## **The Secret Marriage of Sherlock Holmes and Other Eccentric Readings**

Michael Atkinson, 2009-10-27 The Secret Marriage of Sherlock Holmes is about reading a process that we take for granted But Sherlock Holmes the cultural icon to whose exploits Michael Atkinson gives new readings became famous by taking nothing for granted Holmes's adventures can be read in new ways including ways that he himself would have found startling but which can give contemporary readers satisfaction In clear accessible prose that will engage specialists and lay readers alike Atkinson engages in a series of flirtations with nine of Arthur Conan Doyle's favorite detective fictions using the tools of modern literary theory from depth psychology to deconstruction Bluebeard the kundalini serpent and Conan Doyle's mother pop up alongside Jung Nietzsche and Derrida as guides to new understandings of these classic stories Just as Holmes uses treatises on tobacco ash and tattoos to give fresh readings to puzzling facts Atkinson employs widely different critical strategies to unravel the mysteries of reading itself What a delightful book This is surely the most interesting writing you will ever read about Sherlock Holmes but it is much more Michael Atkinson gives us literary criticism at its best the sheer fun of watching a bold and imaginative reader breathe into well loved but well worn fictions new and enchanting life Atkinson's mind races as nimbly as Holmes's own and he makes the stories our hansom cab through human nature itself A tour de force Norman N Holland author of *Murder in a Dephi Seminar* A book that speaks directly to readers Atkinson sees far beneath the surface of the Sherlock stories to provide fascinating commentary Cincinnati Post Atkinson demonstrates a love and knowledge of the Holmes stories I would recommend *The Secret Marriage of Sherlock Holmes* enthusiastically to any lover of the Canon who is prepared to have their perceptions widened *Mystery Writers of America* Michael Atkinson is Professor of English and Comparative Literature University of Cincinnati

Tales of Bluebeard and His Wives from Late Antiquity to Postmodern Times Shuli Barzilai, 2013-01-11 This project provides an in depth study of narratives about Bluebeard and his wives or narratives with identifiable Bluebeard motifs and the intertextual and extratextual personal political literary and sociocultural factors that have made the tale a particularly fertile ground for an author s adaptation of the story Whereas Charles Dickens for example expresses a sympathetic identification with Bluebeard and a discernable strain of misogyny emerges in his recreation of the tale and recurrent allusions to it his contemporary William Makepeace Thackeray uses the tale as a springboard for his critique of avarice hypocrisy pretension and the subjugation of women in Victorian society *Gothic Cinema* Katharina Rein, 2023-06-29 *Gothic Cinema* closes a gap in German language film discourse for the first time the volume sheds light on a hitherto little discussed film context It considers Gothic Cinema as a form of unofficial historiography that allows a look not only at the history of film and its technique but also at moral concepts gender relations collective fears or aesthetic currents A delimitation and definition of the term and the central elements of the Gothic are followed by a comprehensive historical overview from 1896 to the present day Three in depth analyses of individual post 2015 gothic films and television series round out the review On the one hand the examples examined are representative in terms of typical elements motifs or topoi and on the other hand they exhibit peculiarities and breaks that prove fruitful for a cultural and media studies investigation We who Live Apart Joan Connor, 2000 In *We Who Live Apart* Joan Connor returns to the dark New England of her earlier collection and the wry characters who inhabit it a hunter who has spent too much time listening to the woods a ferryman whose emotional seclusion leads to a doomed longing for a summer girl a carnival diviner whose cards foretell her desertion a corpse who out of sheer meanness will not stay below ground Although childlessness divorce and alcoholism are recurrent motifs that underscore the estrangement of many characters the moods of the stories are rarely bleak Humor figures in often as do elements of the folktale and the supernatural Despite the stylistic variety in these stories there is a shared vision of isolation in which characters wittingly and unwittingly ensure their separateness and even come to treasure it As the narrator says in *The Anecdote of the Island* After a year of debate it conduces to this I watch you leave as you once watched me Our cars separate at the base of a hill You diminish to a speck in my rearview mirror When I look for you I stare into my own eyes looking for you And I begin to think that what you want is not love but the hope for love Its remoteness Its shadow self You linger in dark

places Indeed many of these characters linger in dark places but without giving in to despair In October a recovering alcoholic surprises herself and begins to risk the beginnings of reconnection And in Women s Problems a character coping with the loss of her lover and then her mother manages to transmute loss to gain with the triumphant realization that she has become her mother and that indeed Worse things could happen For these characters their apartness is as often a choice as a consequence but the choice has a consequence When Bluebeard s wife escapes her murderous husband and her fairy tale narrative in Bluebeard s First Wife she finds that Ordinarieness sat upon her shoulders like a weather eroded gargyle Whether these characters isolate themselves or find themselves isolated by nets of personal and communal history they move to wisdom rather than despondency Connor displays a keen ear for language and a mastery of prose rhythms and dialogue Her writing which is often lyrical in the best sense amply repays the effort of rereading and reflection and the variety of narrative techniques sustains the reader s interest Pioneer Violin Virtuose in the Early Twentieth Century Tatjana Goldberg,2019-05-24 Tatjana Goldberg reveals the extent to which gender and socially constructed identity influenced female violinists separate but unequal status in a great male dominated virtuoso lineage by focussing on the few that stood out the American Maud Powell 1867 1920 Australian born Alma Moodie 1898 1943 and the British Marie Hall 1884 1956 Despite breaking down traditional gender based patriarchal social and cultural norms becoming celebrated soloists and greatly contributing towards violin works and the early recording industry Powell and Hall they received little historical recognition Goldberg provides a more complete picture of their artistic achievements and the impact they had on audiences

**Scheherazade's Children** Philip F. Kennedy,Marina Warner,2013-11-08 Scheherazade s Children gathers together leading scholars to explore the reverberations of the tales of the Arabian Nights across a startlingly wide and transnational range of cultural endeavors The contributors drawn from a wide array of disciplines extend their inquiries into the book s metamorphoses on stage and screen as well as in literature from India to Japan from Sanskrit mythology to British pantomime from Baroque opera to puppet shows Their highly original research illuminates little known manifestations of the Nights and provides unexpected contexts for understanding the book s complex history Polemical issues are thereby given unprecedented and enlightening interpretations Organized under the rubrics of Translating Engaging and Staging these essays view the Nights corpus as a uniquely accretive cultural bundle that absorbs the works upon which it has exerted influence In this view the Arabian Nights is a dynamic living and breathing cross cultural phenomenon that has left its mark on fields as disparate as the European novel and early Indian cinema While scholarly the writers approach is also lively and entertaining and the book is richly illustrated with unusual materials to deliver a sparkling and highly original exploration of the Arabian Nights radiating influence on world literature performance and culture The Bloody Key L.J.

Thomas,2023-04-25 Fifteen year old Anne tends goats while daydreaming of fairy tales until the day she finds herself in one

When a wealthy nobleman marries her older sister they're both swept off to his castle deep in the woods. Upon entering this world of finery, lush gardens, and nightly balls with dashing suitors, Anne believes her own happily ever after is just around the corner. She has almost forgotten the rumors surrounding the estate: tales of the castle's tragic history and whispers of ghosts when her sister falls mysteriously ill. To save her, Anne must uncover the shadowy pasts of those who share her new home. Her sister's husband refuses to speak of the disappearance of his last wife, or possibly wives; the domineering housekeeper hides her own secrets in a forbidden garden; and the handsome enigmatic gardener urges Anne to escape the castle and leave her sister behind. There are signs too that something dark and supernatural haunts the estate. If Anne misplaces her trust or fails to discover where the real danger lies, she'll forfeit her sister's life and her own. Told through the diaries and letters of those who live within the castle, this reimagining of the Bluebeard fairy tale is perfect for fans of *Crimson Peak*. Erin A. Craig's *House of Salt and Sorrows*. Lyndall Clipstone's *Lakesedge* or classic Gothic horror.
