Black Cats Into The Lions Den:

Complete Novels R. M. Ballantyne, 2022-11-13 R M Ballantyne's Complete Novels serves as an expansive collection that encapsulates the author's adventurous spirit and vivid storytelling. Ballantyne, a master of the boys' adventure genre in the 19th century, crafts narratives filled with exploration, maritime exploits, and the interplay of man and nature. His prose is characterized by its energetic pacing, rich descriptions, and a moral undertone that reflects the Victorian ideals of courage, camaraderie, and the quest for knowledge. The collection offers a remarkable window into the period's fascination with far-off lands, showcasing themes of colonialism and the trials of youth against unfamiliar terrains, often with a tinge of exoticism that was prevalent in his time. R M Ballantyne was a Scottish author and a chronicler of the British Empire's far-flung adventures, shaped by his own experiences at sea and extensive travels. His upbringing in the Scottish wilderness and a formal education in various subjects, including natural history, fueled his imagination and desire to share tales that both entertained and edified young readers. Ballantyne's experiences with shipwrecks, wildlife, and indigenous cultures inspired his portrayals of heroism and moral dilemmas in the wilderness. For readers seeking exhilarating tales that evoke the timeless themes of adventure and personal growth, Complete Novels is an indispensable addition to their literary collection. This anthology not only captures the essence of youthful exuberance and adventure but also provides critical insights into the societal values and concerns of its era. Whether for casual enjoyment or academic exploration, Ballantyne's narratives remain relevant and engaging, making this collection a treasure trove for enthusiasts of classic literature.

The Wives of Jacob Dale A. Raby, 2014-04-30 Jacob's wives were as different as they could be and married to the same man at the same time. This would have been difficult in the best of times but unfortunately this was not the best of times. The Dark Ones had hunted Jacob since before he knew of their existence. They'd also hunted his wives. Now Jacob and his wives together would travel to a place where entropy held no sway and worlds frequently intersected. The results were as desperate as they were unpredictable.

Mockstars Christopher Russell, 2020-05-14 Four boys One band No Chance Chris and George are best friends and they want to be rockstars Unfortunately a childhood spent playing in the school orchestra and listening to Jimmy Nail has left them a little fluffy around the edges and at the age of 23 their acoustic duo Satellite doesn't resemble Bon Jovi nearly as much as they'd planned So how do two ordinary boys from a sleepy village go about taking on the cut throat world of rock n roll They're just going to have to fake it True to life funny and uplifting *Mockstars* is a coming of age story about friendship and chasing the rock n roll dream Inspired by the real life tour diaries of the author's band The Lightyears *Mockstars* is a refreshingly different musical odyssey Praise for *Mockstars* Very funny Induced three inner chuckles and one belly laugh in just over four minutes Kevin Sampson author of *Powder* Finally a rock n roll novel that people can properly relate to Ciaran Jeremiah The Feeling Hilarious it's The Inbetweeners meets Spinal Tap Alex Marsh author of *Sex Bowls* Rock and Roll What readers are saying about *Mockstars* for all the folk I annoyed the hell out of with explosive laughter and giggling I recommend that you read this in public and get your own back A really honest and amusing account of the camaraderie between the band members A great read funny yet poignant The new Bridget Jones brought to life in a male aspiring rock star from the home counties Littered in equal measure with laugh out loud and hide under the covers did he really write that moments Very very funny book I had to stop reading it on the train as I was in a quiet compartment If Richard Curtis and Douglas Adams got together and wrote a book about a struggling rock band you'd get this Fast paced brimming with charm and frankly hilarious I laughed so hard I coughed tea through my nose and nearly ruined my iPad
