The Burning of the Valleys Gavin K. Watt, 1997-03-01 In the fifth year of the War of Independence while the Americans focused on the British thrust against the Carolinas the Canadian Department waged a decisive campaign against the northern frontier of New York Their primary target was the Mohawk River region known to be the grainbowl that fed Washington's

armies The Burning of the Valleys details the actions of both sides in this exciting and incredibly effective British campaign General Frederick Haldimand of Canada possessed a potent force formed by the deadly alliance of toughened embittered Tories who had abandoned their families and farms in New York and Pennsylvania to join the King s Provincial regiments in Canada and the enraged Six Nations Iroquois whose towns and farmlands had been utterly devastated by Continentals in 1779 The Governor augmented this highly motivated force with British and German regulars and Canadian Iroquois In October without benefit of modern transportation communications or navigational aids four coordinated raids each thoroughly examined in this book penetrated deeply into American territory The raiders fought skirmishes and battles took hundreds of prisoners burned forts farms and mills and destroyed one of the finest grain harvests in living memory

Algonquin Park Dave Taylor,1994-06-30 Through his vivid text based on extensive research Dave Taylor shares his growing understanding of Algonquin s place in the scheme of things After reading this book you will never see the park in quite the same way again *Solar Energy Update* ,1981-04 **Dolls in Canada** Marion E. Hislop,1997-10 Dolls in Canada is two books in one The first section is a personal and engaging look at dolls which make up our heritage pioneer dolls native people s dolls dolls from various cultural groups in Canada dolls from legends and stories dolls in different styles and materials and dolls by Canadian artists Part two contains easy to follow instructions on how to make over fifteen different types of dolls from rag dolls to jumping jacks from hanky panky dolls to clothespeg dolls **The Villages Within** Doug Taylor,2010-06-10 The Villages Within is an irreverent version of Torontos past that will not improve anyones knowledge of history but its fabrications and exaggerations may provide an amusing insight into the lives of those who built the town of York It is an expos of historical untruths a book that no school should ever permit its students to read Discover Lord Dorchesters unusual method of staying warm while his underwear froze during his first winter in Canada Learn about Elizabeth Simcoes struggle with the intoxicating evils of gooseberry wine During the War of 1812 why did Laura Secord deliver a cow to James Fitzgibbon in the dead of night Why did the residents of York fear an American invasion in 1813 even though they needed their dollars to support the towns tourist industry Why did the colonists who never bathed at the best of times become truly revolting in 1837 In a more serious vein this book chronicles the history and architecture of the Kings West District the Kensington Market and the proudly tacky Queen Street West The narrative details the events in the life of the old St Andrews Market allowing those who visit the area today to appreciate its rich heritage **Frontier Fictions** Rebecca Weaver-Hightower,2018-11-28 This book compares the nineteenth century settler literatures of Australia Canada South Africa and the United States in order to examine how they enable readers to manage guilt accompanying European settlement Reading canonical texts such as Last of the Mohicans and Backwoods of Canada against underanalyzed texts such as Adventures in Canada and George Linton or the First Years of a British Colony it demonstrates how tropes like the settler hero and his indigenous servant the animal hunt the indigenous attack and the lost child cross national boundaries Settlers

similarly responded to the stressors of taking another's land through the stories they told about themselves which functioned to defend against uncomfortable feelings of guilt and ambivalence by creating new versions of reality. This book traces parallels in 20th and 21st century texts to ultimately argue that contemporary settlers continue to fight similar psychological and cultural battles since settlement is never complete. *Dad's Best Memories and Recollections* Charles J. Humber, 2016-01-20

DAD'S BEST MEMORIES AND RECOLLECTIONS is Chazz Humber's epitaph casting a very long and sentimental shadow across North America and beyond. This 230 page volume is his granite monument well polished. It lavishly records 125 of his best memories over a life span of nearly eighty years. The vignettes are serenaded with more than 400 illustrations. Those discovering this volume likely will find themselves wanting to record in their own sunset years their personal memories and recollections. And when they do they are apt to recall what it was like to live in their fluctuating world dominated by a variety of personalities and cascading events. Mr. Humber vividly describes what it was like in 1945 to travel in a 1930 Model A Ford from Toronto to Boston. With lively enthusiasm he reports what it was like to live in post World War II Boston to cook a lobster for a former President of the United States or to sell a pair of elevator shoes to one of Hollywood's shortest celebrities or to shine the shoes of a Derby hatted father of a future President of the United States. It is not a remarkable achievement to reflect to recall or to have memories that are treasured. But to tell them with literary aplomb to recall the events that happened nearly seventy five years ago with utmost clarity is definitely an admirable achievement and should be cherished not only by the kin who follow Mr. Humber but by those who might like to imitate what he has monumentally achieved in *Dad's Best Memories and Recollections*.
