## **Blood And Sandals:**

*The Call* Des Sloman, 2012-04-01 The Call follows the conflict of ideologies between a brother and sister during the turbulent time of the Vietnam War Tom is a patriot who joins the army to serve his country His younger sister Janet liberated by the sixties is anti authoritarian and a soldier of a different sort She is a socialist and is active in the anti Vietnam War movement She uses her position as a journalist on a national newspaper to advance her cause Their story is told by their young neighbour Jim who is drafted and serves with Tom in Vietnam Jim hears neither the call to arms nor the call of the anti war movement He is simply a bystander forced by the draft to play a part in the war Jim continues his friendship with Janet despite Tom s warnings The story follows the growing intensity of the war and the disintegration of the innocence of young combat soldiers Back home Janet is fighting against the war Through Jim she becomes aware of a tragic shooting of a young Vietnamese boy by one of Tom s men and she publishes the story condemning Tom and the war with terrible consequences Des Sloman served in Vietnam as a combat soldier and later worked as a teacher and a lawyer He now lives near Dungog Australia I wished to document those turbulent times of the 1960s especially the years of the Vietnam War as I saw them It s my personal perspective of history I was also driven to write to understand the times in which I have lived **London**

**Lectures of 1907** Annie Besant, 2020-07-17 Reproduction of the original London Lectures of 1907 by Annie Besant **Long Dark Road** Ricardo C. Ainslie, 2004-10-01 In this gripping account of the murder of James Byrd Jr and its aftermath Ainslie builds an unprecedented psychological profile of Bill King that provides the fullest possible explanation of how a man who was not raised in a racist family could end up on death row for viciously killing a black man *King David, Innocent Blood, and Bloodguilt* David J. Shepherd, 2023-04-21 Of all the characters bequeathed to us by the Hebrew Bible none is more compelling or complex than David Divinely blessed musically gifted brave and eloquent David s famous slaying of Goliath also confirms that he is a redoubtable man of war Yet when his son Absalom rebels David is dogged by the accusation that he will lose his kingdom because he is not merely a man of war but a man of bloods guilty of shedding innocent blood In this book for the first time this language of innocent blood and bloodguilt is traced throughout David s story in the books of Samuel and 1 Kings The theme emerges initially in Saul s pursuit of David and resurfaces regularly as David rises and men like Nabal Saul Ishbosheth and Abner fall Innocent blood and bloodguilt also turn out to be central to David s reign This is seen in a surprising way in David s killing of Uriah but also in the subsequent deaths of his sons Amnon and Absalom his general Amasa and even in David s encounters with Shimei The problem rears its head again when the innocent blood of the Gibeonites shed by Saul comes back to haunt David s kingdom Finally the problem reappears when Solomon succeeds David and orchestrates the executions of Joab and Shimei and the exile of Abiathar Attending carefully to the text and drawing extensively on previous biblical scholarship David J Shepherd suggests that innocent blood is not only a pre eminent concern of David and his story in Samuel and 1 Kings but also shapes the entirety of David s history *Opaque Memories of War*

Gary Robert Geister,2010-04-08 Many of the poems contained herein follow excerpts from my books NAM The Devils Domain The Pimp of Saigon and Undaunted Valor These poems were created to envision facts of war inspired by my Vietnam War experiences some are inspired by myths reported by biased American newspaper radio and television media Still others were created to reflect individual valor human suffering and mans inhumanity to man Myths The biased American media reported that the U S Military lost many encounters with the enemy in Vietnam The TET offensive was an NVA VC Victory and that America had lost its first war ever as witnessed on television during the fall of Saigon April 30 1975 Facts The American military was not defeated in Vietnam The American military did not lose a battle of any consequence From a military standpoint the war was a major military defeat for the Vietcong and North Vietnamese Army Militarily the 1968 TET offensive resulted in a total defeat of the Communist forces on all fronts It resulted in the death of some 45 000 NVA troops and the complete if not total destruction of the Vietcong elements in South Vietnam The fall of Saigon happened April 30 1975 two years after the American military had left Vietnam The last American troops departed Vietnam in their entirety March 29 1973 It is impossible to lose a war we had stopped fighting We fought to an agreed governmental stalemate and turned over all military responsibility to the South Vietnamese army which included jets helicopters tanks trucks weapons and ammo The U S peace settlement was signed in Paris on January 27 1973 It called for the release of all U S prisoners and withdrawal of U S forces Effective April 30 1975 the South Vietnamese army outnumbered the North Vietnamese army by at least two to one in all categories men machines aircraft and firepower The U S A supported the French military with 98% of its military costs and fought Communism in Vietnam for a total involvement for 10 000 days With the South Vietnamese army now in charge of their own countrys destiny they never fought but instead surrendered unconditionally to North Vietnam within nine days The 140 000 evacuees in April 1975 during the fall of Saigon consisted entirely of Vietnamese civilians and military There were twice as many casualties in Southeast Asia primarily Cambodian the first two years following the end of U S involvement than there were during all the years of the Vietnam War The media perceived loss of the war the countless assassinations and torture visited upon Vietnamese Laotians and Cambodians is due to the American media for their undying support by misrepresentation of the anti war movement in the United States As Americans we must support our military men and women involved in the War On Terrorism for once again the American media is working tirelessly to undermine their efforts and force a psychological loss or stalemate for the United States , *Spartacus in the Television Arena* Michael G. Cornelius,2015-03-25 Spartacus the Thracian gladiator turned rebel leader endures as a near mythic hero who fought for the oppressed against a Roman oligarchy built on the backs of slave labor The image of Spartacus as a noble if doomed avenger is familiar and his story has been retold through history as a cautionary tale about social injustice The television series Spartacus takes a different view with a violent depiction of the man and his times and a focus on the archetype of the gladiator powerful courageous and righteous This collection of new essays studies the series as an exploration of masculinity

In the world of Spartacus men jockey for social position question the nature of their lives examine their relationships with women and with each other and explore their roles in society and the universe The series also offers a compelling study of the composite nature of historical narrative in television and film where key facts from original sources are interwoven with period embellishments presenting audiences with a history and a fiction whose lines remain blurred by a distant yet all too familiar past

Etymological and Pronouncing Dictionary of the English Language James Stormonth,1876     **The Secret Compass, Japan, 1727** Michael Gurner,2025-05-07 Hiji shinanguruma The Secret Compass was written by Wada Senry shi and published in the twelfth year of the Ky h era 1727 in the city of saka Japan It was originally a set of three books The Japanese original title of the book derives its meaning from hiji secret and shinanguruma south pointing chariot a device which originated in ancient China The mechanical device used differential gears and carried a movable pointer to indicate south no matter how the chariot turned It was supposedly used as a compass but in the context of this book it was invoked to symbolise guidance to knowledge The Secret Compass offers a most intriguing glimpse into the breadth of scientific and practical knowledge that was made accessible to everyday people of the Edo period Within its pages are found matters indispensable to daily life encompassing the arts of sustenance healing and craftsmanship In its nature and purpose this work bears notable resemblance to the practical compendiums of the West such as Cooley s Cyclop dia of Practical Receipts and Collateral Information in the Arts Manufactures Professions and Trades Sixth Edition Volume II 1880 and Dick s Encyclopedia of Practical Receipts and Processes 1870 Like The Secret Compass these books were conceived for the benefit of everyday people seeking to distill the wisdom of their respective times into a form that might be easily comprehended and applied The aim of The Secret Compass was to equip people with the knowledge necessary for the enhancement of their daily pursuits The breadth of subjects addressed within its pages is vast touching upon numerous aspects of life Yet this book offers far more than mere technical instruction It transports the modern reader on a captivating voyage of cultural discovery opening a window to the past wherein one might observe the very fabric of Japanese Edo period life its customs challenges and the ingenious methods by which the people of that age sought to better their existence     Dr. William Smith's Dictionary of the Bible William Smith,1888     The Quiver ,1891 V 12 contains The Archer Christmas 1877     *Kaqchikel Chronicles* ,2010-07-05 The collection of documents known as the Kaqchikel Chronicles consists of rare highland Maya texts which trace Kaqchikel Maya history from their legendary departure from Tollan Tula through their migrations wars the Spanish invasion and the first century of Spanish colonial rule The texts represent a variety of genres including formal narrative continuous year count annals contribution records genealogies and land disputes While the Kaqchikel Chronicles have been known to scholars for many years this volume is the first and only translation of the texts in their entirety The book includes two collections of documents one known as the Annals of the Kaqchikels and the other as the Xpantzay Cartulary The translation has been prepared by leading Mesoamericanists in collaboration with Kaqchikel speaking linguistic

scholars It features interlinear glossing which allows readers to follow the translators in the process of rendering colonial Kaqchikel into modern English Extensive footnoting within the text restores the depth and texture of cultural context to the Chronicles To put the translations in context Judith Maxwell and Robert Hill have written a full scholarly introduction that provides the first modern linguistic discussion of the phonological morphological syntactic and pragmatic structure of sixteenth century Kaqchikel The translators also tell a lively story of how these texts which derive from pre contact indigenous pictographic and cartographic histories came to be converted into their present form *I Am the Aleph-Tav* Samuel Koiki,2018-05-29 Most people will be shocked to know that Jesus appears ten times 1000% more in the Old Testament than he does in the New Testament In fact Jesus the Aleph Tav appears 9612 times uninterpreted in the Old Testament but only 983 times in the New Testament The Aleph Tav is comprised of the first and last characters of the Hebrew language just as the alpha and the omega are the first and last characters of the Greek language The Aleph Tav is also the Hebrew character symbol believed to be the signature of Christ found only in the Hebrew Bible represented by the head of a bull and the sign of a cross Both character symbols clearly point us to Christ the Lamb of God who died for humanity on the cross of Calvary I AM the Aleph Tav unveils the presence of Jesus in the Old Testament first by taking a deep dive into the mystery of the Aleph Tav Although this symbol appears almost ten thousand times in the Old Testament it was never interpreted into any other language and author Samuel Koiki shows how there are parallels between the Old Testament and the statements Jesus made to John in the book of Revelation where Jesus proclaimed that he was the Alpha and the Omega the beginning and the end in a different way the Aleph Tav Was Jesus telling John that he was there all along when the universe was created in Genesis Perhaps he was telling John that he indeed is the Creator Was he the one who split the Red Sea as told in Exodus Was he the Passover lamb in Leviticus the high priest in Numbers the rock that brought forth water in Deuteronomy or the commander of the Lords army in Judges Was he telling John that he is on every page of the Old Testament all the way to Malachi where he is the Son of righteousness who brings healing This book unlike any other will bless and enrich you abundantly Sit back and embark on this incredible journey with me A New Latin-English School-lexicon George Richard Crooks,Alexander Jacob Schem,1861 **A new universal etymological technological, and pronouncing dictionary of the English language** John Craig (F.G.S.),1849 A New Latin-English School Lexicon on the Basis of the Latin-German Lexicon of Dr. C.F.
