Shuichiro Yamanouchi,2024-08-30 This book is the first book written in English about the secret story of the birth of the
Shinkansen in Japan and its subsequent developments The author Mr Shuichiro Yamanouchi a former chairman of East Japan
Railway JR East addresses what the essence of Shinkansen technology is and how it could be achieved in such a short time
And the book written based on his long experience in railway engineering and management gives readers a bird s eye view of
the Japanese railway as a whole and the technical philosophy of his great career behind it In this book its whole picture is
clarified that is the world s first 200 km h running dealing with troubles after the opening and development of the 300 km h
commercial operation after that including the failure stories encountered in the process These gave a big stimulation to the
development of other high speed railways and this book helps readers to learn about the accumulated experiences of
Japanese high speed railways that have not been revealed so far such as railway safety noise against the environment railway

of life on a major warship as well as a different view of some of the main naval actions of the Second World War
HistoryOfWar org This is the story of the Royal Navy battle cruiser HMS Renown a famous ship with a long and distinguished
operational career Originally built for the First World War she subsequently served in the post war fleet and took royalty
around the world Modernized just in time for World War Two she re joined the fleet in September 1939 and for the first two
years of the war her speed and heavy gun armament made her one of the most important ships of the fleet She escorted the
famous carrier Ark Royal for most of her illustrious career as flagship of Force H in the Mediterranean and took part in many
stirring battles and convoy actions Later she covered Russian convoys in the Arctic before going out to the Indian Ocean
where she took part in attacks on Japanese targets in the Indian Ocean Her final duties included the meeting of King George
VI and President Truman in 1945 A host of fresh detail coupled with eyewitness memoirs from former crew members make
this an outstanding warship biography If you like a thorough detailed history of a famous long lived fighting ship this volume
will give you just what you re looking for It also provides an insightful look at some of the Royal Navy s more interesting
