## **Blind Tongues:**

*The Lily's Tongue* Frances Maughan-Brown, 2019-10-01 Examines four discourses by Kierkegaard arguing that they play a critical and surprising role in his oeuvre and contribute to the philosophy of figural language How do texts speak with authority That is the question at the heart of Kierkegaard's theory and practice of indirect communication None of Kierkegaard's texts respond to this question more concisely and powerfully than the four discourses he wrote about the lily in the Gospel The Lily's Tongue is a nuanced sustained reading of these Lily Discourses Kierkegaard takes the lilies as authoritative rather than merely figural or metaphorical This book is a careful exploration of what Kierkegaard means by this authority Frances Maughan Brown demonstrates how Kierkegaard argues that the key is in the act of reading itself no text can have authority unless the reader grants it that authority because no text can entirely avoid figural language Texts don't speak directly their tongue is always the lily's tongue What is revealed in the Lily Discourses is a groundbreaking theory of figure which requires a renewed reading of Kierkegaard's major pseudonymous works Closely analyzing one of the least known yet most exacting series of texts in Kierkegaard's authorship his discourses on the lily in the field and the bird of the air Maughan Brown breaks apart disciplinary barriers between theology philosophy aesthetics and critical theory while at the same time showing how Kierkegaard's discourses can quietly illuminate a constellation of ideas drawn from Plato Kant Hegel Benjamin and Derrida Following Kierkegaard's texts to the letter Maughan Brown attends to what his texts do as much as to what they say Peter Fenves author of *The Messianic Reduction Walter Benjamin and the Shape of Time* 1811 Dictionary of the Vulgar Tongue Anonymous, **1811 Dictionary of the Vulgar Tongue** Robert Cromie, 2020-07-28 Reproduction of the original 1811 Dictionary of the Vulgar Tongue by Robert Cromie **Dictionary of the Vulgar Tongue** Francis Grose, 2014-02-01 Throughout history most dictionaries have served the purpose of preserving the purity of the language usually preferring the erudite vocabulary of the affluent upper classes to the salty constantly evolving slang of their working class counterparts That began to change in the early modern period when several innovative lexicographers began publishing collections of slang terms used by particular subcultures such as criminals According to scholars Francis Grose's Dictionary of the Vulgar Tongue is one of the most important and complete of these early slang dictionaries Spend some time with this fascinating volume to learn the slang definitions of words and phrases like poisoned pregnant shooting the cat vomiting after excess alcohol consumption and snoozing ken a brothel 1811 Dictionary of the Vulgar Tongue Francis Grose, 2025-08-31 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Scientia Biblica; containing the New Testament, in the original tongue, with the English Vulgate, and a copious and original collection of parallel passages printed in words at length. Glazov,2001-03-01 Glazov demonstrates that the interlinked themes of bridling the tongue and opening the mouth well known components of wisdom teaching are also crucial to understanding much in the prophets as well as later Jewish and Christian writings especially liturgical texts His comprehensive survey and analysis of the theme contribute to both a literary and a historical perspective on the prophetic literature of the Bible     **The New Spelling Dictionary, Teaching to Write and Pronounce the English Tongue ...
