Coyote In Love With A Star:

Coyote Was Going There Jarold Ramsey, 2012-02-01 The vivid imagination robust humor and profound sense of place of the Indians of Oregon are revealed in this anthology which gathers together hitherto scattered and often inaccessible legends originally transcribed and translated by scholars such as Archie Phinney Melville Jacobs and Franz Boas The Opera of the Twentieth Century William Schoell, 2015-01-24 In the late 1500s in Florence aristocrats of the Renaissance renovated classical Greek dramas into dramatic musicals and gave birth to the first operas After centuries of transformation the opera is still appreciated as a historically dynamic paradigm of the fine arts Composers of the twentieth century have worked hard to fashion a voice distinct from the romantic composers of the nineteenth century and the traditions that preceded them and this volume explores the extent of their success Beginning with a thorough introduction to the history of operatic forms and transformation this book presents a comprehensive discussion of twentieth century opera Giving ear to many composers and many styles romantic and modern and assorted variations the discussion includes such globally renowned composers as Strauss Puccini Prokofiev and Mascagni as well as the esoteric works of less famous composers Spanning as it does from Puccini's *Tosca* and Charpentier's *Louise* to Heggie's *Dead Man Walking* and Corigliano's *The Ghosts of Versailles* twentieth century operatic form has something for every taste The discussion is therefore structured chronologically and directed at exploring this complex diversity and ingenuity of twentieth century styles Examples from across the globe and firsthand commentary from contemporary operatic professionals complement the discussion Concluding chapters comment upon the operatic presence in the twenty first century and the future of operatic forms They Dance in the Sky, 1987 A collection of legends about the stars from various North American Indian cultures including explanations of the Milky Way and constellations such as the Big Dipper **Opera Aria Anthology** Craig W. Hanson, Stanley M. Hoffman, 2003 IFAR Journal, 2001 **Operas in English: A Dictionary** Margaret Ross Griffel, 2012-12-21 In this revised and expanded edition of *Operas in English A Dictionary* Margaret Ross Griffel updates her work on operas written specifically to an English text including not only works originally in English but also those set to new English librettos Since the book's initial publication in 1999 Griffel has added nearly 900 new items bringing the total number of entries in this new edition to 4 400 covering the world of opera in English from 1634 through 2011 The front matter includes a brief history of English opera to set the stage for the dictionary entries that follow Listed alphabetically each opera entry includes alternative titles a full descriptive title the number of acts composer's name librettist's name with original language of the libretto the source of the text date place and cast of the first performance date of composition if it occurred substantially earlier than the premiere similar information for the first U S including colonial and British England Scotland Wales performances brief plot summary main characters names and vocal ranges where known names of noteworthy numbers comments on special musical problems and techniques other settings of the text including non English ones other operas if any involving the same story or characters cross

references are indicated by asterisks Entries include such information as first and critical editions of the score and libretto a bibliography ranging from scholarly studies to more informal journal articles and reviews a discography and information on video recordings Operas in English features four appendixes a selective bibliography and two indexes The first appendix lists composers their places and years of birth and death and their operas included in the text as entries the second does the same for librettists the third records authors whose works inspired or were adapted for the librettos and the fourth comprises a chronological listing of the A Z entries including the date of first performance the city of the premiere or composition date if unperformed or performed much later the short title of the opera and the composer There is a main character index and an index of singers conductors producers composers of other settings and other key figures
