The Dreams of the Black Butterfly Mark James Barrett, 2016-02-18 Oh my Lord whispered Lizzie looking over Alice's shoulder Would you look at that Alice startled by the change in Lizzie's voice turned to see what had caused it Sitting not 10 feet from them was the biggest blackest butterfly she had ever seen It was resting on the papaya tree at the very end of the garden balancing on the tip of a giant palm at head height The butterfly opened and closed its wings slowly and they flashed with a rich darkness Moises Quisp has heard the whispered rumours about the Black Butterfly its hypnotic velvet wings two feet across and as dark and mystical as the Peruvian jungle night a jungle receding to a soundtrack of chainsaws and hate a jungle that gave him life and embraces the spirit of his murdered family So he searches Not because of the one million nuevo sol offered for its capture by the maniacal Mr Dollie or because his mentor who believes the rumours has disappeared so completely but because he must Perhaps the Black Butterfly has been searching for him too desperate to reveal the tight elegant writing embedded in its wings Its stories tall dark and cautionary tales of a doomed humanity that he alone can read And when the butterfly finally submits the danger that Moises finds himself in pales into insignificance against the fate of humanity itself The Black Butterfly has chosen him to deliver its message and the future of mankind is in his hands Man's imagination will be nature's revenge This gripping and suspenseful thriller will appeal to readers who enjoy being kept guessing Mark James Barrett is a name to look out for in the future He is a writer of considerable talent and relevance to our confusing modern times A truly original read by a rising literary talent Hayley Sherman author editor and ghost writer Whoosh Editing

come to visit them Only 11 said that they did not believe and had never heard anything regarding that Since ancient times many cultures have had that belief that black butterflies are messengers of death However there are also some countries where they believe they bring good luck What do you believe Are black butterflies messengers of death or not Or are you one of the people who believe that when they see one it announces good fortune Surely if a black butterfly has ever entered your home and shortly after you received news that close one had passed away you probably believe it But if more than once they ve entered in your home and nobody has ever passed away then you probably don t believe in it In this story strange things happened to two women who widowed and they were convinced that black butterflies were behind everything that happened to them One of them almost ends up killed by stones thrown by a whole town the other after becoming a widow decided to mourn for her whole life until she died In the end one of them survived being buried by a bunch of stones The other one changed her mind and decided to take off her mourning dress and both ended up getting married again If you want to know what they went through how is it that in the end they changed their minds and got married again I invite you to read this exciting story full of mystery suspense and action and why not a bit of humor as well

Refrain From Silence Marlene Rashidi, 2014-08-11 Refrain From Silence might be one of my poetry collection that I can say I am very proud of It's purpose is to allow a person of any age to be able to release their inner passages and simply just spit them all out whether it's too truthful to hurt When refraining from silence don't let fear overtake you because when fear reigns over you you become it fear So many people tend to just keep stuff to themselves I respect that but sometimes the same passages you keep to yourself ends up eating you up softly and slowly You will feel relieved afterwards you will then refresh your mind and flesh to be able to inhale in new passages so then you can spit them out no matter how bad or good are Refrain from silence and speak your mind Marlene Rashidi

Three Nails D. L. Graser,2020-01-04 As Princess Yahaloma slept I made my way through the wall of butterflies that surrounded us and out into the night I noticed the heaviness of the air outside of the butterflies It was hard to breathe as the air was thick and had an odd smell to it My feet seemed to slip a little as I walked because of the mist that covered the ground Feeling very uncomfortable I picked up a large stick for protection I moved through the tall grass noticing the direction we must follow in the morning Nothing moved out here There was no moon no wind no sound no nothing It was very dark only light came from the stars above I stood still watched and listened Suddenly I saw a dim flicker of light about fifty feet from where I stood Turning and looking closer I saw another dim flicker of light I moved carefully taking a few steps at a time forward and my eyes began to sharpen with a clear night vision Looking around I saw there were ugly brown butterflies some as tall as I They danced as if they had legs like a man Raising their antennas and rubbing them together made a terrible sound in the night In the middle of the ugly large butterflies stood a very tall man Wait it was the man I saw walking with Princess Yahaloma It was him Why was he dressed so oddly His black clothes had large sharp pointed spears all over them so sharp that to even come close to them you would be severely cut without even touching them I saw fire coming up from under his feet that didn't even faze him His arms outstretched shaking many shiny necklaces then spewing vicious words against them sometimes even screaming and cursing at the necklaces then laughing loudly He threw his head backward shrieking and then dropped those beautiful necklaces into the fire I crouched down in the tall grass I didn't want anyone to see me Who and what was this Feeling scared I decided to head back to Princess Yahaloma I should have never left her What was I thinking
