Copyright Office,1950      *Film Year Book* ,1925      *A Southern Underground Railroad* Paul M. Pressly,2024-08-01 Despite its apparent isolation as an older region of the country the Southeast provided a vital connecting link between the Black self emancipation that occurred during the American Revolution and the growth of the Underground Railroad in the final years of the antebellum period From the beginning of the revolutionary war to the eve of the First Seminole War in 1817 hundreds and eventually several thousand Africans and African Americans in Georgia and to a lesser extent South Carolina crossed the borders and boundaries that separated the Lowcountry from the British and Spanish in coastal Florida and from the Seminole and Creek people in the vast interior of the Southeast Even in times of peace there remained a steady flow of individuals moving south and southwest reflecting the aspirations of a captive people A Southern Underground Railroad constitutes a powerful counter narrative in American history a tale of how enslaved men and women found freedom and human dignity not in Jefferson s Empire of Liberty but outside the expanding boundaries of the United States It is a potent reminder of the strength of Black resistance in the post revolutionary South and the ability of this community to influence the balance of power in a contested region Paul M Pressly s research shows that their movement across borders was an integral part of the sustained struggle for dominance in the Southeast not only among the Great Powers but also among the many different racial ethnic and religious groups that inhabited the region and contended for control      *Subject Guide to Books in Print* ,1984

Copyright Office,1953      *Political Spirituality for a Century of Water Wars* James W. Perkinson,2019-04-11 This book offers resources for re imagining the biblical vision of water for a time quickly emerging as the century of water wars It takes its urgency from the author's 5 year activist engagement with a grass roots led social movement pushing back on Detroit water shutoffs as global climate crises intensify Concerned with both white supremacist biopolitics and continuing settler colonial reliance on the Doctrine of Christian Discovery and beholden to an interreligious methodology of crossing over and coming back the text creatively re reads the biblical tradition under tutelage to the mythologies and practices of various indigenous cultures Algonquian Huron Haitian Vodouisant and Celtic Norman whose embrace of water is animate and spiritual as well as political and communal Not enough today merely to engage the political battle over water rights however indigenous wisdom and biblical prophecy alike insist that recovery of water spirituality is central to a sustainable future      Sarah Winnemucca Sally Zanjani,2004-01-01 In 1883 she produced her autobiography the first written by a Native American woman Using private contributions she returned to Nevada and founded a Native school whose educational practices and standards were far ahead of its time This book is composed not only of public challenges and accomplishments but also of private struggles joys and ambitions Unforgettable glimpses of her personality and private life leap from these pages her notorious sharp tongue and wit her love of performance her place in a legendary family of Paiute leaders her long string of failed relationships and at the end possible poisoning by a romantic rival
