price of Love*, Parkes presents papers which span the full extent of his career, covering and linking together our understanding of the five major areas of his work: Love and grief, Crisis, trauma and transition, Death and dying, Disasters, War and terrorism, breaking the cycle. The papers included here have been carefully selected and annotated to show how Parkes' thinking has developed during a career as researcher, practitioner, and educator. In each section of the book, psychological and social causes are paired with consequences and interventions, both preventive and therapeutic, and explored from Western and cross-cultural perspectives, all with Parkes' customary clarity and compassion. This unique collection of papers will prove invaluable to psychologists, psychiatrists, palliative care staff, counsellors, and students, as well as those studying international conflict and working with the bereaved. **The Price of Love** Arnold Bennett, 2019-09-25 Reproduction of the original *The Price of Love* by Arnold Bennett ***Dark Side of Love*** Rafik Schami, Anthea Bell, 2010-10-15 A dead man hangs from the portal of St Paul Chapel in Damascus. He was a Muslim officer, and he was murdered. But when Detective Barudi sets out to interrogate the man's mysterious widow, the Secret Service

takes the case away from him Barudi continues to investigate clandestinely and discovers the murderer's motive it is a blood feud between the Mushtak and Shahin clans reaching back to the beginnings of the 20th century And linked to it a love story that can have no happy ending for reconciliation has no place within the old tribal structures Rafik Schami's dazzling novel spans a century of Syrian history in which politics and religions continue to torment an entire people Simultaneously his poetic stories from three generations tell of the courage of lovers who risk death sooner than deny their passions He has also written a heartfelt tribute to his hometown Damascus and a great and moving hymn to the power of love THE PRICE OF LOVE Stacy M. even in the face of unimaginable loss finds the strength to heal and grow These poems speak of hope and renewal of finding light in the heart of darkness Verses from the Void Poetry for the Mourning Soul is more than a collection of poems it is a compassionate companion for those navigating the winding path of grief It is an acknowledgement of the pain a celebration of the memories and ultimately a beacon of hope towards healing and reconciliation It is my sincere hope that these verses bring solace to your mourning soul reminding you that even in the darkest nights the dawn awaits *Beguiling Desire*

humanity's greatest virtue **A tragedy of love and hate; or, a woman's vow** Bertha M. Clay, 2025-03-02 In *A Tragedy of Love and Hate or A Woman's Vow* Bertha M. Clay intricately weaves a poignant narrative that explores the entangled complexities of love, betrayal, and moral resolve through the lens of Victorian sensibilities. The novel unfolds around a passionate yet tumultuous romance, employing richly descriptive prose and dramatic dialogue that reflect the emotional intensity characteristic of its time. Clay engages with themes of societal expectation and personal agency, unraveling the story of a woman who grapples with her vows amidst conflicting loyalties and desires, ultimately reflecting the era's anxieties around femininity and agency. Bertha M. Clay, an influential yet often overlooked author of her time, drew inspiration from her own experiences and the prevailing social dynamics of the late 19th century. Often highlighting the plight of women in restrictive societal frameworks, Clay's background in journalism and her keen observations of human relationships considerably informed her fiction. Her ability to blend empathy with critique allowed her to create compelling female protagonists caught in the throes of emotional as well as moral dilemmas. This novel is a must-read for those interested in exploring the depth of human emotions and the societal constraints faced by women in the past. Clay's deft storytelling and her eloquent depiction of the struggle between love and obligation will resonate with readers who appreciate historical fiction that delves into the intricate terrains of the human heart.

[The Price of Love](#) Peter Robinson, 2009-08-25 A fantastic crime collection including a brand new Inspector Banks novella from Number One bestseller Peter Robinson. When DCI Alan Banks arrived in Eastvale, his life was every bit as much of a mess as it is now. But he is holding an envelope that could change everything he understood about the events that sent him north twenty years ago. Walking again the narrow alleys and backstreets of his mind, he remembers the seedy Soho nights of his last case: dubious businessmen in dodgy clubs, young girls on the game, and a killer on the loose. In addition to the brand new novella that fills in the gaps in Banks's life before Yorkshire, Peter Robinson gives us ten more brilliant and eclectic stories that have never before been published in the UK. The Eastvale Ladies Poker Circle finds that murder may be just another game of risk. Is a suitcase of cash worth a man's head on a plate? And tragedy leads a young boy to learn the price of love.

[Thoughts Unwound | Poetry & Prose](#) Francis Fernandes, 2025-08-09 The verses in *Thoughts Unwound* flow from moments deeply felt and thoughts quietly pondered. Some arise from live experiences; others from a mind wandering far and wide. At its heart, this book holds an emotional voice stirred by compassion for those on the margins, the everyday wonders of creation, and the timeless shades of love and longing. The sea I sail owes its calm to the perseverance my mother instilled in me. Many of these poems are humble tributes to her loving memory. May these lines remind you that sometimes a single verse can hold an ocean of feeling. Cheers.
