

The background features a vibrant, abstract design. It includes several horizontal and vertical bands of color: purple at the top, yellow and blue in the middle, and green and orange at the bottom. A large, semi-circular shape in magenta and green is prominent on the right side. Dotted lines in various colors (purple, green, yellow, orange) are scattered across the design, adding a dynamic feel.

**Lesbian Women and Sexual Health** R. Dennis Shelby, Kathleen Dolan, 2014-07-16 Interviewer Where did you find out how to have safe lesbian sex Val I found out in jail Why do so many lesbian women engage in sexual behavior that puts their health even their lives at risk Many know they're at risk yet somehow feel safe enough to behave as if there is no reason to practice safe sex Lesbian Women and Sexual Health The Social Construction of Risk and Susceptibility examines how lesbian women perceive their level of risk for HIV and other sexually transmitted infections STIs It describes how their perceptions of risk and susceptibility are shaped by factors such as sexual identity cultural themes and community knowledge and how those perceptions impact on the very real HIV STI risks that lesbian women face The genesis of Lesbian Women and Sexual Health

The Social Construction of Risk and Susceptibility lies in Kathleen Dolan's exploratory study of this under researched area in which 162 structured interviews and 70 in depth interviews were conducted with women who self identify as lesbians What these women have to say will inform educate and probably surprise you Tables and figures make complex data easy to access and understand Lesbian women construct and label their identities and actions in complex ways that may lead to risky behavior In the words of the women surveyed and in Dr Dolan's insightful commentary this book explores the ways in which lesbian women construct their perceptions of risk and susceptibility to seek answers to questions that include Do many lesbian women see themselves to an extent as immune to HIV contraction How does their self constructed sense of risk and susceptibility lead to making dangerous choices Why in spite of their professed willingness to engage in protective actions do many lesbians not actually do so Why do many lesbian women and some of the health care professionals who serve them feel that pap smears are not necessary for women who have sex only with other women and what are the consequences of this opinion What is the relationship between drug alcohol use and risky sexual behaviors in lesbian women Lesbian Women and Sexual Health The Social Construction of Risk and Susceptibility is an important resource for women's lesbian health advocates health care professionals and courses in gay women's medical studies It addresses gaps in the existing research to enhance our understanding of the physical and mental health status of lesbian women of risk factors and protective actions regarding HIV and STIs and of the conditions for which protective actions actually reduce risk Use it to update your knowledge of this under studied area at the intersection of physical emotional and sexual health

*Behind the Eight Ball*

Tanya Telfair Sharpe, 2012-12-06 Inner city black women open their hearts to share the pain of crack addiction and its consequences Behind the Eight Ball Sex for Crack Cocaine Exchange and Poor Black Women documents an American tragedy that highlights the widening gap between social and economic classes In their own words poor black women nameless faceless and marginalized by poverty share the details of their lives before and after crack cocaine invaded their communities each recalling the circumstances of her introduction to the drug and her first experience using sex to support her addiction These candid interviews expose the socioeconomic changes in inner city neighborhoods that created the perfect conditions for a crack stronghold the crack cocaine economy's impact on the lives of inner city residents and the social and familial consequences of crack addiction among poor black women Behind the Eight Ball Sex for Crack Cocaine Exchange and Poor Black Women places crack addiction crack related prostitution and its consequences STDs HIV and pregnancy into the context of the larger social issues of inner city poverty race gender and class This unique book reveals the sex for crack barter system as evidence of a long term social exclusion and systemic racism that has worked to destroy the self image of poor black American women The women interviewed reflect this negative image exchanging sex for crack on a regular basis to support their addictions at the risk and reality of unplanned pregnancies The baby I am carrying now I don't know who the father is There are a few men that I had sex with around the time I got pregnant that day But which one it is I

don't know who Behind the Eight Ball Sex for Crack Cocaine Exchange and Poor Black Women examines why poor black women addicted to crack are disproportionately at risk for sexually transmitted diseases including HIV and unplanned pregnancies how the social and economic characteristics of poor black communities support crack distribution and consumption how crack use and the exchange of sex for crack damages struggling black families why the care of many children is entrusted to child welfare agencies how and why women are marginalized in the crack culture Behind the Eight Ball Sex for Crack Cocaine Exchange and Poor Black Women is an insightful and enlightening look at the motivations behind the decision to risk illness injury disease death and pregnancy to support addiction
