Blue Moon In Poorwater:

A Blue Moon in Poorwater Cathryn Hankla, 1998 In a sleepy but troubled Appalachian coal mining town a powerfully evocative novel details the coming of age of a young girl Writers and Miners David C. Duke, 2021-10-21 Coal miners evoke admiration and sympathy from the public and writers some seeking a muse others a cause traditionally champion them David C Duke explores more than one hundred years of this tradition in literature poetry drama and film Duke argues that as most writers spoke about rather than to the mining community miners became stock characters in an industrial morality play robbed of individuality or humanity He discusses activist writers such as John Reed Theodore Dreiser and Denise Giardina who assisted striking workers and looks at the writing of miners themselves He examines portrayals of miners from *The Trail of the Lonesome Pine* to *Matewan* and *The Kentucky Cycle* The most comprehensive study on the subject to date *Writers and Miners* investigates the vexed political and creative relationship between activists and artists and those they seek to represent We Were Always Free T. O. Madden, Ann L. Miller, 2005 Like many other southern free Negro families originating in the colonial era when many whites women as well as men were subject to servitude the family of T O Madden Jr began with the birth in 1758 of his great great grandmother Sarah Madden She is one of the two ancestors to whom he dedicates this book Sarah s mother Mary Madden contributed the surname that endured Mary Madden was an Irishwoman who had probably immigrated as a servant a few years before Sarah s birth Although the myths of Virginia would make every colonial who was white into an aristocrat Mary Madden like most eighteenth century Virginians was indigent But unlike many others she was free Of Sarah Madden s father nothing is known The legal definition of mixed race children of blacks and whites had been settled in 1662 when the Virginia legislature enacted laws prohibiting interracial marriages and declaring that children followed the status of their mother Such legislation made children like Sarah Madden free but illegitimate Last Exposures Cathryn Hankla, 2004-01-07 In this powerful poetic sequence wrought of deft tercets Cathryn Hankla navigates the slippery ever changing territory between art and life The death of the poet s father by car accident is the focal event for the collection and all the poems reflect the collision of the physical and transcendent Whether describing the abandoned nest of a Carolina wren or the excavation of the Kennewick Man Hankla sounds a muted grief in these lines But with wit channeled through language and rhythm the poet keeps traveling forward by car and by camel from San Francisco to Spain with many stops between As she takes us with her finally off the map into regions of the interior we discover what is at once weighty and wondrous like ghostly snapshots left behind in a camera Everything and everyone who have carried Us to this place Only Thyme I pull you out by the roots fierce love But you still smell of thyme and lemon What were you thinking to die Instead of wintering after so many seasons Of spring shoots and new greening Surely your gnarled woody fibers Are more alive than they look Yet after patient weeks of rain nothing Grows except the cutting I potted A woolly patch dwarfed by purple basil Making space for new plants I pull up Withered stems baring your roots and The scent runs
