African American writers from the eighteenth through the twentieth centuries The Cambridge History of African American Literature Maryemma Graham, Jerry Washington Ward, 2011-02-03 A major new history of the literary traditions oral and print of African descended peoples in the United States **The Geographies of African American Short Fiction**

Kenton Ramsby, 2022-03-25 Perhaps the brevity of short fiction accounts for the relatively scant attention devoted to it by scholars who have historically concentrated on longer prose narratives The Geographies of African American Short Fiction seeks to fill this gap by analyzing the ways African American short story writers plotted a diverse range of characters across multiple locations small towns a famous metropolis city sidewalks a rural wooded area apartment buildings a pond a general store a prison and more In the process these writers highlighted the extents to which places and spaces shaped or situated racial representations Presenting African American short story writers as cultural cartographers author Kenton Ramsby documents the variety of geographical references within their short stories to show how these authors make cultural spaces

integral to their artwork and inscribe their stories with layered and resonant social histories The history of these short stories also documents the circulation of compositions across dozens of literary collections for nearly a century Anthology editors solidified the significance of a core group of short story authors including James Baldwin Toni Cade Bambara Charles Chesnutt Ralph Ellison Zora Neale Hurston and Richard Wright Using quantitative information and an extensive literary dataset The Geographies of African American Short Fiction explores how editorial practices shaped the canon of African American short fiction Black Poets of the United States Jean Wagner,1973 Traces the evolution of Afro American poetry highlighting individual poets up to the time of the Harlem Renaissance **The Origins of African American Literature, 1680-1865** Dickson D. Bruce,2001 From the earliest texts of the colonial period to works contemporary with Emancipation African American literature has been a dialogue across color lines and a medium through which black writers have been able to exert considerable authority on both sides of that racial demarcation Dickson D Bruce argues that contrary to prevailing perceptions of African American voices as silenced and excluded from American history those voices were loud and clear Within the context of the wider culture these writers offered powerful widely read and widely appreciated commentaries on American ideals and ambitions The Origins of African American Literature provides strong evidence to demonstrate just how much writers engaged in a surprising number of dialogues with society as a whole Along with an extensive discussion of major authors and texts including Phillis Wheatley s poetry Frederick Douglass s Narrative Harriet Jacobs Incidents in the Life of a Slave Girl and Martin Delany s Blake Bruce explores less prominent works and writers as well thereby grounding African American writing in its changing historical settings The Origins of African American Literature is an invaluable revelation of the emergence and sources of the specifically African American literary tradition and the forces that helped shape it **Black American Literature Forum** ,1982 Provides image and full text online access to back issues Consult the online table of contents for specific holdings **Writers of the Black Chicago Renaissance** Steven C. Tracy,2011-11-01 Writers of the Black Chicago Renaissance comprehensively explores the contours and content of the Black Chicago Renaissance a creative movement that emerged from the crucible of rigid segregation in Chicago s Black Belt from the 1930s through the 1960s Heavily influenced by the Harlem Renaissance and the Chicago Renaissance of white writers its participants were invested in political activism and social change as much as literature art and aesthetics The revolutionary writing of this era produced some of the first great accolades for African American literature and set up much of the important writing that came to fruition in the Black Arts Movement The volume covers a vast collection of subjects including many important writers such as Richard Wright Gwendolyn Brooks and Lorraine Hansberry as well as cultural products such as black newspapers music and theater The book includes individual entries by experts on each subject a discography and filmography that highlight important writers musicians films and cultural presentations and an introduction that relates the Harlem Renaissance the White Chicago Renaissance the Black Chicago Renaissance and the Black Arts Movement

The Lynching of Cleo Wright Dominic J. Capeci Jr., 2021-12-14 On January 20 1942 black oil mill worker Cleo Wright assaulted a white woman in her home and nearly killed the first police officer who tried to arrest him An angry mob then hauled Wright out of jail and dragged him through the streets of Sikeston Missouri before burning him alive Wright's death was unfortunately not unique in American history but what his death meant in the larger context of life in the United States in the twentieth century is an important and compelling story After the lynching the U S Justice Department was forced to become involved in civil rights concerns for the first time provoking a national reaction to violence on the home front at a time when the country was battling for democracy in Europe Dominic Capeci unravels the tragic story of Wright's life on several stages showing how these acts of violence were indicative not only of racial tension but the clash of the traditional and the modern brought about by the war Capeci draws from a wide range of archival sources and personal interviews with the participants and spectators to draw vivid portraits of Wright his victims law enforcement officials and members of the lynch mob He places Wright in the larger context of southern racial violence and shows the significance of his death in local state and national history during the most important crisis of the twentieth century
