**Blood on His Hands** Max Afford,2024-09-12 **Blood on His Hands** by Max Afford is a gripping murder mystery that delves into the dark corners of guilt deception and justice When a respected figure is found dead with seemingly no motive or suspect the investigation quickly spirals into a web of lies and hidden agendas As the authorities close in on the truth one man is forced to confront the evidence that points directly at him Is he truly innocent or is there blood on his hands In this electrifying tale of suspense readers will be kept guessing until the shocking conclusion **Blood on His Hands** Willo Davis Roberts,2004-07-06 After the death of his little sister Marc s life begins to fall apart his parents divorce his mother comes under the influence of a pushy insurance agent and Marc is sent to a camp for socially maladjusted youths **Blood on his Hands** Ian McFadyen,2019-11-28 In this the eighth gripping murder mystery from the pen of Ian McFadyen the author once again captivates the reader with an array of beguiling characters tightly woven within an intriguing skilfully scripted plot It will keep you guessing right until the end **The Blood on My Hands..** Gaurav Dashputra & Siddhant Kaushik,2014-09 RUNNING DOESN T CHANGE ANYTHING DYING DOES Rehan Irani s life is a mess His line of work isn t strictly legal and the pressure is mounting Getting into this assassination business wasn t his brightest idea But then beggars can t be choosers right And the Colonel s offer had been poisonously sweet to refuse Hiding lurking killing in these damp lanes of Mumbai is now a way of life However hard it may rain the stains on his hands just refuse to wash And now this blood trail has led him to his past A past that doesn t want to exist anymore and he has to be the one to pull the trigger Can he kill the person he loved so much Can he stop a person who wants to die when the cost might be his own life **Blood on Their Hands** Fred Couzens,2014-02-24 From the day she was born in January 1883 and every day thereafter Reno Nev native Emily Ann Cox was as straight as an arrow she was as trustworthy as the sun coming up in the east over Sparks She after all graduated from the top of her class in high school and was salutatorian with a degree in English from the State University of Nevada in Reno Her work and her character were impeccable it was no wonder she left her friend and student newspaper colleague Brad Porter behind and enthusiastically went to work at Mission Dolores the California mission in San Francisco the summer of her graduation So how was it a prim and proper young woman and intelligent to boot who doesn t have a problem in the world one day and then within a few short weeks ends up being a resident a high grade less insane inmate by definition of the state mental asylum in Yountville Due to situations beyond her control namely her mother and her snoopiness and rush to judgment Emily became defenseless in the practices of the Superior Court She believed her explanations of what really happened inside the church at Mission Dolores that fateful day and not her mothers assumptions would be heard and believed and then shed be acquitted in short order After all the truth was the truth in Emilys book That of course wasn t the case Emilys mother bought the verdict she was looking for a buy that wasn t all that too uncommon with the judges in the San Francisco Superior Court system as it was later learned Emily was railroaded and little did she know or

suspect anything was working against her Despite harboring resentment against her mother for the womans unbelievable act her reason for getting Emily committed was taken supposedly to prevent Emily from assuming and accepting a promiscuous life style she accepted her fate and tried to fit in among the Yountville population as best she could She even made friends quickly with some of the residents in her residence building Stoneman Hall Like everyone else at Yountville Emily had to go to school an asylum requirement even though she was a college graduate She also had to work in two of the institutions industries and chose the Sewing Room and the Farm She especially liked the farm not so much the chickens but the hogs No matter who her supervisors were Lefty on the farm Miss Rose in the Sewing Room or Sarah in the superintendents office she took to them quickly as they did to her Emily was after all completely sane and was quite capable of relating to her supervisors just like any intelligent woman would The shift medical superintendent Dr Josey Anselmo was sharp in his own way He knew all the details that worked against Emily to make her a resident at Yountville so he took advantage of her outstanding clerical skills and made her his assistant secretary a position seriously questioned by Anselmos wife Mona who was also the hospitals nursing director Never before had an inmate been tapped for work in the Administration Building much less the superintendents office but Dr Anselmo persuaded everyone including Mona that he had the situation as well as Emily under his control In the end nothing could have been farther from the truth Little did the superintendent know that Emily vowed to retrieve and record as much dirt on the institution as she could find this following the botched sterilization of her close friend Katie Brewster who ended up in the asylums cemetery instead of her residence hall Emily saw the horror of the nurses dragging Katie off to the hospital one night in April 1909 and being the curious one she was overheard all of Katies pleadings moaning and cries prior to being anesthetized and then butchered in the hospitals operating room an experiment Superintendent Anselmo called her a guinea pig so doctors and nurses could learn how to perform and what to expect fro

**Blood on Their Hands** Cecil Lowry, 2024-04-04 From its invasion of Manchuria through to the Allies victory in 1945 the Japanese Imperial Army was guilty of widespread atrocities against its enemies and in particular the civilians of occupied countries Massacre human experimentation starvation forced labour and even cannibalism were commonplace during that period It has been estimated that the number of deaths which resulted from these atrocities range from anything from three to fourteen million people Using this appalling record the author explains in graphic detail the cruelty of Japanese military forces drawing attention to the impact on ordinary people He explores the possible reasons why people committed such horrendous acts Seventy eight years have passed since the surrender yet the Japanese government has never squarely acknowledge their crimes nor has it made an official apology Over the years since a handful of extreme right wing elements in Japan has depicted the war and the atrocities as the liberation of backward nations They have attempted to reinterpret bloody massacres as a self defensive holy war As his father Hugh Lowry suffered grievously as a Prisoner of War on the infamous Thai Burma Railway the author knows first hand of the lasting psychological and physical wounds suffered by

victims of Japanese brutality This disturbing book should serve as a warning that such extreme and widespread behaviour should never be repeated
