Nothing Daunted Dorothy Wickenden,2011 A captivating book about Dorothy Wickenden s grandmother who left her affluent East Coast life to rough it as a teacher in Colorado in 1916 Provided by publisher **A Bloomer Girl on Pike's Peak, 1858** Julia Archibald Holmes,1949 **Plains & Rockies, 1800-1865** ,2001 A new and important bibliographical addition to travel and adventure in the American West this work expands on the basic reference work in the field *The Plains and the Rockies A Critical Bibliography of Exploration Adventure and Travel in the American West 1800 1865* begun by Henry R Wagner and continued by Charles L Camp and Robert H Becker A direct but independent outgrowth of David A

White's 8 volume series *News of the Plains and Rockies 1803-1865* (Spokane, Washington, 1996, 2001) this bibliography contains accounts discovered during the series development and production which fit the guidelines of Wagner, Camp and Becker but that were not included in their listings. Wagner's basic bibliography expanded from 349 items to 700 from its first issue in 1920 to the Becker revision of 1982. This new work adds 120 items to the catalog. The additions proposed emphasize genuine travels but also include a few historic armchair documents and one piece of fiction. Many are from government documents, some from magazine articles and a few from the more important and early newspaper accounts. Some promotional tracts are added as well. The names of those whose sources are listed include Ezekiel Williams, his pioneering journeys to Colorado; John Ball, his earliest printed account of Oregon settlers; William Walker, the 1833 letter that touched off the Oregon missionary movement; Virginia E. B. Reed, her account of the Donner Party; 1847 Julia Archibald Holmes, her letter on her 1858 ascent of Pike's Peak; Gov. James Douglas, his 1858-62 first reports of the Fraser River and Cariboo gold rushes; Theodore Judah, his 1860 defining document for the Central Pacific Railroad; Charles Farrar Browne, humorist; Artemus Ward's 1864 travels among the Mormons; and Lucinda Eubank and Nancy Morton, their 1864-65 captivities. The Reprints: A sampling of 33 of the 120 additions to the bibliography judged to be the more important or appealing is reprinted here in the format adopted by the *News of the Plains* series with detailed introductions by the editor. The items reprinted are the best of the shortest accounts. Many of these short items are also of the greatest historical interest including the first good record of fur hunting in the Rocky Mountains, the first enunciation of the Great American Desert concept, the first government report on the Missouri fur trade, the first tribute to the explorations of Jedediah Smith, the first article on white women crossing the Rockies, the first notice of Whitman's famous winter ride, the first official Mormon confirmation of their intended Western haven, the first word on Aubrey's record horseback ride, the first news of the Gunnison and Grattan massacres and the first reports of American scientific explorations overland to Alaska. Though independent of the *News of the Plains and Rockies* series, this volume offers a fine conclusion to the eight volume set and is designed to complement the series. The book contains an introduction, annotated bibliography, reprints, appendix, listings and index as well as facsimiles and illustrations. Printed on acid free paper and bound in maroon linen cloth with foil stamped spine and front cover. Issued in an edition of 1000 copies.

Mountaineering Women David Mazel, 1994. Sixteen of their stories, sometimes published under the name of a male relative, sometimes under anonymous bylines such as a Lady, are here recovered and collected for the first time. **Dressed for the Photographer** Joan L. Severa, 1995. A visual analysis of the dress of middle class Americans from the mid to late 19th century. Using images and writings it shows how even economically disadvantaged Americans could wear styles within a year or so of current fashion. **The Land Before Her** Annette Kolodny, 2014-07-01. To discover how women constructed their own mythology of the West, Kolodny examines the evidence of three generations of women's writing about the frontier. She finds that although the American frontiersman imagined the wilderness as virgin land, an unspoiled Eve to be taken, the

pioneer woman at his side dreamed more modestly of a garden to be cultivated Both intellectual and cultural history this volume continues Kolodny's study of frontier mythology begun in *The Lay of the Land* **Belva Lockwood** Jill Norgren, 2007-03-01 A legal historian recounts the influential life of the women's rights activist who was the first woman to practice at the bar of the Supreme Court In *Belva Lockwood The Woman Who Would Be President* prize winning legal historian Jill Norgren recounts for the first time the life story of one of the nineteenth century's most surprising and accomplished advocates for women's rights As Norgren shows Lockwood was fearless in confronting the male establishment commanding the attention of presidents members of Congress influential writers and everyday Americans Obscured for too long in the historical shadow of her longtime colleague Susan B Anthony Lockwood steps into the limelight at last in this engaging new biography Born on a farm in upstate New York in 1830 Lockwood married young and reluctantly became a farmer's wife After her husband's premature death however she earned a college degree became a teacher and moved to Washington D C with plans to become an attorney an occupation all but closed to women Not only did she become one of the first female attorneys in the U S but in 1879 became the first woman ever allowed to practice at the bar of the Supreme Court In 1884 Lockwood continued her trailblazing ways as the first woman to run a full campaign for the U S Presidency She ran for President again in 1888 Although her candidacies were unsuccessful as she knew they would be Lockwood demonstrated that women could compete with men in the political arena After these campaigns she worked tirelessly on behalf of the Universal Peace Union hoping until her death in 1917 that she or the organization would win the Nobel Peace Prize Belva Lockwood deserves to be far better known As Norgren notes it is likely that Lockwood would be widely recognized today as a feminist pioneer if most of her personal papers had not been destroyed after her death Fortunately for readers Norgren shares much of her subject's tenacity and she has ensured Lockwood's rightful place in history with this meticulously researched and beautifully written book Foreword by U S Supreme Court Justice Ruth Bader Ginsburg **The Coloradans** Robert G. Athearn, 1976 **No Idle Hands** Anne L. MacDonald, 2010-11-17 Fascinating What is remarkable about this book is that a history of knitting can function so well as a survey of the changes in women's roles over time The New York Times Book Review An historian and lifelong knitter Anne Macdonald expertly guides readers on a revealing tour of the history of knitting in America In *No Idle Hands* Macdonald considers how the necessity and the pleasure of knitting has shaped women's lives Here is the Colonial woman for whom idleness was a sin and her Victorian counterpart who enjoyed the pleasure of knitting while visiting with friends the war wife eager to provide her man with warmth and comfort and the modern woman busy creating fashionable handknits for herself and her family Macdonald examines each phase of American history and gives us a clear and compelling look at life then and now And through it all we see how knitting has played an important part in the way society has viewed women and how women have viewed themselves Assembled from articles in magazines knitting brochures newspaper clippings and other primary sources and featuring reproductions of

advertisements illustrations and photographs from each period No Idle Hands capture the texture of women s domestic lives throughout history with great wit and insight Colorful and revealing vivid This book will intrigue needlewomen and students of domestic history alike The Washington Post Book World
