## **Bittersweet Jesus In The First Person:**

**Bittersweet Jesus in the First Person** Robert Wynne, 2004-07-01 Bittersweet Jesus in the First Person turns the basic premise of Christ's life on its head. Yahweh is in trouble. Christ is his instrument and man his salvation. Extrapolated from Answer to Job by Carl Jung, Bittersweet Jesus in the First Person is a fictionalized version of the life of Christ. It addresses his missing years while making Mary a God, Judas a saint, Moses a visionary, Allah and Romulus contemporaries, and the Jews heroic. Through the story's characters, it weaves pagan, Christian, Islamic, Greek, Chinese, and Hindu influences into Christ's experiences. The book, written in dialogue, reveals Christ's life through counseling sessions between the ex-priest counselor and his messianic patient. The shallowness of indoctrination, the dubious rationale behind skepticism, and the fundamental premise of Christian thought are viewed through the prism of this ostensibly psychologically handicapped man. **Loving**

**Jewish People** Paul O. Bischoff, 2025-08-21 Jewish people are experiencing another Holocaust. The only difference between today's catastrophic extermination of Jews and that of Nazi Germany is technology. German efficiency murdered Jewish people and disposed of their bodies in short order. Iranian murderous terror toward Jewish people is taking longer. Missiles are hit and miss. Why does the world hate the Jews? It all starts with God. An anti-God spirit prevails in cultures around the world. The Jews are God's first people on earth. They are God's method of blessing all families and nations. Maybe it's jealousy. No matter what you can't love God and hate the Jews. Ironically, the very religion which owes its existence to Judaism, Christianity, has historically been the perpetrator of Jewish hatred. The church was a bystander while others executed their mission of annihilation. The opposite of hate is love. To reverse current global anti-Jewish feeling requires loving Jewish people as human beings. It must start with a repentant church willing to admit, confess, and plead forgiveness from any Jewish person. The church needs to practice what it believes to love God with all its heart, body, soul, and spirit by demonstrating concrete ways to love its neighbor, the Jewish people. **The Bible Jesus Read** Philip Yancey, 2001-12-17 An eight-session curriculum to study the book by the same title. Includes eight 12-minute video clips. Explores the Old Testament.

**Faith, Love, and Mercy** Richard R. Roach, 2015-10-15 Faith, Love, and Mercy is a selection from the weekly homilies of noted moral theologian and pastor Fr. Richard Roach, SJ, who retired from university teaching to lead a small island parish in his last decade. His theologically rigorous yet accessible writing reflects decades-long contemplation on the significance of Catholic identity in our modern era. Combining deep-rooted wisdom with vigorous prose, the homilies prompt the reader's own reflection on what it is to live the faith daily in a distracting and uncomprehending world. Prominent themes include God's merciful love, differences between Catholicism and Protestantism, spiritual temptations in the contemporary culture, the sources of authority, faith and reason, the Real Presence, secular ideologies, and anti-Catholicism, humility, redemptive suffering, the true meaning of repentance, perseverance, and providence. Over a long ministry devoted to the Jesuit ideal, Fr. Roach strengthened or awakened the faith of many. It is also hoped that this book, combining theological vision with pastoral concern, occasions
