Blood Lake A Filomena Buscarsela Mystery:

Blood Lake Kenneth Wishnia, 2014-08-01 The Ecuadorian Andes is one of the few places on earth where you can get a sunburn and freeze to death at the same time When New York City PI Filomena Buscarsela takes her teenaged daughter Antonia to see their extended family in Ecuador it s more than a homecoming Filomena hasn t been back in years and the trip brings back memories of her previous life as a revolutionary Before she s even had time to adjust to her new surroundings a priest is murdered a man who years ago saved her life and helped her escape to the United States She owed him her life now it s time for the debt to be repaid and she vows to find his killer It s an election year and the dirty hands of politics seem to be everywhere perhaps even in this senseless death Filomena s investigation promises to lead her back to the very people she escaped all those years ago As the country is wracked by natural and man made disasters landslides floods food shortages protests crackdowns Filomena becomes a fugitive from the law racing across the country toward a climactic confrontation in the Amazon jungle Wishnia provides a novel rich with the sights sounds and dangers of Ecuador and a compelling look at the provenance of one of mystery fiction s most dynamic heroines **Braille Books** Library of Congress. National Library Service for the Blind and Physically Handicapped, 2006 **Braille Book Review** , 2004 **The Publishers Weekly** , 2002

From Sun to Sun Kenneth Wishnia, 2024-06-04 From Sun to Sun is highly unconventional crime novel that presents two parallel stories separated by twenty five centuries The first set in modern New York City featuring a hardworking smart mouthed Latina investigator Felicity Ortega P rez specializing in forensic accounting and document examination as she hunts for a missing person who holds the clue to an ancient mystery Little does she realize how deep the criminality goes and what she will learn about her own hidden past The ancient section is a radical revision of the Book of Ruth the first person in the Bible to convert to the religion of Israel When Ruth s husband dies under strange circumstances she must join the exiles returning to Jerusalem to rebuild the Temple in order to secure a future for herself her grieving mother in law Naomi and her future offspring Unfortunately the returning exiles also include religious leaders like Ezra and Nehemiah who plan to purify the land by expelling all the foreign women and Ruth must prove her worth under dire conditions including a major famine From Sun to Sun is a tale of love devotion and sacrifice depicting the challenges facing two determined foreign women as they battle ignorance hatred and indifference in two distinct historical periods Iron Age Israel and the modern world Each in their own struggle to find justice and a place in society a seemingly endless battle in a time of social upheaval fluid identities and diverse cross cultural complexities In short the novel is about combating prejudice and who gets to decide who is one of us and who is a foreigner and what it takes to prove you belong **Mystery Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in

which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 *What Do I Read Next?* ,2001 *Bowker's Guide to Characters in Fiction* 2007 ,2008-02 **Forthcoming Books** Rose Arny,2003 **The Glass Factory** K. J. A. Wishnia,2000 When Filomena discovers that a fetid glass factory in a run down area of Long Island is spewing poisons into the local water supply she quickly smells a rat She is sure that her nemesis a cutthroat industrial polluter with an airtight financial empire is somehow behind the contamination Jacket **Quill & Quire** ,2000 **MultiCultural Review** ,1998 [Subject Guide to Books in Print](#) ,1991 *23 Shades of Black* K. J. A. Wishnia,2012 In the East Village of New York Latina cop Filomena Buscarsela looks into a suspicious toxic leak and the death of a key witness in an investigation that sees her cruising the city's rock clubs for clues during the 1980s punk scene Original
