Perspectives on the Caribbean

Philip W. Scher, 2009-09-15 perspectives on The Caribbean perspectives on The Caribbean Genuflecting to no tired metaphors this is a refreshing collection of cross disciplinary voices that compel new ways of seeing and thinking about the still undiscovered Caribbean Patricia Mohammed University of the West Indies St Augustine Presenting a broad understanding of the complex region of the Caribbean Perspectives on the Caribbean A Reader in Culture History and Representation provides a variety of viewpoints on the rich spectrum of Caribbean culture Essays carefully chosen from a vast body of existing literature expose readers to a variety of approaches voices and topics that have emerged in Caribbean studies Readings are interdisciplinary in nature and integrate themes from history folklore sociology anthropology and political economy Both contemporary viewpoints and classic readings reveal how the Caribbean has led scholars to new ways of exploring cultural hybridity in contemporary society Each section includes brief introductions to put the readings in context with the connections between modern Caribbean culture and its historical roots and also includes suggested readings for more in depth study Perspectives on the Caribbean offers revealing insights into one of the most diverse and complex regions in the Americas

Blackness in Latin America and the

Caribbean, Volume 2 Norman E. Whitten, Arlene Torres, 1998 Shows regional Black history

Afro-Creole Richard D. E. Burton, 2018-10-18 This wide ranging book explores the origins development and character of Afro Caribbean cultures from the slave period to the present day Richard D E Burton focuses on ways in which African traditions including those in religion music food dress and family structure were transformed by interaction with European and indigenous forces to create the particular cultures of Jamaica Trinidad and Haiti He demonstrates how the resulting Afro Creole cultures have both challenged and reinforced the social political and economic status quo in these countries Jamaican slaves opposed slavery in many ways and one of the most important Burton suggests was the development of Afro Christianity He pays particular attention to the African derived Christmas celebration of Jonkonnu as an expression of opposition and then documents religion in the post slavery period with an emphasis on Rastafarianism in Jamaica and Vodou in Haiti The element of play has always figured importantly in Afro Caribbean life Burton examines the evolution of carnival and calypso in Trinidad and describes the significance of cricket in defining Caribbean national identity Based on ten years of research Afro Creole draws on historical anthropological sociological and literary sources Burton characterizes the emergence of Caribbean identity with three different national flavors and demonstrates how culture both reflects and impacts people s changing sense of their own political power

Race Relations in the Bahamas, 1784-1834 Whittington Bernard Johnson, Johnson Whittington, 2000-01-01 This deeply researched clearly written book is a history of black society and its relations with whites in the Bahamas from the close of the American Revolution to emancipation Whittington B Johnson examines the communities developed by free bonded and mixed race blacks on the islands as British colonists and American loyalists unsuccessfully tried to establish a plantation economy The author explores how relations between the races developed civilly in this region contrasting it with the harsher and more violent experience of other Caribbean islands as well as the American South Interpreting church documents and Colonial Office papers in a new light Johnson presents a more favorable conclusion than previously advanced about the conditions endured by victims of the African Diaspora and by Creoles in the Bahama Islands He makes use of an impressive and important body of archival and secondary research *Race Relations in the Bahamas* will be of great interest to southern historians historians of slave societies and black communities scholars of race relations in general and general readers in the Bahamas

Hosts and Guests Valene L. Smith, 2012-06-13 Tourism one of the world s largest industries has long been appreciated for its economic benefits but in this volume tourism receives a unique systematic scrutiny as a medium for cultural exchange Modern developments in technology and industry together with masterful advertising have created temporarily leisured people with the desire and the means to travel They often in turn effect profound cultural change in the places they visit and the contributors to this work all attend to the impact these guests have on their hosts In contrast to the dramatic economic transformations the social repercussions of tourism are

subtle and often recognized only by the indigenous peoples themselves and by the anthropologists who have studied them before and after the introduction of tourism The case studies in *Hosts and Guests* examine the five types of tourism historical cultural ethnic environmental and recreational and their impact on diverse societies over a broad geographical range

Cultural Identity and Ethnicity in the Pacific Jocelyn Linnekin, Lin Poyer, 1990-01-01 **The Essential Writings of Robert A. Hill** Adam Ewing, 2024-02-13 Bringing together Robert A Hill s most important writings for the first time this collection serves as a testament to Hill s legacy as a pioneering scholar activist archive builder and editor who shaped the study of Garveyism and pan Africanism The Mother Town Gwen Kennedy Neville, 1994 Horses with riders trailed by foot processional silver bands and pipe bands furling medieval banners lavish costumes and singers and actors the Common Riding is an elaborate little studied ritual phenomenon of the border towns of Scotland In this vividly written and insightful analysis Gwen Kennedy Neville uses this civic ceremony as a window for glimpsing the process of ritual symbol and experience in the development of the concept of the town in Western culture Based on extensive fieldwork in the town of Selkirk *The Mother Town* looks at the Common Riding in detail uncovering pre Reformation symbolism and pageantry often medieval and Catholic in a region that has been Protestant for over four hundred years Neville shows how the ceremony is a model of the way civic ritual serves to construct a system of towns which gives rise to the modern world Further she contends that these civic rituals create a ceremonial setting in which the contradictions between tradition and modernity can be temporarily resolved and where past and present live side by side Neville offers a provocative and illuminating study of how the ritual of Common Riding makes a dramatic statement about local strife communal independence and Protestantism in the towns of the Scottish Borders The Beaver Bites Back? David H. Flaherty, Frank E. Manning, Frank Edward Manning, 1993 Canadians have demonstrated a remarkable sense of unity about protection of their cultural industries during the continuing national debate over free trade This study of the effect of American popular culture on Canada is therefore particularly relevant *Funky Nassau* Timothy Rommen, 2011-05-19 This book examines the role music has played in the formation of the political and national identity of the Bahamas Timothy Rommen analyzes Bahamian musical life as it has been influenced and shaped by the islands location between the United States and the rest of the Caribbean tourism and Bahamian colonial and postcolonial history Focusing on popular music in the second half of the twentieth and early twenty first centuries in particular rake n scrape and Junkanoo Rommen finds a Bahamian music that has remained culturally rooted in the local even as it has undergone major transformations Highlighting the ways entertainers have represented themselves to Bahamians and to tourists *Funky Nassau* illustrates the shifting terrain that musicians navigated during the rapid growth of tourism and in the aftermath of independence **Demons of Disorder** Dale Cockrell, 1997-07-28 A study of blackface minstrels in the first half of the nineteenth century **The Contemporary Caribbean** Robert B. Potter, David Barker, Thomas Klak, Denis Conway, 2015-07-17 This text focuses on the contemporary economic social geographical

environmental and political realities of the Caribbean region Historical aspects of the Caribbean such as slavery the plantation system and plantocracy are explored in order to explain the contemporary nature of and challenges faced by the Caribbean The book is divided into three parts dealing respectively with the foundations of the Caribbean rural and urban bases of the contemporary Caribbean and global restructuring and the Caribbean industry tourism and politics

Caribbean Pleasure Industry Mark Padilla, 2008-11-15 In recent years the economy of the Caribbean has become almost completely dependent on international tourism And today one of the chief ways that foreign visitors there seek pleasure is through prostitution While much has been written on the female sex workers who service these tourists Caribbean Pleasure Industry shifts the focus onto the men Drawing on his groundbreaking ethnographic research in the Dominican Republic Mark Padilla discovers a complex world where the global political and economic impact of tourism has led to shifting sexual identities growing economic pressures and new challenges for HIV prevention In fluid prose Padilla analyzes men who have sex with male tourists yet identify themselves as normal heterosexual men and struggle to maintain this status within their relationships with wives and girlfriends Padilla's exceptional ability to describe the experiences of these men will interest anthropologists but his examination of bisexuality and tourism as much neglected factors in the HIV AIDS epidemic makes this book essential to anyone concerned with health and sexuality in the Caribbean or beyond
