Bloody Angle Hancocks Assault On The Mule Shoe Salient May 12 1864:

Bloody Angle John Cannon,2000-09-12 Dawn was breaking in the hard rain on the morning of 12 May 1864 It was then that tired Union soldiers under General Hancock s command launched a daring assault on the apex of heavily defended Confederate line outside Spotsylvania **The Maps of Spotsylvania Through Cold Harbor** Bradley M.

Gottfried,2023-01-04 The Maps of Spotsylvania through Cold Harbor continues Bradley M Gottfried s efforts to study and illustrate the major campaigns of the Civil War s Eastern Theater This is the ninth book in the ongoing Savas Beatie Military Atlas Series After three years of bloody combat in Virginia President Abraham Lincoln promoted Ulysses S Grant to general in chief in early 1864 Grant immediately went to work planning a comprehensive strategy to bring an end to the war He hungered to remain with the Western armies but realized his place was in Washington Unwilling to be stuck in an office Grant joined George Meade s Army of the Potomac His presence complicated Meade s ability to direct his army but Grant promised to stay out of his way and give only strategic directives This arrangement lasted through the Wilderness Campaign the first action in what is now referred to as the Overland Campaign This book continues the actions of both armies through the completion of the Overland Campaign After the Wilderness fighting the Army of the Potomac attempted to swing around the right flank of Gen Robert E Lee s Army of Northern Virginia and shoot straight for Richmond The Confederate capital was never the goal the move was intended to force Lee out into the open where the larger and well stocked Union army could destroy it The head of Lee s army blunted the enemy at Spotsylvania Court House where both sides dug in Days and men were wasted on fruitless attacks until Col Emory Upton designed an audacious strike that temporarily penetrated Lee s works A much larger offensive against the Mule Shoe two days later tore the line open destroyed a Rebel division and triggered a long day of fighting More fighting convinced Grant of the folly of further attempts to crush Lee at Spotsylvania and again he swung around the Rebel right flank The march ignited almost continuous fighting at the North Anna Bethesda Church and Cold Harbor where this volume ends This study includes the various cavalry actions including those at Spotsylvania Court House Yellow Tavern Haw s Tavern and Matadequin Creek The Maps of Spotsylvania through Cold Harbor breaks down the entire operation into thirty five map sets or action sections enriched with 134 detailed full page color maps These cartographic originals bore down to the regimental and battery level and include the march to and from the battlefields and virtually every significant event in between At least two and as many as ten maps accompany each map set Keyed to each piece of cartography is a full facing page of detailed footnoted text describing the units personalities movements and combat including quotes from eyewitnesses depicted on the accompanying map all of which make the Spotsylvania story come alive This unique presentation allows readers to easily and quickly find a map and text on any portion of the campaign from the march to Spotsylvania to Cold Harbor Serious students will appreciate the extensive and authoritative endnotes and complete order of battle Everyone will want to take the book along on trips to these battlefields

Perfect for the easy chair or for stomping the hallowed ground The Maps of Spotsylvania through Cold Harbor is a seminal work that belongs on the bookshelf of every serious student of the battle *Defeating Lee* Lawrence A. Kreiser, 2011-04-19 Kreiser breathes new life into this most important of Union Army units A remarkably well written and superbly researched account David E Long author of The Jewel of Liberty Abraham Lincoln s Re election and the End of Slavery Fair Oaks the Seven Days Antietam Fredericksburg Gettysburg Cold Harbor Petersburg the list of significant battles fought by the Second Corps Army of the Potomac is a long and distinguished one This absorbing history of the Second Corps follows the unit s creation and rise to prominence the battles that earned it a reputation for hard fighting and the legacy its veterans sought to maintain in the years after the Civil War More than an account of battles Defeating Lee gets to the heart of what motivated these men why they fought so hard and how they sustained a spirited defense of cause and country long after the guns had fallen silent An excellent contribution to Civil War history shelves Midwest Book Review Lawrence Kreiser tells the Second Corps story with verve and attention to personal as well as bureaucratic details Civil War Librarian [The 11th Alabama Volunteer Regiment in the Civil War](#) Ronald G. Griffin, 2024-12-04 From inception to the final roll call this regimental history traces the 11th Regiment of Alabama Volunteers from its 1861 creation to the Confederate surrender at Appomattox The work follows the 11th Alabama through various battles including Manassas Fredericksburg Salem Church and Gettysburg Drawing on personal correspondence such as letters and diaries it presents the soldiers as individuals and contributes to the dialogue on why the typical Southern soldier fought in the war The geographical movement of the regiment throughout the war its key leaders and the organization of its companies are also discussed in detail There are 81 period photographs that add to the story of this remarkable unit [John Brown Gordon](#) Ralph Lowell Eckert, 1993-09-01 John Brown Gordon s career of prominent public service spanned four of America s most turbulent decades Born in Upson County Georgia in 1832 Gordon practiced law in Atlanta and in the years immediately preceding the Civil War developed coal mines in northwest Georgia In 1861 he responded to the Confederate call to arms by raising a company of volunteers His subsequent rise from captain to corps commander was unmatched in the Army of Northern Virginia He emerged from the Civil War as one of the South s most respected generals and the reputation that Gordon earned while wearing the gray significantly influenced almost every aspect of his life during the next forty years After the Civil War Gordon drifted into politics He was elected to the United States Senate in 1873 and quickly established himself as a spokesman for Georgia and for the South as a whole He eloquently defended the integrity of southern whites while fighting to restore home rule In addition to safeguarding and promoting southern interests Gordon strove to replace sectional antagonisms with a commitment to building a stronger more unified nation His efforts throughout his post war career contributed significantly to the process of national reconciliation Even in the wake of charges of corruption that surrounded his resignation from the Senate in 1880 Gordon remained an extremely popular man in the South He engaged in a variety of speculative business ventures served as governor of Georgia

and returned for another term in the Senate before he retired permanently from public office He devoted his final years to lecture tours to serving as commander in chief of the United Confederate Veterans and to writing his memoirs *Reminiscences of the Civil War* Utilizing newspapers scattered manuscript collections and official records Ralph Eckert presents a critical biography of Gordon that analyzes all areas of his career As one of the few Confederates to command a corps without the benefit of previous military training Gordon provides a fascinating example of a Civil War citizen soldier Equally interesting however were Gordon's postwar activities and the often conflicting responsibilities that he felt as a southerner and an American The contributions that Gordon made to Georgia to the South and to the United States during this period are arguably as important as any of his career

General Abner M. Perrin, C.S.A. Ron V. Killian,2014-01-10 More than 1 000 men held the rank of brigadier general during the Civil War but a surprising number remain unknown to all but the most ardent scholar These lesser known brigadiers like General Abner M Perrin 1830 1864 played much more than a casual role in the momentous conflict Perrin of the South Carolina 14th Regiment took part in all of the major battles of the Army of Northern Virginia At Gettysburg he assumed command of a brigade whose general was wounded and defeated all opponents to lead the first troops to enter the town He received a promotion to brigadier general for his actions and commanded his own brigade at Mine Run the Wilderness and Spotsylvania where he was mortally wounded This welcome biography chronicles Perrin's life and military career removing this deserving Civil War personality from the shadows of history

The Boys of Adams' Battery G Robert Grandchamp,2009-10-21 Raised from Rhode Island farmers and millworkers in the autumn of 1861 the Union soldiers of Battery G fought in such bloody conflicts as Antietam Chancellorsville Gettysburg Spotsylvania and Cedar Creek At the storming of Petersburg on April 2 1865 seven cannoneers were awarded the Medal of Honor for heroism in the face of the enemy This history captures the battlefield exploits of the Boys of Hope but also depicts camp life emerging cannon technology and the social events of the Civil War

General Emory Upton in the Civil War Robert N. Thompson,2020-01-17 Considered by many to be the architect of the modern U S Army Union General Emory Upton commanded troops in almost every major battle of the Civil War's Eastern Theater Witnessing some of the war's bloodiest engagements convinced him of the need for comprehensive reform in military organization professionalism education tactics and personnel policies From the end of the war to his 1881 death by suicide Upton led an effort to modernize U S military culture While much has been written about the politics of his reform campaign this book details his wartime experiences and how they informed his intense fervor for change

Rocks and Rifles Scott Hippensteel,2018-11-14 This book discusses the relationship between geology and fighting during the American Civil War Terrain was largely determined by the underlying rocks and how the rocks weathered This book explores the difference in rock type between multiple battlegrounds and how these rocks influenced the combat tactics and strategies employed by the soldiers and their commanding officers at different scales

collection of brief essays provides hope for the future of accessible Civil War history A Wilson Greene author of A Campaign of Giants The Battle for Petersburg With the election looming in the fall President Abraham Lincoln needed to break the deadlock To do so he promoted Ulysses S Grant the man who d strung together victory after victory in the Western Theater including the capture of two entire Confederate armies The unassuming dust covered man was now in command of all the Union armies and he came east to lead them The unlucky soldiers of George G Meade s Army of the Potomac had developed a grudging respect for their Southern adversary and assumed a wait and see attitude Grant they reasoned has never met Bobby Lee yet By the spring of 1864 Robert E Lee commander of the Army of Northern Virginia had come to embody the Confederate cause Grant knew as much and decided to take the field with the Potomac army He ordered his subordinates to forgo efforts to capture Richmond in favor of annihilating Lee s command Grant s directive to Meade was straightforward Where Lee goes there you will go also Lee and Grant would come to symbolize the armies they led when the spring 1864 campaign began in northern Virginia in the Wilderness on May 5 What followed was a desperate bloody death match that ran through the long siege of Richmond and Petersburg before finally ending at Appomattox Court House eleven months later but at what cost along the way This book recounts some of the most famous episodes and compelling human dramas from the marquee matchup of the Civil War These expanded and revised essays also commemorate a decade of Emerging Civil War a best of collection on the Overland Campaign the siege of Petersburg and the Confederate surrender at Appomattox **Boy General of the 11th Alabama** Donald W. Abel, Jr.,2023-11-03 In the spring of 1861 John Caldwell Calhoun Sanders a 21 year old cadet at the University of Alabama helped organize a company of the 11th Alabama Volunteer Infantry Hailing primarily from Greene County the 109 men of Company C The Confederate Guards signed on for the duration of the war and made Sanders their first captain They would fight in every major battle in the Eastern Theater under Robert E Lee Leading from the front Sanders was wounded four times during the war yet rose rapidly through the ranks becoming one of the South s boy generals at 24 By Appomattox Sanders was dead and the remaining 20 men of Company C surrendered with what was left of the once formidable Army of Northern Virginia This is their story **Handbook** ,1979 **Historical Sketch And Roster Of The Georgia 38th Infantry Regiment** John C. Rigdon,2019 The GA 38th Infantry Regiment was a part of the Lawton Gordon Evans brigade made up of the 13th 26th 31st 38th 60th 61st Georgia Regiments and the 12th Georgia Light Artillery Battalion It fought in many conflicts from the Seven Days Battles to Cold Harbor then moved with Early to the Shenandoah Valley and was active around Appomattox The unit lost 54 killed and 118 wounded at Gaines Mill and sixty two percent of the 123 engaged at Sharpsburg In the fight at Fredericksburg there were 10 killed and 91 wounded and of the 341 at Gettysburg more than thirty five percent were disabled It surrendered with 112 of which 73 were armed

esteemed Civil War historians comes an unparalleled portrait of the war that altered the foundation of America. Pithy text is accented by black and white photography and illustrations that bring key characters and settings to life. *The Library of Congress Civil War Desk Reference* Margaret E. Wagner, Gary W. Gallagher, Paul Finkelman, 2009-11-24 History *American Civil War* Spencer C. Tucker, 2013-09-30 This expansive multivolume reference work provides a broad multidisciplinary examination of the Civil War period ranging from pre Civil War developments and catalysts such as the Mexican American War to the rebuilding of the war torn nation during Reconstruction. The Civil War was undoubtedly the most important and seminal event in 19th century American history. Students who understand the Civil War have a better grasp of the central dilemmas in the American historical narrative: states rights versus federalism, freedom versus slavery, the role of the military establishment, the extent of presidential powers and individual rights versus collective rights. Many of these dilemmas continue to shape modern society and politics. This comprehensive work facilitates both detailed reading and quick referencing for readers from the high school level to senior scholars in the field. The exhaustive coverage of this encyclopedia includes all significant battles and skirmishes, important figures, both civilian and military, weapons, government relations with Native Americans, and a plethora of social, political, cultural, military, and economic developments. The entries also address the many events that led to the conflict, the international diplomacy of the war, the rise of the Republican Party, and the growing crisis and stalemate in American politics, slavery and its impact on the nation as a whole, the secession crisis, the emergence of the total war concept, and the complex challenges of the aftermath of the conflict.

The Journal of a Civil War Surgeon Jonah Franklin Dyer, 2003-01-01 J. Franklin Dyer's journal offers a rare perspective on three years of the Civil War as seen through the eyes of a surgeon at the front. The journal, taken from letters written to his wife Maria, describes in lengthy and colorful detail the daily life of a doctor who began as a regimental surgeon in the Nineteenth Massachusetts Volunteers and was promoted to acting medical director of the Second Corps Army of the Potomac. This firsthand account traces Dyer's attempts to manage his Gloucester household even as the Second Corps fought on the Peninsula, at Second Bull Run, Antietam, Fredericksburg, Chancellorsville, Gettysburg, and from the Wilderness to Petersburg. Over time, his letters to his wife become fraught with the tension of a man losing his early martial ardor as he witnesses the ghastly procession of suffering and death. Both a talented surgeon and a careful administrator, Dyer nevertheless declined opportunities to work at hospitals in the rear in order to stay near his old regiment and the fighting. He confronted the aftermath of battle: thousands of wounded and dying men with a small staff and simple instruments. He and his fellow surgeons saved lives as best they could, often at the cost of amputated limbs, then dropped to the ground from exhaustion and slept in blood-drenched uniforms until the cries of the wounded woke them and induced them back to work. Dyer also provides a glimpse of the most devastating opponent the armies faced: disease. He and his medical colleagues fought cholera, typhus, dysentery, measles, and, despite official denials in Washington, a scurvy outbreak that weakened Federal units during the Peninsula campaign.

Imperial Wars 1815-1914 Professor Dennis Showalter, 2013-09-16 The Imperial Wars volume in the Encyclopedia of Warfare Series describes the wars and battles that took place during the height of European imperialism A chronological guide to conflict on every continent in the century after the fall of Napoleon the book covers from the South American Wars of Independence to the Mexican Revolution

Spotsylvania County John F. Cummings, III, 2011 Named for Alexander Spotswood an adventurous enterprising Colonial era governor Spotsylvania was formed in 1721 from the western expanses of Essex King and Queen and King William Counties A burgeoning industrial and agricultural region during America's formative years Spotsylvania County remained an important trade hub in the years leading up to the Civil War Located between the warring capitals of Richmond and Washington D C Spotsylvania became the battleground of four major land engagements leaving more than 100 000 casualties over an 18 month period Left in economic desolation at the war's end the citizenry reclaimed the ravaged countryside and with admirable perseverance sought a return to normalcy Today Spotsylvanians struggle to reconcile the advantages of a tourism industry which is based on a history that was thrust upon them with finding their place in a sprawling suburban future
