

The background of the cover is a stylized illustration. At the top, a large, bright yellow sun or moon with concentric rings is set against a dark blue night sky. Several white, five-pointed stars are scattered across the sky. Below the celestial elements, there are horizontal bands of blue and purple, suggesting a landscape or a reflection. In the foreground, two wine glasses filled with red wine are depicted. The glass on the left is a smaller, rounded glass, while the one on the right is a larger, more traditional wine glass. Both glasses are filled with a deep red liquid. To the right of the glasses, there are stylized, light green leaves and vines. The entire scene is framed by a dark blue border.

Blue Wine and Other Poems John Hollander, 1979-03-23 Poems on painting and sculpture in which Hollander examines the static dynamic interaction of life and art are balanced against a graceful lyric cycle which is itself a commentary on the meaning of art songs The longer poems in this volume move beyond Hollander's unique blend of meditative elegance closely observed detail and learned wit to explore even further the realms of mythological vision beyond the boundaries of easy irony

American Poetry and Culture, 1945-1980 Robert Von Hallberg, 1985 Challenging the common perception of poets as standing apart from the mainstream of American culture Robert von Hallberg gives us a fresh and unpredictable assessment of the poetry that has come directly out of the American experience since 1945 Who reads contemporary American poetry More people than were reading new poetry in the 1920s von Hallberg shows How do poets respond to the public preoccupations of their readers Often with fascination Von Hallberg put the poems of Robert Creeley and John Ashbery together with the postwar outburst of systems analysis The 1950s tourist poems of John Hollander Adrienne Rich W S Merwin and James Merrill are treated as the cultural side of America's postwar rise to global political power There are chapters on the political poems of the 1950s and 1960s and on Robert Lowell's sympathy for the imperialism of his liberal contemporaries Poems of the 1970s on pop culture especially Edward Dorn's Slinger and some from the suburbs of the 1980s

are shown to reflect a curious peace between the literary and the mass cultures

The World Below the Window William Jay Smith, 2001-04 This selection of William Jay Smith's work of sixty years covers the entire career of one of America's acknowledged poetic masters. It moves from the dark pre-war lyrics *Quail in Autumn* to the powerful long-lined free verse of the 1960s *The Tin Can*. Here are memorable WWII lyrics *Dark Valentine* and masterful light verse *The Tall Poets* displaying the wit that enlivens all of Smith's work. Previously uncollected poems range from a haunting delineation of the ironies of age in *The Shipwreck* to the dramatic intensity of *The Cherokee Lottery* which deals with the forced removal of Indian tribes east of the Mississippi. Praise for William Jay Smith: A most gifted and original poet. One of the very few who cannot be confused with anybody else. Richard Wilbur. William Jay Smith has been one of our best poets for more than sixty years and *The Cherokee Lottery* is his masterwork: taut, harrowing, eloquent and profoundly memorable. Harold Bloom. His best poems are unlike anything else in contemporary American literature. Although often based on realistic situations, Smith's compressed formal lyrics develop language musically in a way which summons an intricate dreamlike set of images and associations. Dana Gioia. William Jay Smith has given us many of the truest and purest poems an American has written: the most resonantly musical, the most magical. X J Kennedy

[The Khayyam Suite](#) Charles Martin, 2025-03-04 A rich collection of poems inspired by the Persian lyric tradition. In *The Khayyam Suite*, acclaimed poet Charles Martin explores both the profound and the personal in verse that celebrates the spectrum of human experience. At the heart of this collection is a study of the *Rubaiyat*, the renowned poem cycle attributed to the Persian poet Omar Khayyam. Martin pays homage to Khayyam's classical Persian poetic form, the *ghazal*, by infusing it with contemporary sensibilities, creating a rich tapestry of contemplation and artistry. By seamlessly blending Eastern and Western poetic traditions, Martin offers a unique and thought-provoking perspective on timeless questions that have captivated philosophers and poets throughout the ages. Each long poem consists of forty quatrains mirroring those of Khayyam's. Martin's verses reflect on modern existential dilemmas, environmental crises, and the intricacies of personal relationships. From the haunting feeling of *On the Coming Extinctions* to the stark socioeconomic commentary in *On Capital*, each poem invites the reader into a contemplative dialogue with the self. Martin's poems are both a mirror and a window to the soul, reflecting personal histories and illuminating the universal human condition. This collection, imbued with the lyrical charm and intellectual depth of Martin's writing, is a profound commentary on love, loss, and the fleeting nature of life

Figurehead John Hollander,2009-05-06 In a major review in The New Republic of John Hollander's two earlier books Tesseræ and Selected Poetry both 1993 Vernon Shetley said John Hollander's poetry has shown a visionary power just often enough to secure him a place as one of the major figures of our moment Figurehead a lively varied and technically dazzling book confirms the statement made by Henry Taylor in the Washington Times John Hollander revels in technical challenges of unusual severity and complexity yet most of his poems also have the emotional heft of something worth pausing over and remembering One of the most gifted of W H Auden's

choices for the Yale Series of Younger Poets Hollander has pursued the wide range and metrical brilliance of Auden's own poetry so that this new book exhibits both a large compass of subject matter from philosophical matters to personal narrative and as usual some astonishing meditations on paintings here by Charles Sheeler, René Magritte and Edward Hopper. By turns witty, touching, profound, mocking, ingenious and always clever, Hollander's poems are a joy for the reader. He is a modern master.

The Run of the House Wyatt Prunty, 1993-05-01 The word of Wyatt Prunty has been acclaimed by critics and poets alike. In this latest book of poems Prunty finds beauty and violence, mystery and humor in a variety of private and public worlds.

In Time and Place John Hollander, 1986-10-01 In this major new collection John Hollander displays the elegance, versatility and wit that mark him as perhaps the most urbane poet in America. *In Time and Place* features a generous offering of new verse, an extended prose piece and a series of prose poems previously available only in a rare, privately published edition. The tightly rhymed quatrains of the new poems demonstrate once again the freedom Hollander achieves through mastery of form. The consummate control with which he writes in memoriam to a lost love and a time of absence gives him opportunities to move through dimensions most poets never see. His purgatorial mock journal dwelling on loss and gain, on difference and effacement, on places and the place of writing leads into a sequence of captivating prose poems where imagination centers on the word and language celebrates its own creation.

American Literature from 1945 Through Today Adam Augustyn, Assistant Manager and Assistant Editor, *Literature*, 2010-08-15 Explores the works and writers from post World War II America to today, including Stephen Crane, Arthur Miller and Allen Ginsberg.

Selected Poems Hélène Aji, Jennifer Kilgore-Caradec, 2013-01-16 Complete poems are bulky and too heavy to carry around. Collected poems pretend to be complete but usually are not. Selected poems are altogether unpretentious and reader friendly. But they can be problematic. Who decides what poems are important for inclusion in a volume of selected poems? When the selection occurs during the author's lifetime, may one assume that the author was involved? What motivates the choice of one poem over another? How do readers' preferences influence this choice? How do new readers and familiar readers of a poet negotiate the poems that are left out of the selection? The essays in this volume address these questions in a variety of ways and also provide an overview of poetic writing from modernist poets to the present day, using selections from the 1940s until now. They offer new insight into the uses, both pedagogical and critical, of selection. Because *Selected Poems* usually address a large general public, these essays have also been written for all those who wish to know more about how these slimmer, more attractive volumes are produced.

Claims for Poetry Donald Hall, 1982 A collection of essays by contemporary American poets on the subject of their art.

Dark Horses X. J. Kennedy, 1992-10-01 In *Dark Horses*, prize-winning poet X. J. Kennedy gathers forty-two new poems rich in sound and sense. All display uncommon skill and an ability to treat matters both timeless and contemporary. From the lighthearted ballad "Dancing with the Poets at Piggy's" to the darkly meditative lyric "The Waterbury Cross," the poems show Kennedy's wide range. There are intimate portraits of a woman veterinarian and a young

man dying of AIDS a song about the Sri Lankan festival of Buddha's tooth and a stark account of a confrontation with a homeless panhandler Emily Dickinson Leaves a Message to the World on the newly installed answering machine in her Amherst homestead Finding a Woodpile Skull the severed head of a black ant makes the poet laugh at his own expense as he plays ham Hamlet to a formic Yorick Enlivened by X J Kennedy's sardonic humor wit and insight into the human condition the dark horses of this newest collection represent the finely crafted work of one of America's best known and most widely respected poets

The Heisenberg Variations John Bricuth, 1988 Winner of the Helen C Smith Memorial Award for the Best Book in Poetry Texas Institute of Letters John Bricuth treats the world with extraordinary wit and subtle humor rare enough qualities in much twentieth century poetry Bricuth writes with gusto on a variety of subjects from the act of writing poetry to the lives of Glenn Miller and Laurel and Hardy His rare command of verse forms and wide range of tone make his work a distinctive addition to contemporary American poetry
