Ross,2016-03-18 All ministry leaders concern themselves with the intersection of Jesus centered ministry and contemporary culture They ask themselves questions such as What do we need to change in order to keep up with a wired world What should never change What are the nonnegotiables of faith in Jesus Many have attempted to answer these questions However most of these leaders offer solutions that the everyday ministry leader simply cannot replicate Signs of the Times is a unique offering to those who wrestle with the mash up of ministry and culture All of the contributors have found success within their ministries and yet most do not minister to thousands on a weekly basis Additionally all of them have had the privilege of studying directly with Dr Leonard I Sweet Despite having authored more than fifty books Sweet can still be a bit of an enigma Many of his readers have been deeply influenced by him and yet they may still struggle to understand what his insights might mean for their ministry Each of the contributors to this work thoughtfully engages with a key idea that they personally learned from Sweet and they translate it for ministry in the early twenty first century **Bring Your Vision to Life** Ralph McCall,2000-09-05 What are God given your dreams and desires What is your vision for the world How do you want to make a difference Perhaps you have an inspiration to start a new humanitarian organization or a new ministry Or maybe you have an idea to start a new commercial enterprise It's time to get your ideas off the ground This book invites you on a twenty five day journey that takes an idea refines it and makes it into a reality Throughout the journey you will come to understand the motivational and spiritual aspects of starting a new enterprise and bringing your vision to life **Handbook of Research on Gender and Leadership** Susan R. Pierson,Will Bankston,2017-08-31 Christians can often overlook the need to bring their daily vocations in accord with the reality created sustained and purposed through Christ This is no less true for language teachers who find themselves at a difficult interdisciplinary crossroads where the paths of linguistics culture and education merge This challenge should not discourage these educators but instead aid them in their journey to form a pedagogy rooted in theological truths from Scripture one that provides a nuanced approach that glorifies God in a manner specific to the language classroom The contributors of this book outline why and how theology must inform teaching methods so that Christian language educators might better serve their students with both faith and excellence thereby pointing them to the communicative God whose image they bear **The Gift of Being Yourself** David G.
