Black And White A Journal Of A Three Months Tour In The United States

Henry Latham

Black And White A Journal Of A Three Months Tour In The United States:

Black and White: a journal of a three months' tour in the United States Henry LATHAM (M.A., Barrister-at-Law.), 1867

Black and White. a Journal of a Three Months' Tour in the United States Henry Latham, 1867 **Black and White** Henry Latham, 2012 Black and White Henry Latham, 2003-01-30 An English lawyer's account of travels through the Mid Atlantic and South with considerable commentary on racial relations and politics **The Harvard Guide to African-American History** Evelyn Brooks Higginbotham, 2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America **Black Life on the Mississippi** Thomas C. Buchanan, 2006-03-08 All along the Mississippi on country plantation landings urban levees and quays and the decks of steamboats nineteenth century African Americans worked and fought for their liberty amid the slave trade and the growth of the cotton South Offering a counternarrative to Twain's well known tale from the perspective of the pilothouse Thomas C Buchanan paints a more complete picture of the Mississippi documenting the rich variety of experiences among slaves and free blacks who lived and worked on the lower decks and along the river during slavery through the Civil War and into emancipation Buchanan explores the creative efforts of steamboat workers to link riverside African American communities in the North and South The networks African Americans created allowed them to keep in touch with family members help slaves escape transfer stolen goods and provide forms of income that were important to the survival of their communities The author also details the struggles that took place within the steamboat work culture Although the realities of white supremacy were still potent on the river Buchanan shows how slaves free blacks and postemancipation freedpeople fought for better wages and treatment By exploring the complex relationship between slavery and freedom Buchanan sheds new light on the ways African Americans resisted slavery and developed a vibrant culture and economy up and down America's greatest river

Black Freedom and Education in Nineteenth-Century Cuba Raquel Alicia Otheguy, 2025-01-14 In this book Raquel Otheguy argues that Afro descended teachers and activists were central to the development of a national education system in Cuba and influenced the trajectory of public school systems in the broader Americas **Transatlantic Manners**

Christopher Mulvey, 1990-05-17 Christopher Mulvey has entered the world of travellers writing about their journeys abroad during the eighty years following the end of the 1812 15 War Black and White, 1867 Henry Latham, 2015-07-11 Excerpt from *Black and White 1867 A Journal of a Three Months Tour in the United States* MY chief object in publishing this Journal of a three months tour in America is to induce other Englishmen to go and judge for themselves what manner of people their American cousins really are by making trial of their heartiness and hospitality They will return I believe impressed as I am with a conviction that any one who can contribute in the smallest degree to make the two nations understand one another better will be doing good service to both and that this can only be brought about by increased social intercourse between

them About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Secret City Constance McLaughlin Green, 2015-12-08 The efforts of Washington's Negro community to establish unity within itself and to win recognition from white Washingtonians and conversely the efforts of a minority of white Washingtonians to effect an understanding with the Negroes make this a fascinating story Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Democratization in America Desmond King, Robert C. Lieberman, Gretchen Ritter, Laurence Whitehead, 2009-08-05 The essays in this volume examine democracy's development in the United States demonstrating how that process has shaped and continues to shape the American political system Scholars of American politics commonly describe the political development of the United States as exceptional and distinct from that of other advanced industrial democracies They point to the United States as the longest lived and most stable liberal democracy in history What they often fail to mention though is that it took considerable time to extend democracy throughout the country The contributors to this volume suggest that it is intellectually fruitful to consider the U.S. case in comparison to other countries They argue that the development of democracy is ongoing in America that even with a written constitution grounded in liberal democracy the meaning and significance of U.S. democracy are still evolving This volume shows that democratization and the pursuit of democracy are processes affected by multiple and continuing challenges including such issues as citizenship race institution building and political movements as patterns and practices of politics and governance continue to change This innovative approach contributes significantly to comparative democratization studies a field normally confined to Latin America and former communist countries The U.S. case is a unique reference point for students of American political development and comparative democratization

[American Literary Gazette and Publishers' Circular](#), 1867

Flowing Through Time Lynn Willoughby, 2012-05-23 This handsome illustrated book chronicles the history of the Lower Chattahoochee River and the people who lived along its banks from prehistoric Indian settlement to the present day In highly accessible energetic prose Lynn Willoughby takes readers down the Lower Chattahoochee River and through the centuries On this journey the author begins by examining the first encounters between Native Americans and European

explorers and the international contest for control of the region in the 17th and 19th centuries Throughout the book pays particular attention to the Chattahoochee s crucial role in the economic development of the area In the early to mid nineteenth century the beginning of the age of the steamboat and a period of rapid growth for towns along the river the river was a major waterway for the cotton trade The centrality of the river to commerce is exemplified by the Confederacy s efforts to protect it from Federal forces during the Civil War Once railroads and highways took the place of river travel the economic importance of the river shifted to the building of dams and power plants This subsequently led to the expansion of the textile industry In the last three decades the river has been the focus of environmental concerns and the subject of water wars because of the rapid growth of Atlanta Written for the armchair historian and the scholar the book provides the first comprehensive social economic and environmental history of this important Alabama Georgia Florida river Historic photographs and maps help bring the river s fascinating story to life **Pacific Medical and Surgical Journal** ,1868

Negro Slave Songs In The United States Miles Mark Fisher,2013-01-04 This early work by Miles Mark Fisher is both expensive and hard to find in its first edition It details the importance and meaning of slave songs in America This fascinating work is thoroughly recommended for inclusion on the bookshelf of all with an interest in slave music and the political history of the United States Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce We are republishing these classic works in affordable high quality modern editions using the original text and artwork

Unspeakable Awfulness Kenneth D. Rose,2013-07-24 The late nineteenth century was a golden age for European travel in the United States For prosperous Europeans a journey to America was a fresh alternative to the more familiar Grand Tour of their own continent promising encounters with a vast wild landscape and with people whose culture was similar enough to their own to be intelligible yet different enough to be interesting Their observations of America and its inhabitants provide a striking lens on this era of American history and a fascinating glimpse into how the people of the past perceived one another In *Unspeakable Awfulness* Kenneth D Rose gathers together a broad selection of the observations made by European travellers to the United States European visitors remarked upon what they saw as a distinctly American approach to everything from class politics and race to language food and advertising Their assessments of the American character continue to echo today and create a full portrait of late nineteenth century America as seen through the eyes of its visitors Including vivid travellers tales and plentiful illustrations *Unspeakable Awfulness* is a rich resource that will be useful to students and appeal to anyone interested in travel history and narratives *Round Table* ,1867 **The Nation** ,1867
