No Substitute for Sundays Steve Serby, 2009-09-24 All New revelations About Brett Favre Based on interviews with dozens of players and significant team personnel including owner Woody Johnson long time New York Post columnist Steve Serby brings to light juicy new information about Brett Favre s season with the New York Jets This powerful account reveals Behind the scenes details of the negotiations including key correspondence that brought Favre to the Jets Woody Johnson s thoughts on the ineffable appeal of Namath Favre and top draft pick Mark Sanchez That Favre kept trying to convince himself that he had made the right decision to play in New York How Favre tried to fit in but also resisted team rules The pranks Favre would play even on his coaches How Favre elevated Woody Johnson s expectations for the team which ultimately doomed Head Coach Eric Mangini Woody Johnson s admission on why Mangini was fired The tackle that

hurt Favre's arm as described by the player who made it and how the team didn't adjust to his weakening arm. That Favre over the last 4-5 weeks of the season threw the ball sparingly in practice instead he often handed off to rest his arm as Kellen Clemens made most of the throws. How discarded Jet quarterback Chad Pennington handled his signing with the archrival Miami Dolphins and his final showdown against the man who replaced him with the division title on the line. With scores of black and white photos and a color insert. No Substitute For Sundays shows why Favre can't give up the game or give up on himself.

SEASONS IN THE SON Bill Bolde, 2024-10-02 Maybe you have witnessed the practice of some athletes pointing to the heavens after hitting a home run or scoring a touchdown. Perhaps you have caught some of today's biggest sports stars delivering declarations of faith during postgame interviews with tributes like "Glory to my Lord and Savior Jesus Christ." Many will say "That's awesome" or "Hallelujah." However, do you find yourself wondering what makes up their backstory? How did they come to know Christ? Who were their influencers? How are they living out their Christian Walk beyond the field of competition? Seasons in the Son is a devotional and a collection of short stories taking the reader on journeys of encouragement and inspiration. It's an anthology of 52 captivating narratives offering a deeper look into the personal lives of players, coaches, and sports personalities. Some are well-known; others, maybe not as much. Some are Hall of Famers; others, in the midst of their careers. There are stories of overcoming monumental obstacles, others of inspiring dedication and perseverance. These are Christ followers who happen to have made substantial contributions on the landscape of athletics. This book wasn't written to just tell the stories of their athletic greatness but to truly reveal how these individuals use their talents, skills, personality, and character to proclaim the goodness of God and shine the light of Christ in the midst of competition and in front of a watching world. They are leaders, and we can learn greatly from their journeys, successes, and failures.

Mississippi Blue 42 Eli Cranor, 2025-08-05 Former quarterback turned Edgar-winning author Eli Cranor throws a glorious game winner in this series debut starring a rookie FBI agent who finds herself caught in the tangled web of a college football empire and the bloody greed that fuels it. Former college quarterback Eli Cranor scores big with Mississippi Blue 42, a fun, provocative crime novel that takes aim at the heart of the American game. Michael Koryta, New York Times bestselling author of An Honest Man, Special Agent Rae Johnson grew up on football fields alongside her father, a national championship-winning coach. Which is exactly why, fresh out of Quantico, she's sent down to Compson, Mississippi, to investigate the illicit money flowing into a bustling football program in the heart of the Delta. But two days into the assignment, things take a dire turn when UCM's star quarterback is flung from the roof of a college bar, lands on a bag of money, and dies. Hoping to turn a routine fraud case into a career-defining bust, Rae ingratiates herself with the fans, coaches, players, and politicians who make up the university's complex social hierarchy. With rumors of corruption rustling through the kudzu vines, Rae soon realizes there's more to the game than what she'd learned as a child. And in order to win, she'll have to put all her father's lessons to the ultimate test. In the vein of Carl Hiaasen and Sue Grafton, Mississippi Blue 42 takes a hard and often hilarious look at the big money world of

college athletics In Cranor's capable hands football isn't just a game it's a front row seat to the great American show
