James Morrison

Blowing My Own Trumpet:

Blowing My Own Trumpet Michael Faunce-Brown, 2014-10-27 MULTI TALENTED EX HEADTEACHER gives an account of war time in an English boarding school losing his father from 1939 1946 while he was fighting Mr Hitler not entirely solo hostile neighbours on a Welsh hill farm running an armoured regiment s transport in Jordan aged only nineteen working on a New Zealand sheep farm playing very coarse rugby cleaning out an uncased well playing in a dance band teaching in the UK and being a Headmaster losing his wife to cancer after a thirteen year struggle writing and producing a full feature action movie Fight Back on DVD with Echelon Studios com life in New Zealand again and Australia making documentary films filming from Beijing to Helsinki and also Botswana and much more So many people have nagged me to write the story of my life so I have given in *Blowing My Own Trumpet* James Morrison, 2006 Australian Jazz virtuoso James Morrison s anecdotes about his life and music **Blowing My Own Trumpet** James Morrison, 2006-01-01 As well as being one of

Australia s best known and best loved musicians jazz virtuoso James Morrison is a great storyteller as this rollicking memoir shows His adventures will delight surprise and amuse you They include getting feedback on his haircut from Ray Charles think about it living on a derelict sailboat in freezing New York in justified hopes of making it big there sneaking over the wall of Government House with his girlfriend who turns out to be the Governor s daughter and much much more James has packed about three lifetimes worth into his 43 years and this book is an action packed and entertaining ride through the highlights **Early American Proverbs and Proverbial Phrases** Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious **FUNNY-SIDE UP!** Anuradha Paul, 2023-10-04 Human beings they say are the only creatures that can laugh if you don t count the hyena that is This little book is intended to tickle one s funny bone and generate exactly that laughter The work is therefore targeted at a reader with the ability to laugh And everyone can if they

choose to Humour is a stress buster the much needed comic relief that s always oxygen when life gets tough and who doesn t have tiresome moments If they have the morning happiness with their sunny side up fried egg so too they may enjoy Funny Side Up Although the poems here are generally under the head of Humour they are a medley of pure fun nonsense satire and tongue in cheek Anuradha Paul has happily indulged in poetic licence and has not only played on words but coined them too Her poetry is said to provides comic relief at poetry meets where they say she conjures up the funny side of life out of the work a day kitchen food parking kids the computer and of course the literary page Humour is not a subject but a way of looking at things In fact when things get too serious all the equipment one has left in one s armory is the ability to view things with a pinch of humour that can lighten the load The fun has been enhanced by Rohan Chakravarty s cartoons He has conceived the character Anna a yours truly look alike who he threads right through all the cartoons in this little book like a comic refrain Cover Design Rohan Chakravarty
