## **Blind Watchmen And The Fall Of Biblical Christianity:**

Blind Watchmen and the Fall of Biblical Christianity Henry L. Bechthold, 2003-12 This book was written to let people know that you can make it despite things that occur in your life As the author of this book I wanted to give my own personal testimony to let others know that you are not alone despite things that happen to deter you from your goals My life has been shaped and formed through some tough experiences where I had to learn to persevere in spite of experiences that could have defeated me I have been lost in my situations at one time but it all changed as I began my journey to understanding I have been in situations where I thought God had forgotten me but He was actually strengthening molding and shaping me for His own plan in my life I have been through times where I thought I was so depressed that I could not make it but God was there to pick me up Through my journey I have encountered angels on earth and miracles that never cease Each time I was ready to give up something else was given to me whether it was a chance at success or a way to change another person's life I still am not sure of what else God has in store for me but as a believer in God I can say For everything God gives me I reach out to give it to someone else who may be suffering and going through pain No I cannot save the world but maybe I can try to make a difference in one person's life
