FANTASY SERIES from Monster Hunter series creator and New York Times best selling author Larry Correia After the War of the Gods the demons were cast out and fell to the world Mankind was nearly eradicated by the seemingly unstoppable beasts until the gods sent the great hero Ramrowan to save them He united the tribes gave them magic and drove the demons into the sea Ever since the land has belonged to man and the oceans have remained an uncrossable hell leaving the continent of Lok isolated It was prophesized that someday the demons would return and only the descendants of Ramrowan would be able to defeat them They became the first kings and all men served those who were their only hope for survival As centuries passed the descendants of the great hero grew in number and power They became tyrannical and cruel and their religion nothing but an excuse for greed Gods and demons became myth and legend and the people no longer believed The castes created to serve the Sons of Ramrowan rose up and destroyed their rulers All religion was banned and replaced by a code of unflinching law The surviving royalty and their priests were made casteless condemned to live as untouchables and the Age of Law began Ashok Vadal has been chosen by a powerful ancient weapon to be its bearer He is a Protector the elite militant order of roving law enforcers No one is more merciless in rooting out those who secretly practice the old ways Everything is black or white good or evil until he discovers his entire life is a fraud Ashok isn't who he thinks he is and when he finds himself on the wrong side of the law the consequences lead to rebellion war and destruction At the publisher's request this title is sold without DRM Digital Rights Management      **I Parry Everything: What Do You Mean I'm the Strongest? I'm Not Even an Adventurer Yet! Volume 2** Nabeshiki,2023-05-30 The Empire's hidden scheme has finally

reared its sinister head Lynne Ines and Noor return to the capital with the demonfolk boy Rolo in tow only to find the city engulfed in flames overrun by monsters and under attack by an ancient calamity Can our heroes save the Kingdom from certain destruction or will the Empire's peerless military might prove to be too much for them And will Noor ever realize his own strength      **I Parry Everything: What Do You Mean I'm the Strongest? I'm Not Even an Adventurer Yet! Volume 4** Nabeshiki,2023-12-18 Beneath the Theocracy's Cathedral in the deepest stratum of the Dungeon of Lamentation Noor stumbles across an earth shattering revelation one with the potential to turn centuries of history on their head Meanwhile his companions work to bring an equally devastating yet far darker secret to light The true form of Holy Mithra and the past of the adventurer known as Astirra are the keys to unlocking the Theocracy's sinister conspiracy But will our heroes escape their respective trials alive or will the Dungeon of Lamentation claim yet another set of victims Well you know what they say when in doubt Parry your way out      **The Army of the Undead: Alternate Reality** Ronald Wintrick,2013-05-20 Favel's lower half fell away kicking and thrashing rolling across the cobblestones then somehow managed its feet A black gush of blood poured out of Favel's upper half which still clung to the soldier still feasting on the soldier's face The man still screamed His

knife still plunged into Favel impotently The soldier who had chopped Favel in half stepped back in horrific incomprehension The look on his face would have taken tomes to describe Then he spewed his guts in an explosive convulsion that sprayed over the two struggling men but neither seemed to notice At the last moment the soldier's head turned in time to notice the approach of the pair of legs He swung his sword and chopped down through the hips and separated the two legs which fell away from one another but continued to struggle on When he came upon the first combatants the Necromancers were nowhere to be seen There was heavy fighting but the men seemed to be slowly overwhelming the Ignacian fighting in a Line Formation where they could more easily bring their swords and axes into service The men were steadily falling back but that was only so that they did not have to walk among the fallen body parts of the enemy which continued to fight even when cleaved to individual pieces A legless torso would clamber forward and attempt to climb a man and would have to be chopped away When one of their own fell the men turned and chopped their own comrade to pieces even if he was not completely dead The merest scratch by one of the Ignacian was a death sentence that arrived only minutes later and as gruesome as it might seem to chop apart your own comrades it was a duty that had to be done The men continued to fall back but the Ignacian were taking a heavy toll The now tireless team pulling the woman's wagon followed them like lost dogs but the woman and her children leaped out onto the first unwary humans they encountered It was an amusing game to watch the Ignacian tear into the helpless people There were many variations of the game Kill one among a family and watch as the others rush to see what is wrong Kill the child in the mother's arms and watch laughing as it rips off the breast it was feeding on They rode into the city killing and killing as they went the chain reaction now unstoppable Moruv nodded uncertainly Since when did the Warlord make inspections of his land Since when did he go anywhere without an armed escort A sizable one at that Who was the tall stranger with him Moruv had the strangest sensation while looking at him that his face had wavered and rippled Ridiculous of course but after yesterday's events Moruv was looking at the world with an entirely new viewpoint one in which previously impossible things had just become the possible He was sure that nothing could now surprise him but he was wrong The Ignacian poured forward over the lip of the trench the front rows just falling in as their uncoordinated movements tumbled them forward Some tried to step in or jump down but they could not accomplish anything so complicated They continued to march forward into the opening until they had filled the trench and then their comrades walked over their bodies into the bristling pikes When he reached their point of origin the westernmost end of the Big Wood's Road and found that the Ignacian element had not yet reached the fortifications which had been erected there he floated over the unknowing Army and the Sisters arrayed there to defend their breastworks and watched the Ignacian finish closing the short distance to the waiting Army Lives would certainly be lost this day but Lester needed to see what kind of a defense the flesh and blood soldiers would be able to pose against their undead adversaries His timing had been nearly perfect and he did not have to wait long Daghula and the rest of the Necromancers were all alike in that regard they thought they were too

good to bow and grovel before their true Master Malton was not impeded by such arrogant shortcomings He knew and understood Sheitan s superiority When that eventual day came he would grovel happily in blissful acceptance of his fate at the Master s feet The Master would be pleased with him He would pet him and croon to him as Malton groveled No Malton did not fear that eventual day Not in the least She was on the field of battle All around her raged unceasing combat men and women even children battling the undead Ignacian and every time one of the living fell mortally wounded he rose immediately as one of the enemy to strike down those he had just stood with his loved ones his own family Jana was fighting with her short sword and Casting Wizard s Fire but there was little room in the melee for the use of it without fear of hitting the living For as far as she could see in every direction there was nothing but the heaving bodies of those engaged in mortal combat then the old woman s eyes seemed to withdraw and Jana reeled away Cloudless and as bright as any night could hope to be under the brilliance of the billions of stars above Daghula cast an illusion which made him invisible then drew the great Black Sword which Sheitan himself had given him buried within the heart of a great volcanic rock which even his spells had been unable to dislodge he had chipped the rock away by hand to expose the hungry blade this direct Channel to the Lower Plane and Sheitan himself He drew it now and felt it quiver in his hand as if it were a thing alive unto itself but it was not it merely conveyed the hunger of its Master For those who it consumed there could be no salvation their souls sent directly to the Lower Plane no matter what life they lived while here It was the Wizard Timan He attacked me in Specter Form Nimian snarled Everything unknown in life became clear after death when the soul s unlimited ability to comprehend was released from its limiting physical bonds It would also make the torments of Hell that much more acute It be Old Woman said She had been called Old Woman for so long that she had completely forgotten her given name She had bounced Hirren their hot tempered King on her knees when he was but a babe as she had bounced Hirren s father before him and his father before him and even beyond that though her memory no longer served her well enough to remember just exactly how long she had been alive The days just continued to pass and she continued to move through them She was Old Woman The Balance Marea emphasized is contingent upon toil and struggle The future depends on Right and Justice but Righteousness must come to its own as must Discord and Rebellion The day will come eventually when Discord and Rebellion must finally cease to exist but that cessation must be brought about by the hand of man This is our world and if we wish to keep the Good which is within it we will have to fight for it Excerpts You don t think the war in Parce will reach us here do you mum Timan asked not really knowing what he expected but in no way expecting the reaction she did have The smile fell from her lips the joy left her eyes and clouds of sorrow seemed to cross her countenance Those who came through here last week claimed to be fleeing an Army of the Undead An Army of the Undead led by a Necromancer they called Daghula Ichorious Not led Marea corrected but forced through Evil spells from their very graves to rise and do the Necromancer s bidding They do not follow willingly No one rises from their grave willingly You speak of it as if you know of such things Timan said causing his mother to blanch

slightly as if this were a subject she had not wanted raised Not ever Your mother was not always a farmer s wife and a mother She was once a very well known Sorceress of not inconsiderable Power Jarod said a small smile now twisting his lips and something else was there as well A certain deference Timan had never noticed before but now that he had noticed it realized it had always been there He had always thought highly of his parent s relationship which was of a much more equal nature than some of the other Prairie folk and now he seemed to understand why and also to have a new respect for his father It would take a special man to marry a woman who possessed Power enough to overpower him if they should ever come to arguing Timan was old enough to understand how difficult that would be for most men but not apparently his father Timan immediately felt the spell coursing through his veins throbbing like an additional heartbeat a heartbeat that thrummed in tune with spoken words that held no conscious meaning beating at his temples pounding at his temples and then he was no longer in his own body He seemed to leap out of it and into the air faster than he could have ever moved in his physical body where such rapid acceleration would have ripped him apart at the seams As he hurtled away he had just enough time to look back over his shoulder he still seemed to be in his physical form and watch himself be left far behind This might be what it would be like to die except that he would not be able to return after his brief sojourn Absolutely Kenry said and before Timan knew what was happening he was snatched from his seat and thrown roughly to the ground Kenry turned back to Marea as Timan scrambled to his feet You understand I will not coddle him I will do him no favors if I coddle him Marea began to speak quietly under her breath Had she spoken aloud Jarod still wouldn t have understood her She was speaking the Old Tongue The language of Power which if the oral histories were correct could not be translated into any other language the ancient meanings of the words so long lost in time that their present counterparts could not be discerned Marea believed possibly with several dozen lifetimes available in which to research and experiment the task could be completed but the only way to live much beyond the normal span was to trade away your soul to Sheitan the evil god of the Lower Realm and if you did that Sheitan would have demands that precluded using your time for your own purposes Such Wizards who gave themselves to Sheitan were called Necromancers and through their unholy union with the God of the Lower Realms were able to perform many spells normal Wizards were not including the ability to raise the dead What have you done Jarod exclaimed running down the steps to challenge the man who flinched back before the now greenly glowing blade and Jarod s fury I ve done nothing What mean you man It s not him Marea interjected coming down to stand beside her husband It s the residue on the blade The stranger s eyes snapped down to the blade hanging from his belt A look that contained both horror and revulsion and a dawning realization of just what this might mean I didn t know I swear I cleaned the blade He was now nearly hysterical Children in both the wagons broke out crying and looks of horror spread across the faces of everyone else not crying but old enough or smart enough to understand what this could mean It means you have probably carried the spell of the Necromancer with you Marea said Hurry and remove your scabbard It must be purified Quickly now man She added as

he stood there a moment longer stupefied The child was in its crib where it had been before the attack and where it had been tossed back into after it made its transformation and was no longer palatable to whatever had been eating it Its left arm had been ripped raggedly away from the shoulder the right at the elbow as if two somethings had been in a tug of war with it to obtain it Its stomach and inner organs were missing as well as a ragged chunk from its face Yet it was on its feet and trying to climb the high walls of its crib as if those wounds were of no more than a passing inconvenience They were however enough of an inconvenience that even with its Evil strength it could not free itself It smiled up at Timan angelically
