Smith,2025-04-25 A classic and heartbreaking tale of one man s fight to protect nature and a treasured way of life against the forces of greed In a corner of the Big Cypress Swamp to the north of the Florida Everglades lives Charlie Jumper and eighty six year old Seminole man Unlike the younger American Indians who have adopted white civilization Charlie and his wife cling to the old ways hunting

and fishing in the great swamp and farming a tiny plot of higher ground Charlie has been diligently teaching his grandson Timmy about the swamp and its creatures But their simple existence is suddenly threatened when a large tract of swamp is bought by a corporation and Charlie is told that he will have to leave From his youth Charlie remembers the slaughter of egrets and alligators by the white man and the logging of the giant cypress Rather than surrender the land that is his life to this final indignity Charlie decides to fight back It is an uneven contest First come the great machines that silt up the streams then the workmen inadvertently poison the marsh and attempting to sabotage the construction equipment Charlie s best friend is killed Realizing that there can be no compromise with the white man who destroys all he touches Charlie leaves his family and feels into the swamp seeking the lost island known in the Seminole legends as Forever Island **Swim**

A Bow Elk Hunter Nightmare Clyde Schultz,2007-08 This story could very well have happened while hunting elk in Colorado When I approached two men dressed in street clothes and oxfords It was strange to see them in 14 inches of fresh snow but there big smiling faces left me to believe every thing was OK They told me that they had been stuck for four days and I offered to help them out They apparently had no money to pay for the damaged chains on my vehicle Later that night I had a terrible dream that they took me prisoner and held me against my will for 72 hours in a poorly constructed 16x20 cabin on Elliot Ridge The drug runners had a plantation up there and a clearing big enough to land a helicopter The last two chapters of the book are fictional my dream in thirty years I ve had a lot of strange and ironic events during elk hunting but not tragic But it could have been when 3 men took my bull elk at gun point in 1973 They threatened me to step out of my truck I did not provoke them I said that If I come out it won t be empty handed Tracking Wounded Deer, Third Edition Richard P. Smith,2017-07-01 No hunter likes to wound a deer We all strive not to But it sometimes happens due to the many uncontrollable variables in deer hunting When it does happen you should make every effort to find and finish the deer as soon as possible and this book will help you do that Tales of Trails

Douglas Tracy,2024-12-07 *Times Crimes and the Tenderloin in Pre Prohibition Toledo* is a collection of stories that paint a vivid picture of the Tenderloin era in Toledo during the two decades before the passage of the 18th and 19th Amendments As the country moved out of the rigid Victorian period and entered an era of airplanes automobiles and rapidly changing technology new found social freedoms began to spin out of control *Times Crimes and the Tenderloin in Pre Prohibition Toledo* follows the career of Toledo Captain of Detectives Lewis B Tracy a tough but compassionate cop who was involved in most of the city's major crime investigations throughout his career In 1915 he was placed in charge of Toledo's Red Light District a seedy area south of the city also known as the Tenderloin or Vice Zone filled with brothels gambling joints saloons and dance halls The area was populated by a dangerous array of streetwalkers prostitutes pickpockets dope fiends thieves and hustlers and Tracy knew them all Over time Detective Tracy became known for his compassionate treatment of the unfortunates many of whom developed a deep respect for the kind hearted officer they came to know as Papa Father or Cap In 1918 as WWI was raging Tracy was placed in charge of the Slackers Bureau rounding up draft dodgers German sympathizers disloyalists and citizens who refused to

buy war bonds It was in this role that he became known as Loyalty Lou for his stern patriotic lectures to arrestees Over the span of his twenty three year career with the Toledo Police Department Detective Tracy was shot robbed bitten and assaulted but somehow he always managed to stay strong and get his man Today the few remaining buildings of the Tenderloin have been reclaimed as shops restaurants and condos leaving little evidence of their former uses But the stories live on

Ripley's Raiders Vietnam Chronicles Russell J Jewett,2013-04-16 How familiar is this You attend a reunion and inevitably several members recollecting a significant event begin arguing over when that event actually occurred As you listen to them debating over the circumstances you realize that neither has a clue as to the facts or sequence of events Since 2003 I have attended Third Battalion Third Marines Viet Nam Era reunions and listened to my fellow warriors of Lima Company recollecting stories of our glory days I noticed that every year the details of events became more and more obscure Of course one could consult the official Command Chronologies but not everyone has access to them Even if you do have access to this information it takes time to wade through all the data a task that the average individual would find tedious Some of the copies of the Command Chronologies are almost unreadable due to poor quality reproduction methods used Wouldn t it be helpful if all the information was assembled in one area and available for quick reference This project was an answer to that problem I started with the Lima Company roster for the end of February 1967 which listed all the members of Company Lima that participated in the battles with the North Vietnamese Army during the first five days of March for which we acquired the tag of Ripley s Raiders I then determined the Marine who had been

with the unit the longest and the Marine who had been there the least length of time My goal for this project was to chronicle all the entries I could find on Lima Company during their tours of duty This required compiling information for a period of twenty eight months December 1966 thru March 1968 I included the names of all other members of Lima Company during this time frame to act as memory joggers for the reader I accessed the National Archives on line and in thirteen months transcribed everything I could find from the Command Chronologies into one chronological record of the events experienced by the members of Ripley s Raiders

Hill 119 Michael O.
