## CLIVE SINCLAIR

"Sinclair's book is fast, funny and fantastic, with an edge self-possessed wit. . . . To the very last page, Sinclair keeps a tight balance between the wildest, most personal fantasies, and a chilling reality."

—Margaret Walters  
The Observer

"In *Blood Libels*, Clive Sinclair has assembled the Jewish anatomy of all sorts with the old Judaism, ambivalent towards the new Dantes. The old and new mythologies about Jewishness produce an insurmountable conflict, within Jacob Sillstone, in the face of Israel, and throughout the whole world. More funny than not, more ironic than tragic, the novel presents the story, rather than the history, of anti-Semitism."

—Linda Taylor  
The Times Literary Supplement

"Mr. Sinclair is a witty, very literary writer. He clearly admires Nabokov, Solzhenitsyn and Proust, and shows a number of stylistic similarities with each before Top Twenty Young British Novelists in *Harriet Jones*, *Shogun's Gun*, and *(Don) McEwan*. . . . He is a writer who has to be taken seriously. . . ."

—John Michelson

## **Blood Libels:**

**Blood Libel** Magda Teter, 2020-01-28 A landmark history of the antisemitic blood libel myth how it took root in Europe spread with the invention of the printing press and persists today Accusations that Jews ritually killed Christian children emerged in the mid twelfth century following the death of twelve year old William of Norwich England in 1144 Later continental Europeans added a destructive twist Jews murdered Christian children to use their blood While charges that Jews poisoned wells and desecrated the communion host waned over the years the blood libel survived Initially blood libel stories were confined to monastic chronicles and local lore But the development of the printing press in the mid fifteenth century expanded the audience and crystallized the vocabulary images and facts of the blood libel providing a lasting template for hate Tales of Jews killing Christians notably Simon of Trent a toddler whose body was found under a Jewish house in 1475 were widely disseminated using the new technology Following the paper trail across Europe from England to Italy to Poland Magda Teter shows how the blood libel was internalized and how Jews and Christians dealt with the repercussions The pattern established in early modern Europe still plays out today In 2014 the Anti Defamation League appealed to Facebook to take down a page titled Jewish Ritual Murder The following year white supremacists gathered in England to honor Little Hugh of Lincoln as a sacrificial victim of the Jews Based on sources in eight countries and ten languages Blood Libel captures the long shadow of a pernicious myth

*Blood Libel* Hannah Johnson, 2012-07-09 The first book investigating the recent historiography of the ritual murder accusation

Jews in the Realm of the Sultans Yaron Ben-Naeh, 2008 Jewish society in the Ottoman Empire has not been the subject of systematic research The seventeenth century is the main object of this study since it was a formative era For Ottoman Jews the Ottoman century constituted an era of gradual acculturation to changing reality parallel to the changing character of the Ottoman state Continuous changes and developments shaped anew the character of this Jewry the core of what would later become known as Sephardi Jewry Yaron Ben Naeh draws from primary and secondary Hebrew Ottoman and European sources the image of Jewish society in the Ottoman Empire In the chapters he leads the reader from the overall urban framework to individual aspects Beginning with the physical environment he moves on to discuss their relationships with the majority society followed by a description and analysis of the congregation its organization and structure and from there to the character of Ottoman Jewish society and its nuclear cell the family Special emphasis is placed throughout the work on the interaction with Muslim society and the resulting acculturation that affected all aspects and all levels of Jewish life in the Empire In this the author challenges the widespread view that sees this community as being stagnant and self segregated as well as the accepted concept of a traditional Jewish society under Islam

*Trials of the Diaspora* Anthony Julius, 2012-02-09 The first ever comprehensive history of anti-Semitism in England from medieval murder and expulsion through to contemporary forms of anti Zionism in the 21st century

**Blood Libel and Its Derivatives** Raphael Israeli, 2017-09-08 At the doorstep of the twenty first century one would expect that medieval concepts

such as blood libel the accusation that Jews kill children to use their blood in religious ritual would have been discarded by any civilized human being Certainly in the Christian world where the story originated and endured for centuries modern attitudes have nearly erased these barbaric accusations But in Arab and Islamic worlds where enmity towards Israel and Zionism has conditioned beliefs attitudes positions and fantasies blood libel and similar charges are still part of life Most people are unaware of the history of blood libel and do not perceive links between it and many of the false accusations currently hurled against the state of Israel Raphael Israeli argues that individuals and organizations guilty of human rights crimes project crimes onto Israel to avoid awareness of their own guilt Certainly when countries ruled by dictators set the agenda of the UN Council for human rights Israel is consistently censured and condemned Accusations of apartheid and charges of discrimination against Muslims are frequently made Israel is accused of plots against Muslims in order to harm their productive sectors of using weapons of mass destruction to commit genocide against Arabs of injecting poisonous substances into Palestinian children of poisoning Arab lands under the guise of agricultural aid and of laying siege to peaceful citizens All of these charges are derivatives of blood libel and have been adopted by Middle East Jihadists in their struggle against Israel This volume aims to explain the origins of the charge of blood libel and define the ways its derivatives have achieved acceptance in certain parts of the world today Messiah in the Passover Darrell L. **Eastern Europe, and Beyond** Eugene M. Avrutin, Jonathan Dekel-Chen, Robert Weinberg, 2017-07-12 A collection of essays exploring the history of an antisemitic accusation that haunted Jewish people in Europe and Russia and how it spread This innovative reassessment of ritual murder accusations brings together scholars working in history folklore ethnography and literature Favoring dynamic explanations of the mechanisms evolution popular appeal and responses to the blood libel the essays rigorously engage with the larger social and cultural worlds that made these phenomena possible In doing so the book helps to explain why blood libel accusations continued to spread in Europe even after modernization seemingly made them obsolete Drawing on untapped and unconventional historical sources the collection explores a range of intriguing topics popular belief and scientific knowledge the connections between antisemitism prejudice and violence the rule of law versus the power of rumors the politics of memory and humanitarian intervention on a global scale This important contribution to

our understanding of the evolution of ritual murder charges in Eastern Europe brings together a number of innovative studies on the topic several of which could become standard reading on the subject Glenn Dynner Sarah Lawrence College While the topic was not exactly novel to me I enjoyed reading this book and I was constantly learning from the significant new information and fresh insights from the authors analyses Shaul Stampfer Hebrew University

**The Fourth of August Regime and Greek Jewry, 1936-1941** Katerina Lagos, 2023-02-03 Delving into a traditionally underexplored period this book focuses on the treatment of Greek Jews under the dictatorship of Ioannis Metaxas in the years leading up to the Second World War Almost 86% of Greek Jews died in the Holocaust leading many to think this was because of Metaxas and his fascist ideology However the situation in Greece was much more complicated in fact Metaxas in his policies often attempted to quash anti-Semitism The Fourth of August Regime and Greek Jewry 1936-1941 explores how the Jews fit and did not fit into Metaxas's vision for Greece Drawing on unpublished archival sources and Holocaust survivor testimonies this book presents a ground-breaking contribution to Greek history the history of Greek anti-Semitism and sheds light on attitudes towards Jews during the interwar period

**Jerusalem** Moshe Ma'oz,2020-09-10 Jews Muslims and Jerusalem Disputes and Dialogues examines MuslimJewish relations during significant periods of history in the Middle East Asia and Africa A deep concern in the Muslim Arab world concerns the status of the Al Aqsa Mosque and Dome of the Rock Israel's continued occupation of the West Bank since 1967 and its control of East Jerusalem has reinforced anti Jewish Judeophobia and anti Israel movements The most prominent are the Hamas the Liberation Party tahrir the Islamic Jihad Hizbullah the Islamic rulers in Iran and recently Turkey Conversely amongst Jews in Israel and the Diaspora and amongst many Christians the last decades have witnessed a rise in extreme Islamophobia in reaction to Arab terrorist attacks and out of a religious cultural prejudice against Muslims Spearheading these trends are members of the Jewish underground Gush Emunim Loyalists of the Temple Mount Holy Temple organizations and members of the religious Zionist and political movements the Bayit Yehudi Party and Likud Party It is

noteworthy that there are numerous proactive movements for coexistence and peace amongst Jews and Muslims in Israel and throughout the world and in that prevailing spirit dozens of ongoing religious and cultural dialogues are maintained These interactions and the political and economic engagement at state level are distinguished by ambivalence given not only the historical record but through contemporary zealotry by hardliners The US the UN and the EU have tried to mediate but to no avail President Trumps Deal of the Century has abandoned Washingtons neutrality PM Netanyahu promotes Israeli sovereignty over Jerusalem This book is the most comprehensive integrated and updated study on these formidable issues Given the increasingly volatile language by hardline players the Middle East is at a point of critical historical change Is it to be a political settlement via dialogue or a downward spiral to a dispute that in an age of offensive weaponry available to all parties can only have dire consequences
