1. One was to ensure that individuals would be able to maintain their health insurance between jobs. This is the Health Insurance **Portability** part of the Act. It is relatively straightforward, and has been successfully implemented.
2. The second part of the Act is the "**Accountability**" portion. This section is designed to ensure the security and confidentiality of patient information/data. In addition, it mandates uniform standards for electronic data transmission of administrative and financial data relating to patient health information.
