Black Africa, 1945 - 80, 1989 **Black Africa, 1945-1980** D. K. Fieldhouse, Emeritus Professor of Imperial and Naval History and Emeritus Fellow D K Fieldhouse, 2010-11-26 In what ways did economic considerations affect the decision by Britain and France to make their Black African colonies independent Why were early expectations that independence would lead to rapid and sustained economic development in Africa for the most part disappointed This title originally published in 1986 seeks to tackle these two important and strongly debated issues The main aim and value of the book is to take a broad view of this huge subject pulling together material on most parts of Black Africa south of the Sahara and north of the Limpopo so that the problem can be seen as a whole It takes account of a wide range of possible and actual factors which have influenced African economic development weaving them into a single analysis including the colonial inheritance the impact of the fluctuating international economy policies adopted by African governments and indigenous factors such as climate drought and human resources The book is written to be understood without difficulty by non specialists and is intended to act as an introduction to its subject for university students *Black Africa 1945-80* D. K. Fieldhouse, 1986

Imperialism and Economic Development in Sub-Saharan Africa Simon Mollan, 2020-09-09 This book examines the economic and business history of Sudan placing Sudan into the wider context of the impact of imperialism on economic development in sub Saharan Africa From the 1870s onwards British interest s in Sudan began to intensify a consequence of the opening of the Suez Canal in 1869 and the overseas expansion of British business activities associated with the Scramble for Africa and the renewal of imperial impulses in the second half of the nineteenth century Mollan shows the gradual economic embrace of imperialism in the years before 1899 the impact of imperialism on the economic development of colonial Sudan to 1956 and then the post colonial economic legacy of imperialism into the 1970s This text highlights how state centred economic activity was developed in cooperation with British international business Founded on an economic model that was debt driven capital intensive and cash crop oriented the colonial economy of Sudan was centred on cotton growing This model locked Sudan into a particular developmental path that in turn contributed to the nature and timing of decolonization and the consequent structures of dependency in the post colonial era **Health, State, and Society in**

Kenya George O. Ndege, 2001 George Ndege provides an examination of the conflicts and compromises between Western biomedicine and African traditional therapies in colonial Kenya The Long Struggle against Malaria in Tropical Africa

Africa Marcel Rutten, André Leliveld, Dick Foeken, 2008-10-15 When discussing development issues in Africa it is not sufficient to simply stress the ubiquity of failure malnutrition disease predatory states and war one also has to recognize that important aspects in the lives of millions of ordinary people have been transformed over the last five decades The contributions in this

book are rooted in extensive empirical research at local regional and or national level in different African countries Chad Ethiopia Kenya Lesotho South Africa and Uganda while some take a pan African view All however offer insight from different analytical perspectives into the heterogeneity of poverty and development processes in Sub Saharan Africa and confront the ideas concepts and assumptions that lie behind pro poor policies The volume also encourages policy makers to choose realistic policy prescriptions in an attempt to move people out of poverty

Colonial Origins of Democracy and Dictatorship Alexander Lee, Jack Paine, 2024-05-30 Why are some countries more democratic than others For most non European countries elections began under Western colonial rule However existing research largely overlooks these democratic origins Analyzing a global sample of colonies across four centuries this book explains the emergence of colonial electoral institutions and their lasting impact The degree of democracy in the metropole the size of the white settler population and pressure from non Europeans all shaped the timing and form of colonial elections White settlers and non white middle classes educated in the colonizer s language usually gained early elections but settler minorities resisted subsequent franchise expansion Authoritarian metropolises blocked elections entirely Countries with lengthy exposure to competitive colonial institutions tended to consolidate democracies after independence By contrast countries with shorter electoral episodes usually shed democratic institutions and countries that were denied colonial elections consolidated stable dictatorships Regime trajectories shaped by colonial rule persist to the present day

Industrialisation and the British Colonial State Lawrence Butler, 2012-12-06 Taking colonial policy towards West Africa as a case study Butler shows that during the 1940s the Colonial Office evolved a policy of encouraging colonial industry as part of a broad programme of development intended to prepare colonies for independence

From the Barrel of a Gun Gerald Horne, 2015-12-01 In November 1965 Ian Smith s white minority government in Southern Rhodesia now Zimbabwe made a unilateral declaration of independence breaking with Great Britain With a European population of a few hundred thousand dominating an African majority of several million Rhodesia s racial structure echoed the apartheid of neighboring South Africa Smith s declaration sparked an escalating guerrilla war that claimed thousands of lives Across the Atlantic President Lyndon B Johnson nervously watched events in Rhodesia fearing that racial conflict abroad could inflame racial discord at home Although Washington officially voiced concerns over human rights violations an attitude of tolerance generally marked U S relations with the Rhodesian government sanctions were imposed but not strictly enforced and hundreds perhaps thousands of American mercenaries joined white Rhodesia s side in battle with little to fear from U S laws Despite such tacit U S support Smith s regime fell in 1980 and the independent state of Zimbabwe was born The first comprehensive account of American involvement in the war against Zimbabwe this compelling work also explores how our relationship with Rhodesia helped define interracial dynamics in the United States and vice versa

The Historical Origin of the African Economic Crisis Alemayehu Geda, 2019-02-13 This book illuminates the answers to various major questions on African development related to

international trade and finance It explores the economic interaction between Africa and the now developed countries the West in the past and China today as well as the legacy of these interactions for Africa s growth and poverty reduction effort today In addition it discusses the implication of this legacy for Africa s future development and considers whether lessons can be drawn from this experience in terms of the continent s future development By providing in depth historical and economic analysis conducted in non technical terms the book represents a valuable resource for policy makers researchers and students as well as international organizations that focus on African development

The History of Chinese Presence in Nigeria (1950s-2010s) Shaonan Liu,2022-06-29 As the first book length work on the history of Chinese presence in Nigeria this book examines how Chinese migrants and the Nigerian state workers traders and consumers interacted with and influenced one another from the mid twentieth century to the early twenty first century Based on a combination of archival sources and oral history interviews this book argues that the significant Chinese presence in Nigeria Chinese owned factories commodities and entrepreneurs is not as recent a phenomenon as it might appear As early as the 1950s an influential yet understudied group of Chinese entrepreneurs moved to Nigeria set up factories and gradually came to dominate some of the country s key manufacturing industries such as textile and enamelware over subsequent decades Such dominance remained unchallenged until the coming of mainland Chinese traders with their made in China goods in the late 1990s dramatically changing the structure and influential pattern of the Chinese in Nigeria The research also emphasizes African Nigerian agency in shaping this Chinese presence both economically and culturally This is a vital read for academics researchers and students of African History African Studies Chinese Studies and those who are interested in contemporary issues relating to Africa China relations

Europe and the Wider World Bernard Waites,2005-07-19 This book examines the concept of Europe in its relations to those areas of the globe beyond its borders In particular it is concerned with the historical evolution and contemporary setting of Europe vis a vis The United States of America the developing world and the former Soviet Union

This involves drawing on the perspectives of international history politics and economics A unifying feature of the analysis included here is provided by the fact that the bi polar world that emerged in the aftermath of the Second World War has effectively been brought to an end with the collapse first of Soviet control in Eastern Europe and then by the break up of the Soviet Union itself and a prospective reduction of American influence in western Europe What will Europe look like in an increasingly multi polar world An answer to this depends not only on the evolving external connections between Europe and other parts of the world but also on the internal development of European political and economic integration The dynamic of this crucial dual relationship is examined here

Causal Mechanisms in the Global Development of Social Policies Johanna Kuhlmann, Frank Nullmeier, 2022-05-28 This open access edited volume introduces the concept of causal mechanisms to explore new ways of explaining the global dynamics of social policy and shows that a mechanism based approach provides several advantages over established approaches for studying social policy The introductory chapter outlines the mechanism based approach which stands out by modularisation and a clear focus on actors The mechanism based approach then guides the twelve chapters on social policy developments in different Asian African European and Latin American countries Based on these findings the concluding chapter provides a structured compilation of causal mechanisms and outlines how a mechanism based approach can further strengthen research on the global development of social policies especially in a comparative perspective The edited volume is highly relevant for social policy

scholars from a variety of disciplines as well as for scholars interested in strengthening explanation in the social sciences

The Caspian Region, Volume 1 Moshe Gammer, 2004-06-25 Following the dissolution of the Soviet Union in the 1990s new states most of them muslim emerged in central Asia and the Caucasus These new states proved to be both oil rich and central in the strip of conflict and instability that stretches from central Europe to the Far East This volume draws attention to previously neglected issues which could result in conflict the water problem and negotiation in central Asia the issues of Southern Azerbaijan Ajaria and Javakheti the many problems of multi ethnic Daghestan two attempts at unity in the Northern Caucasus The book also re examines some of the established truths regarding the states around the Caspian Sea and re evaluates the validity of the term Caspian region and the question of who should be included in this new region the general belief that the Caspian region will be a geopolitical centre of the 21st century the axiom that the dissolution of the USSR has reopened the Great Game Moreover The Caspian Region thoughtfully re examines the questions of democracy of

fundamentalist Islam and of the complex ambivalent relationship between Islam and nationalism in the region *Sabelo Ndlovu-Gatsheni and African Decolonial Studies* Toyin Falola, 2023-09-15 This book considers the work of the preeminent scholar on decoloniality Sabelo Ndlovu Gatsheni as a means of examining the development of decoloniality discourse and considering the future direction of the African knowledge economy Sabelo Ndlovu Gatsheni has been instrumental in the construction of theories and ideas necessary for advancing a decolonial system of education and epistemology This book considers how Professor Ndlovu Gatsheni s work has helped to shape our thinking both on Mugabe and the history of Zimbabwe and beyond to the broader questions of race liberation higher education and the future of decolonial studies Renowned author Professor Toyin Falola then invites us to consider the dangers of continued repression of African epistemologies and the enormous benefits of an alternative knowledge economy in which a diverse multiplicity of ideas drives our understanding of the world on to new heights Unpacking the various conceptual leanings of decoloniality through the works of one of its leading lights this book will be an essential read for researchers across the fields of African Studies Race Studies Philosophy and Education *Africa's Development in Historical Perspective* Emmanuel Akyeampong, Robert H.

Bates, Nathan Nunn, James Robinson, 2014-08-11 Why has Africa remained persistently poor over its recorded history Has Africa always been poor What has been the nature of Africa s poverty and how do we explain its origins This volume takes a necessary interdisciplinary approach to these questions by bringing together perspectives from archaeology linguistics history anthropology political science and economics Several contributors note that Africa s development was at par with many areas of Europe in the first millennium of the Common Era Why Africa fell behind is a key theme in this volume with insights that should inform Africa s developmental strategies
