Lewis,2020-08-10 World Beyond Reason The Orwellian Factor By James C Lewis World Beyond Reason The Orwellian Factor is the product of several years of focused research and investigation prompted by national and world occurrences There is a movement in this country

to change the United States from a merit based market economy typically referred to as capitalism to a Marxist nation by a group called Progressives These Progressives claim they believe collectivist thought under a Democratic Socialism ideology would best serve the nation and world James C Lewis s research has revealed that these Marxists fail to grasp they are being manipulated by a force whose ultimate goal is not socialism at all but a totalitarian ideology under the misleading title of New World Order But this goal is not merely for the United States but will cover the entire world Lewis s research reveals that many events that are occurring today such as the COVID 19 virus the coming activation of the 5G network Islamic terrorism the Deep State or shadow government failing countries millions of displaced refugees even the Progressive movement are all calculated to destabilize the Western world enough that the remedial outcome will allow those NWO forces to take over and usher in a one government world My goal is to expose all of this so the American people get a full understanding that this is all very serious and dangerous to our very existence as a country and as a free people Lewis as a retired paralegal spent his career in a field requiring careful legal and factual research an understanding about human nature criminal and constitutional law He brings those skills to the research of this book *The Kings of the Earth and the High Ones on High* Allan Cornford,2018-12-30 There is a war taking place for the souls of mankind which the majority fail to see having been blinkered by a fantasy world of falsehood materialism and toxic manufactured realities With this book I pass judgement on no man Nor do I attempt to determine the thoughts and sincerity of men both past and present whose actions and achievements have impacted world history I m just piecing together man s satanic agenda to generate a return to the Golden Age The New World Order which will rise like a Phoenix from the ashes of World War III This includes a re look at the Genesis creation account the true design of the Earth the growth of false religion the Synagogue of Satan the coming delusion and certain end time prophecy *THE SECRET OF GENESIS: THE MESSIANIC LINE AND THE LINE OF THE SERPENT FROM THE FALLEN ANGELS TO THE LORDS OF THE NEW WORLD ORDER* Cinzia Palmacci,2023-01-21 From those primordial faults humanity has been lying for eons under the influence of two opposing forces and struggles between them Good and Evil The Bible is revealing to those who know how to discern the true from the false The true origin of evil in the world and Lucifer s hatred towards Creation its harmful consequences on nature on man and on every aspect of life on this planet are explained in this book and have ancestral origins **Return of the Stargods** Richard Vizzutti,2003 Return of the Stargods reveals how the ancient alien gods of old will soon return to establish a New World Order of satanism The book also takes the reader though the Bible showing a vast amount of scriptures that the churches ignore or will not deal with Scriptures reveal that there is a fifth column that lives among us that are working against God s children in establishing a New World Order as an ultimate goal They are the ones among us that are waiting for their father to return to them as the beast who will crush all opposition to his rule But this will not take place until the Rapture of the church takes place first The Bible is also very clear that a government of fallen angels now runs this earth They run all aspects of our matrix reality and remain hidden behind a

shadow government There are strong indications in scripture that here is also royalty of non humans called the Reptilians and Nephilim that rule over us They are the ones that have come from hell to transform themselves into rulers of this world The Return of the Stargods makes a good case for all this strangeness by using scripture and not just opinions and hearsay This book is very deep and not meant for shallow Christians that believe in Church doctrine and not Bible doctrine This book is a must for those Christians that want a deeper understanding of endtimes and spiritual warfare It will teach you how to see all the people around us for what they really are so that we can best protect ourselves from these predators Return of the Stargods is an introduction to the reality that lies outside the box If you are a discerning Christian who regards scripture as the final authority and not church then this book is a must read **Bamn** Clyde C.
