## **Blood On The City Sidewalk A Collection Of Contemporary Christian Poems:**

Blood on the City Sidewalk Michael A. Sardo, **Blood on the City Sidewalk** Michael Sardo, 2001-10 Probably one of my greatest poetic challenges is writing this volume of contemporary Christian poetry Although these verses are contemporary and abstract in nature they still convey a message of Christian hope and mature spirituality Writing twenty first century abstract and contemporary poetry is an exciting experience This volume of poetry settles comfortably on a non denominational plane and makes no claim of fanfare and exuberant theological expertise These poems are written specifically for people who like to read contemporary poetry which is inclined toward Christianity The Smudged Mirror Michael A. J. Sardo, 2002-09 Michael A J Sardo approaching his 71st birthday still enjoys writing abstract poetry Some of his ideas came to him while recovering from surgery The pain he felt while recuperating was not a deterrent to his use of his creative mind Little incidental details around him did not go unnoticed These details were some of his inspiration for this book Sardo the poet continues to attack prejudice injustice and intolerance in our everyday society with sarcasm irony and mocking The Gifted Listener Michael Sardo, 2003 The Gifted Listener is a book for the music lover who hasn't any musical skills This small volume is about classical music and its composers It is simple and easy to read with just enough detail not to be confusing to the non musician The author has a special insight into classical music difficult even for a musician to understand In this small work a goodly amount of territory covering composers their music and personal experiences in creative listening is covered It is Sardo's opinion that listening is as creative as performing regardless of age and background It is Michael Sardo's hope that The Gifted Listener will eventually be suggested reading in high school and Junior College musical appreciation classes The author feels that his book should be considered for reading even in specialized secondary schools which concentrate in all areas of performing arts There are many excellent comprehensive music reference books on the market for serious students of music to study and read What makes The Gifted Listener unique is the way that it treats musical listening in everyday language The beauty of this book is that it makes classical music come alive and at the same time is intimate to one's daily emotions It is hoped that this book will encourage those that have not been touched with musical capability to continue on a joyful journey in creative listening such as the author has traveled **The Advocate**, 2001-08-14 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **Selection** Walter Havighurst, 1955 The Christian Union Henry Ward Beecher, 1884 The Christian Union, 1884 The Golden Rule, 1896 **Los Angeles Magazine**, 2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is
