Tending the Heart of Virtue: How Classic Stories Awaken a Childs Moral Imagination Vigen Guroian,2002-01-14 As the popularity of William Bennetts Book of Virtues attests parents are turning more and more to childrens literature to help instill values in their kids Now in this elegantly written and passionate book Vigen Guroian provides the perfect complement to books such as Bennetts offering parents and teachers a much needed roadmap to some of our finest childrens stories Guroian illuminates the complex ways in which fairy tales and fantasies educate the moral imagination from earliest

childhood Examining a wide range of stories from Pinocchio and The Little Mermaid to Charlottes Web The Velveteen Rabbit The Wind in the Willows and the Chronicles of Narnia he argues that these tales capture the meaning of morality through vivid depictions of the struggle between good and evil in which characters must make difficult choices between right and wrong or heroes and villains contest the very fate of imaginary worlds Character and the virtues are depicted compellingly in these stories the virtues glimmer as if in a looking glass and wickedness and deception are unmasked of their pretensions to goodness and truth We are made to face the unvarnished truth about ourselves and what kind of people we want to be Throughout Guroian highlights the classical moral virtues such as courage goodness and honesty especially as they are understood in traditional Christianity At the same time he so persuasively evokes the enduring charm of these familiar works that many readers will be inspired to reread their favorites and explore those they may have missed
