Black American The Press:

African Americans and the Nigerian Civil War, 1967-1970 James A. Farquharson, 2024-07-22 This book is the first to recover and analyse at length the extent complexity and character of African American responses to the Nigerian Civil War 1967 1970 Far from having only marginal significance the Nigerian Civil War collided at full velocity with the conflicting discourses and ideas by which black Americans sought to understand their place in the United States and the world in the late 1960s Black civil rights leaders offered their service as agents of direct diplomacy during the conflict seeking to preserve Nigerian unity grassroots activists organised food drives concerts and awareness campaigns in support of humanitarian aid for victims of famine in the warzone while other black activists warned of an imminent genocide and called for an united response from black Americans Drawing on private papers activist literature government records and especially the black press it charts the way the civil war shaped as well as challenged the worldview of African Americans regarding black internationalist solidarities territorial sovereignty and political viability humanitarian compassion and the political trajectory of postcolonial Africa With a chronological approach this study is the ideal resource for all those interested in the Nigerian Civil War and the history of black internationalism

American Politics and the African American Quest for Universal Freedom Robert C. Smith, Sherri L. Wallace, Hanes Walton, Jr., 2025-08-29 American Politics and the African American Quest for Universal Freedom is known for its lucid style student oriented approach and wide ranging perspective Designed to allow flexibility in teaching approaches this tenth edition retains all the features that made previous editions so popular All chapters have been updated with new content and the latest data available including Inclusive and affirming language throughout Enhanced discussion on Elements of Black Culture and the political significance of African American music and the Black Church Black American public opinion and the various strands of African American ideology The CROWN Act the politics of black hair and the African American celebrity impact on politics Political significance of the increasing ethnic diversity of Black communities due to immigration from Africa and the Caribbean and the latest on Black Lives Matter discussion Discussion on the first Black sorority political action committee established in the U S and advocacy organizations serving the Black LGBTQIA community Characteristics of eligible and registered Black voters the coverage of the 2024 presidential and congressional elections and the results of the congressional elections with respect to partisan control of Congress and the size of the Black congressional delegation Demographic characteristics of the members of the 118th Congress now includes sexual orientation and generational data for comparison Race policies of former President Biden reclassifying him as antiracist An alternative method of ranking presidents that brings the views of Black experts to the conversation and includes a discussion of the record number of Black political appointments and policies implemented under Biden Confirmation hearing of the first Black woman Justice Ketanji Brown Jackson appointed to the Supreme Court New material on the Voting Rights Act Affirmative Action and the Pigford cases testing institutional racism Tennessee Three

highlighting racism in the rare expulsion of two Black members of the Tennessee House of Representatives and how Republican state controlled legislatures are stunting the quest for universal freedom Revisions using the Urban League s State of Black America Equality Index as a measure of material well being in the African American community to examine historic and systemic patterns in structural inequities as manifested in economics health education social justice and civic engagement Updated Textbook Media Integration Guide featuring lecture power points chapter summaries critical thinking questions the profiles and Faces and Voices and the links to the biographical material and videos American Politics and the African American Quest for Universal Freedom continues to offer a comprehensive rigorous and accessible understanding of how the presence of African Americans in the United States has profoundly influenced and influences American politics It remains essential reading for all students of American Government Black Politics and African American Studies particularly those approaching the study of race and politics for the first time [African Americans in the United States Army in World War II](#) Bryan D. Booker,2024-10-17 The political economic and social landscapes of the United States in the early 1940s were split by one overriding factor race This book explores the ways this separation extended to the military forces and the impact segregation had on World War II Beginning with an overview of African Americans and the military from the inception of the United States and a brief history of the African American role in World War I the focus moves to between the wars movements such as the Protective Mobilization Plan promoting racial integration of the military The main focus is the African American role in World War II and the stigma that remained despite their valor Groups discussed include the Women s Army Corps tank destroyers separate infantry regiments such as the 24th 65th 364th 366th and 372nd and the 2nd cavalry Also included is a list of African American World War II veterans belatedly and mostly posthumously awarded medals of honor on January 13 1997 **The New Negro** Martha H. Patterson, Henry Louis Gates Jr., Henry Louis Gates, 2025-08-19 An authoritative anthology tracing the history of one of the most important concepts Black people drew on to challenge the brutal totalizing system of Jim Crow racism This book brings together a wealth of readings on the metaphor of the New Negro charting how generations of thinkers debated its meaning and seized on its potency to stake out an astonishingly broad and sometimes contradictory range of ideological positions It features dozens of newly unearthed pieces by major figures such as W E B Du Bois Charles S Johnson and Drusilla Dunjee Houston as well as writings from Cuba the US Virgin Islands Dominica France Sierra Leone South Africa colonial Zimbabwe and the United States Demonstrating how this evocative and supremely protean concept predates its popularization in Alain Locke s 1925 anthology of the same name The New Negro takes readers from its beginnings as a response to Henry Grady s famous New South address in 1886 through the Harlem Renaissance and the New Deal Opening a fascinating window into a largely unexplored chapter in African American Afro Latin American and African intellectual history this groundbreaking anthology includes writings by Gwendolyn Bennett Marita Bonner John Edward Bruce Bruce Grit Nannie Helen Burroughs Charles W Chesnutt James Bertram Clarke
