Blue Of Gun Values 26th Edition Blue Of Gun Values:

Blue Book of Gun Values S P Fjestad,1998-04 **Blue Book of Gun Values** Steven P. Fjestad,1992-03 Over one million books in print this new 25th Anniversary Edition Blue Book of Gun Values once again sets the industry standard for up to date firearms information and pricing No other publication is as widely used and recognized If you re going to buy one gun book annually to keep up with the firearms marketplace the 25th Anniversary Edition is the only choice now expanded to almost 1 900 pages and over 15 000 individual listings Why guess when you can be sure Book jacket *Women & Guns*,2006 **Winchester Shotguns** Dennis Adler,2015-11-10 In the study and appreciation of American history and in understanding the crucial role played by firearms in that extraordinary saga one of the most famous gunmakers is Winchester Their products are so much in demand that they indisputably hold the title of the Blue Chips of gun collecting And while a notable amount of literature on these marques has appeared in print much of it from the period of post World War II there are still major categories which demand focused books Such works are in response not only to the need to know from students historians and collectors but also are a powerful reflection of the ever expanding explosion of interest in the magical world of firearms The study of arms is a highly visual and technical pursuit Having the objects sitting on a page as if they are on the reader s desk is a true delight Few photographers can equal those images of excellence And no one today can match his combination of skill aptitude and artistry at doing both text and photographs *Forensic Ballistics in Court* Brian J. Heard,2013-05-13 Forensic Ballistics in Court Interpretation and Presentation of Firearms Evidence is an accessible introduction to firearms and ballistics evidence and how this is analysed and presented as evidence in a court of law The book approaches the subject in terms of the realities of case work opening with a clear and illustrated explanation of the correct nomenclature for various weapon types and their parts Ammunition is also extensively covered again with annotated illustrations Basic external and terminal ballistics wounding capabilities are likewise covered to give an overview of the subject A key aspect of the book covers the theory and philosophy behind striation matches and the associated statistics how positive matches should be peer reviewed and the importance accreditation has on this subject Gunshot residue formation and identification and the various methods used in its analysis are reviewed in depth This includes a critical examination of the pros and cons of each type of examination and the evidential weight which can be applied to each method Accessible and reader friendly introduction to firearms and ballistics Clarifies the limitations of firearms evidence Extensive use of global case studies throughout Focus on the interpretation and assessment of the weight of firearms ballistics evidence presented at court Covers the importance of witness and accused statements and their interpretation in relation to the investigation under review Includes coverage of gunshot residue collection examination and interpretation and the potential for contamination of GSR samples Includes numerous real life case studies that the author has dealt with over the past 45 years Takes an applied approach to the subject The Gun Digest Book of Modern Gun Values Dan Shideler,2005-11-01 Provides values and details

on over 12 000 guns manufactured from 1900 to the present *The Gun Digest Book of Modern Gun Values* Ken Ramage,2001-06 Firearms made since 1900 are far more numerous than those made before 1900 Many of these post 1900 firearms are found at auctions arms retailers in advertisements and as young family heirlooms Much more affordable and plentiful than pre 1900 collector grade arms many of these post 1900 guns are increasingly viewed as collectible valuable assets This all new expanded edition helps collectors identify firearms evaluate conditions and determine values Detailed specifications and current values from specialized experts are provided for domestic and imported handguns rifles shotguns and commemorative firearms Heavily illustrated with more than 8 000 arms each listing includes descriptions and values in three grades of condition according to the NRA s Modern standards A new 8 page color section hosts many popular arms
