Blood Libel Uri Dan,1987 Good No Highlights No Markup all pages are intact Slight Shelfwear may have the corners slightly dented may have slight color changes slightly damaged spine **The Collapse of Middle East Peace** Dennis J. Deeb II,2003 In this fast paced well researched work author Dennis D J Deeb objectively traces the rise and fall of the Oslo Peace Accords between the Israelis and the Palestinians What went wrong with peace This work analyzes Israeli leader Ariel Sharon s statements and past record as a military and government leader with regards to the Peace Process Deeb also discusses the corruption within the Palestinian Authority that has hindered the peace process including the mismanagement of Palestinian Authority President Yasir Arafat The author examines and supports what has become known as The Mitchell Report released in the spring 2001 in offering a lasting peace between Israelis and Palestinians He also considers and evaluates the recent Road Map To Peace proposal offered by President George W Bush in the spring of 2003 Since 1993 both Israeli and Palestinian leaders have failed to implement and have violated provisions of the Oslo Accords As the late Israeli Prime Minister Yitzhak Rabin who gave his life in the name of peace and to whom this writing is dedicated articulated so clearly during the signing of the Oslo Accords enough blood and tears Finally Deeb argues that the intent behind the Oslo Accords encompass the link between the end of war and the era of peace that the Israelis and Palestinians should both return to the table for negotiations based upon the recommendations of The Mitchell Report and the Quartet Road Map To Peace to negotiate a final and lasting settlement rooted in the Oslo Peace Accords **Blood Libel** Uri Dan,1987 Good No Highlights No Markup all pages are intact Slight Shelfwear may have the corners slightly dented may have slight color changes slightly damaged spine *Let Us Prove Strong* Marianne Rachel Sanua,2007 A history of the last 60 years of the American Jewish Committee to commemorate its centennial in 2007 **Perspectives on Mass Communication History** Wm. David Sloan,2013-11-05 This unique volume is based on the philosophy that the teaching of history should emphasize critical thinking and attempt to involve the student intellectually rather than simply provide names dates and places to memorize The book approaches history not as a cut and dried recitation of a collection of facts but as multifaceted discipline In examining the various perspectives historians have provided the author brings a vitality to the study of history that students normally do not gain The text is comprised of 24 historiographical essays each of which discusses the major interpretations of a significant topic in mass communication history Students are challenged to evaluate each approach critically and to develop their own explanations As a textbook designed specifically for use in graduate level communication history courses it should serve as a stimulating pedagogical tool *Israeli Secret Services* Frank Clements,2017-07-05 The Israeli Institute for Intelligence and Special Services the Mossad is pobably the best known of the world s intelligence services one of the most respected and certainly one of the most intriguing However despite its fame the available literature other than Hebrew is limited and scattered amongst a variety of subject areas because the tentacles of the Mossad are similarly varied The aim of

this volume is to document the range of English language material available on f Mossad from its pre official origins in Europe during the Second World War to e present period of the Middle East peace process The organization had its origins in the aftermath of the Holocaust being the agency responsible for organizing the illegal Jewish immigration into Palestine before becoming officially constituted in 1951 Since its formation the Mossad has been intimately involved in each of the significant events in Israel s history including actions against its Arab neighbors the hunting of wanted Nazis spectacular actions such as the raid on Entebbe to free the hostages counter terrorist activities and high technology espionage against friend and foe alike This bibliography will be of interest to researchers covering intelligence activities and to students scholars and librarians interested in the history of Israel and its relations with its Arab neighbors The early material on the Mossad will also be of special concern to students of the Holocaust and its aftermath **The New York Times Book**

Review ,1987 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback Fratricide in the Holy Land Avner Falk,2005-02-17 This is the first English language book ever to apply psychoanalytic knowledge to the understanding of the most intractable international struggle in our world today the Arab Israeli conflict Two ethnic groups fight over a single territory that both consider to be theirs by historical right essentially a rational matter But close historical examination shows that the two parties to this tragic conflict have missed innumerable opportunities for a rational partition of the territory between them and for a permanent state of peace and prosperity rather than perennial bloodshed and misery Falk suggests that a way to understand and explain such irrational matters is to examine the unconscious aspects of the conflict He examines large group psychology nationalism group narcissism psychogeography the Arab and Israeli minds and suicidal terrorism and he offers psychobiographical studies of Ariel Sharon and Yasser Arafat two key players in this tragic conflict today **Freedom and the Court** Henry Julian Abraham,Barbara Ann Perry,2003 Previous edition 6th published in 1994
