HELL INN CHAPTER 16 Inside the dark underground morgue seven people were leaning together with Yan Lang and Tian Xi Yue as the center they were thinking about finding an elevator However not many people had hope and they had already brought them to this place so they were naturally like fish in a bowl where would they have hope of escaping Saying they were looking for an elevator was just a mentality of choosing a dead horse over a living one after all even if there really was an elevator whether or not they dared to sit on it was another matter The path to life has definitely appeared Shen Wu behind Li Yin said softly You should think about it Even if Shen Wu didn t say it Li Yin was very clear about this point This underground morgue was not small in area It was divided into rooms of different sizes and the further inward the smell of formalin became stronger The corridor was narrow and long the deeper he went the faster his heart beat Even moving one step felt difficult Therefore his walking speed became slower and slower **COMMUNION:** William L. Graham,2023-10-04 Communion with Christ is much more than a ceremony When Adam sinned communion in its full sense was lost The entire Bible story demonstrates God s design to reestablish communion to its fullest ultimately bringing us to a new heaven and a new earth My heart s desire is that each of these communion messages will be a daily reminder of what God did for us While one may choose to sit and read through these devotionals this is probably not the most profitable method They are better read as a means to stimulate daily contemplation Communion with God and with fellow believers is to be a way of life
