Born Gray in a Black and White World Wade Oliver, 2010-12 From the moment I was born in the Psychiatric ward at the University of Minnesota Hospital in 1965 Minnesota would never be the same With a little naivety on my mothers part back in the early 70 s a little boy had more leash to explore than a little boy should have had Combined with a stepfathers influence that was geared more for inmates at Alcatraz a wild pony was created and set loose into the world until being reigned in at the age of 24 In the book I chronicle many of the events in my life up to the present By the time I was eleven years old I had crashed two cars the second on Hwy 100 in the middle of the day I had an extraterrestrial visit been chased by the police on the back of my drunken step dad s motorcycle and had done and seen numerous other things that were years to early The craziness of my life continued throughout my school years into the military and then as a young adult man after the Air Force What makes this book special is the transparency of my failures successes fears and hopes from my heart that are common to most people as I became an adolescent and a man as well as those things that are unique to having one foot in and one foot out of the white European and black African gene pool This book is more than a rollercoaster ride and window into my life It answers the two most important questions that are at the core of every human heart who am I and what is my purpose I show how God rescued me from myself and transformed my life without removing my playful and sometimes zany antics **When Black and White Become Gray** Richard Kay, 2010-04 WHEN BLACK AND WHITE

BECOME GRAY Whether we talk about Right from Wrong Good from Evil Black and White in contradiction of Gray Capitalism in opposition to Socialism Conservatives in opposition to Liberalism Humanism Secularism or Naturalism versus Christianity and leading the horde Atheism opposing all and anyone believing in the Christian values of the originator Jesus Christ as taken from Scriptures of the Holy Bible and formed into our Constitution The lack of legitimate authority caused by the denial of God reinforces the Christian s belief that God must be recognized as ruler in every sphere including local and federal governmental politics We are now seeing violations taking hold in this 21st century by men who want new awe inspiring laws that bind man to authority with exception of mans pleasure fitness or convenience which is not binding at all

The twentieth century should have taught Americans that even the most basic of human rights cannot exist yet again and again apart from an absolute Christian standard This standard is given to you in this book Who is sovereign and to whom is man responsible to This source of sovereignty resides only in following Jesus Christ and has been for over two hundred and thirty four years in America and is still if we in simple terms want this very source of American freedom But if sovereignty resides in government whether a monarchy or a democracy behaving in an overbearing dictatorial way man has no appeal beyond the law of the state and has no source of Christian truths principles and ethics Leading only into oppression and totalitarianism Freedom first of all is a question of self determination and responsibility In the two years it took to do research study and having the strength or tendency to condense not by opinion but by history common sense and reality regarding Capitalism Atheism Socialism and the strategy used by Marxists liberals to overthrow our American freedoms
