The Tourists Gaze, The Cretans Glance Philip Duke, 2016-07 As researchers bring their analytic skills to bear on contemporary archaeological tourism they find that it is as much about the present as the past Philip Duke's study of tourists gazing at the remains of Bronze Age Crete highlights this nexus between past and present between exotic and mundane Using personal diaries ethnographic interviews site guidebooks and tourist brochures Duke helps us understand the impact that archaeological sites museums and the constructed past have on tourists view of their own culture

how it legitimizes class inequality at home as well as on the island of Crete both Minoan and modern

Histories of Peirene Betsey Ann Robinson, 2011 The Peirene Fountain as described by its first excavator Rufus B Richardson is the most famous fountain of Greece Here is a retrospective of a wellspring of Western civilization distinguished by its long history service to a great ancient city and early identification as the site where Pegasus landed and was tamed by the hero Bellerophon Spanning three millennia and touching a fourth Peirene developed from a nameless spring to a renowned source of inspiration from a busy landmark in Classical Corinth to a quiet churchyard and cemetery in the Byzantine era and finally from free flowing Ottoman fountains back to the streams of the source within a living ruin These histories of Peirene as a spring and as a fountain and of its watery imagery form a rich cultural narrative whose interrelations and meanings are best appreciated when studied together The author deftly describes the evolution of the Fountain of Peirene framed against the underlying landscape and its ancient medieval and modern settlement viewed from the perspective of Corinthian culture and spheres of interaction Published with the assistance of the Getty Foundation Winner of the 2011 Prose Award for Professional and Scholarly Excellence in the category of Archaeology Anthropology The Prose Awards are given annually by the Professional and Scholarly Publishing division of the American Association of Publishers *Greek Art* Michael Byron Norris, 2000 Designed as a tool for educators who wish to teach students about the art of Ancient Greece The text contains readings on Greek culture history and art and is looseleaf bound for easy photocopying Accompanying material includes 20 slides showing various works of Greek art and a card game designed to teach students about some of the myths commonly depicted in Greek art The accompanying CD ROM contains the full text of the book in printable Adobe Acrobat format as well as JPEG files of the images depicted on the slides

Studies in Ancient Greek Topography William Kendrick Pritchett, 1965-01-01 *Johann Michael Wansleben's Travels in Turkey, 1673-1676* Alastair Hamilton, Maurits Van den Boogert, 2023-02-27 Johann Michael Wansleben's Travels in Turkey 1673 1676 is a hitherto unpublished version of a remarkable description of Istanbul Izmir and Bursa by the German scholar traveller Wansleben Wansleben was in the Ottoman Empire to buy manuscripts statuary and curios for the French king but it is his off hand observations about Ottoman society that often make Wansleben's account such a valuable historical source His experiences add to our knowledge of such diverse topics as prostitution in the Ottoman Empire taxation and the French consular system His visit to Bursa is also noteworthy because few Western travellers included the first Ottoman capital in their tours of the East or described it at such length

A Dictionary of the Ancient Greek World David Sacks, 1995 More than four thousand years ago a warrior people invaded the rugged hills and fertile plains of the Balkan Peninsula These people were the ancient Greeks and their legacy to modern global society is immense The Greeks invented democracy narrative history writing stage tragedy and comedy philosophy biological study and political theory They introduced the alphabet to European languages and they developed monumental styles of architecture still used throughout the United States for museums courthouses and other

public buildings They created a system of sports competitions and a cult of physical fitness both of which we have inherited In sculpture they perfected the representation of the human body In geometry they developed theorems and terminology that are still taught in schools They created the idea of national literature with its recognized great writers and the libraries to preserve their work And perhaps what most people would think of first the Greeks bequeathed to us their treasure trove of myths including a hero who remains a favorite today Hercules A Dictionary of the Ancient Greek World assembles the people places events and ideas of this spectacular civilization in one easy to use source With over five hundred entries and more than seventy line drawings this essential A Z reference covers every aspect of Greek civilization from the beginning of Minoan civilization in the third millennium B C to the Roman annexation of mainland Greece in 146 B C Detailing not only the loftiest achievements of the Greeks but also the ordinary facets of their everyday life from the philosophy of Plato to Greek sexual attitudes this extraordinary compendium illuminates the vitality and genius of that influential culture

Encyclopedia of the Ancient Greek World David Sacks,Oswyn Murray,Lisa R. Brody,2014-05-14 Discusses the people places and events found in over 2 000 years of Greek civilization

a high current low voltage dc power supply ieee conference - Dec 09 2022

web oct 25 2001 a high current low voltage dc power supply abstract this paper presents new dc dc power converter topologies that are suitable for high current low voltage applications the proposed dc dc converter consists of a cascade connection of high frequency inverter and a special rectifier topology that is suitable for low voltage

low voltage high frequency high amperage power supply - May 02 2022

web mar 31 2020 you will need a transformer to step down the 220 50 hz to the correct power supply voltage this does not mean that the output of you amplifier has a transformer just the power supply high voltage input low voltage low current power supply 0 pc power supply amperage

switching power supply design for high voltage and current - Apr 01 2022

web may 4 2020 high power systems for high voltage low current or for low voltage high current there are switching regulator ics you can purchase that will include the regulator circuitry you need in this case you need to follow the same strategy for your layout and component selection as you would when working at low power

a low voltage supply from which one needs high currents must - Dec 29 2021

web solution verified by toppr by ohms law $i = \frac{v}{r}$ now if the current required is high the voltage should be high and the

resistance should be low hence a low voltage supply from which one needs high currents must have very low internal resistance solve any question of current electricity with

high voltage low current dc power supply axiom test - Jun 15 2023

web get a high voltage low current dc power supply quickly from us get back to your

precision current measurements on high voltage power supply - Oct 07 2022

web the requirement of monitoring high voltage power rails and interfacing with lower voltage components while being powered by a supply voltage as low as 1.7 v as shown in figure 3 in the event the system is placed into a shutdown or sleep state low voltage supplies powering the adcs microcontrollers and signal path amplifiers
