Blood On Her Hands:

Blood on her hands: Women behind bars Carla van der Spuy,2015-08-01 What makes a woman kill And how does it feel to share a cell with these murderers Carla van der Spuy visits four female correctional facilities across South Africa and gets inside the heads of women who committed violent crimes She visits the babies born behind bars celebrates Christmas with the inmates and chats face to face with women who killed with knives guns and hit men as well as a kleptomaniac and a prostitute Women with blood on their hands What went so terribly wrong in their lives And is there a person behind the criminal *Blood on My Hands* Todd Strasser,2024-05-07 This is a rare teen thriller with an actual mystery that is as quickly paced as it is heart wrenching Booklist All it takes is one second One stupid move One click of a cell phone When Callie discovers Katherine sprawled on the ground she bends down to help her It s only natural the party s been a bit wild And it s only natural for her to pull out the fake knife irritated at one more example of Katherine s callous disregard of other people s feelings But the knife is real and bloody And then Callie hears the click of one cell phone followed by another and another In minutes images of her holding the bloody knife have gone viral Now wanted for murder Callie is on the run from the police All the evidence points to her guilt but she s determined to prove her innocence which means the real killer is still out there A great deal of dialogue short chapters and straightforward diction will make this a quick read for students who enjoy murder mysteries Voice of Youth Advocates *Blood on My Hands: A Surgeon at War* Craig Jurisevic,2011 The year is 1999 and for the first time since World War II Europe is witnessing scenes of mass murder The forces of Serbian strongman Slobodan Milosevic have swept into Kosovo on the Balkan Peninsula leaving a trail of death and heartbreak Scenes of Milosevic s ethnic cleansing play out on television screens all over the world haunted figures huddled behind barbed wire fences bodies heaped in ditches Adelaide surgeon Craig Jurisevic recalls his grandfather s ordeal in a Nazi concentration camp and resolves to honour his memory by offering his skills as a surgeon to the victims of the conflict Leaving his wife and son in Adelaide Jurisevic flies to the Balkans under the auspices of the International Medical Corps Although no stranger to the battlefield he is appalled at the unparalleled savagery of the Kosovo war Jurisevic s determination to put his skills to the best possible use leads him closer and closer to the front line and deeper into danger Sickened by scenes of murder and massacre he sets aside his non partisan status and joins forces with the Kosovo Liberation Army operating on the injured at the front and leading night time missions behind the lines to retrieve injured Kosovar villagers Struggling to maintain his moral bearings Jurisevic s journey from Adelaide to the hell of Kosovo has become a descent into the heart of darkness *Blood on My Hands* co written with award winning author Robert Hillman tells a story of terrible suffering of extraordinary heroism and of the savagery that lies coiled in the human heart It is an incredibly powerful and moving account from a remarkable Australian and one that will stay with you long after you have put the book back on the shelf *The Blood on My Hands..* Gaurav Dashputra & Siddhant Kaushik,2014-09 RUNNING DOESN T CHANGE ANYTHING DYING DOES Rehan Irani s life is

a mess His line of work isn't strictly legal and the pressure is mounting Getting into this assassination business wasn't his brightest idea But then beggars can't be choosers right And the Colonel's offer had been poisonously sweet to refuse Hiding lurking killing in these damp lanes of Mumbai is now a way of life However hard it may rain the stains on his hands just refuse to wash And now this blood trail has led him to his past A past that doesn't want to exist anymore and he has to be the one to pull the trigger Can he kill the person he loved so much Can he stop a person who wants to die when the cost might be his own life

Blood on My Hands Dr. Shiv Sastry, How does a surgeon think and feel having to deal with life threatening emergencies and death The triumphs the sorrows and the thoughts A candid set of tales for the non medical public or for young doctors after a lifetime as a surgeon

BLOOD ON YOUR HANDS David A Swincer, I have always been challenged about the need to be ready to share the Gospel but I am not an evangelist although like Paul told Timothy do the work of an evangelist 2 Timothy 4:5 so I feel the need to at least be ready 15 But in your hearts revere Christ as Lord ALWAYS BE PREPARED to give an answer to everyone who asks you to give the reason for the hope that you have But do this with gentleness and respect 1 Peter 3:15 emphases added I am commissioned as a Christian to be responsible in sharing the Gospel God spoke to Ezekiel and enunciated the principle of the responsibility of those appointed to be watchmen for others 17 Son of man I have made you a watchman for the people of Israel so hear the word I speak and give them warning from me 18 When I say to a wicked person You will surely die and you do not warn them or speak out to dissuade them from their evil ways in order to save their life that wicked person will die for their sin and I will HOLD YOU ACCOUNTABLE FOR THEIR BLOOD 19 But if you do warn the wicked person and they do not turn from their wickedness or from their evil ways they will die for their sin but you will have saved yourself Ezekiel 3:17-19 emphasis added Whilst the passage relates to Ezekiel's responsibility to Israel the principle is inescapable as it relates to my call to intervene on behalf of others who are dying going to a Christless eternity It is the last phrase of the quote that haunts me I will hold you accountable for their blood I confess that I don't know exactly what that means but you don't have to be very smart to realise that there is a serious accountability Whatever it is I don't want to have Blood on My Hands
