Blind Faith Recognizing And Recovering From Dysfunctional Religious Groups

Andy J. Johnson

Blind Faith Recognizing And Recovering From Dysfunctional Religious Groups:

Blind Faith Kay Marie Porterfield,1993 A revealing look at the inner workings of dysfunctional religious groups and the people who join them Feelings of bitterness betrayal and remorse are all too common In this insightful book Porterfield explains why adult children are vulnerable to religious abuse and provides guidelines for recognizing dysfunctional groups

Walking Away from Jesus - Leaving Christian Conservative Evangelical Fundamentalism Robert Laynton,2013-03-17 What is it like to walk away from a close knit fellowship into the wider world of unbelievers What is it like to walk away from Jesus In this book Robert Laynton takes you on a journey out of conservative evangelicalism describing both his personal experience and his theological rationale for leaving the faith It is a journey that took him over forty years to complete and one that takes some surprising twists and turns This second edition has been thoroughly updated revised and expanded in order to bring the author s story up to date and to include material on inner spirituality and mysticism

Bioethics Megan-Jane Johnstone,2008-11-04 The 5th edition of Bioethics provides nursing students with the necessary knowledge and understanding of the ethical issues effecting nursing practice Groundbreaking in its first edition Bioethics continues its role as a vital component of nursing education and provides a framework for students to understand the obligations responsibilities and ethical challenges they will be presented with throughout their careers This latest edition responds to new and emerging developments in the field and marks a significant turning point in nursing ethics in that it serves not only to inform but also to revitalise and progress debate on the issues presented

Understanding New Religious Movements John A. Saliba,2003 After opening with a broad overview of the new religious movements in contemporary Western culture including the Hare Krishna movement Transcendental Meditation Scientology and the Unification Church Saliba a Jesuit priest and professor of religious studies examines them from sociological psychological legal and theological perspectives He contends that less fear and more understanding may help bring about a better relationship between parents and their children who have become involved in new religious movements and help others who have contact with these movements

Annotation copyright by Book News Inc Portland OR The Fundamentals of Extremism Kimberley Blaker,2003 The politics educational policies and social values perpetuated by Christian fundamentalists are exposed in this critical perspective on the religious right s role in American society Statistics and studies of the movement are offered that provide insight into the causes and characteristics of fundamentalism and its effects on minority groups including women children African Americans gays and lesbians Essays from a variety of authors consider the path to theocracy the effect of the theology of inerrancy on politics and the state of fundamentalism in the United States after the September 11 2001 terrorist attacks

Perspectives on New Religious Movements John A. Saliba,2016-10-06 This book provides a dispassionate analysis of new religious movements charting their growth and examining them from a variety of perspectives sociological psychological legal and theological Saliba then questions whether or not membership harms those who join these new movements and assesses the

charge that they brainwash their adherents Rogue Clerics Anson Shupe, 2017-09-08 During the past several years the mass media in the United States has been awash with reports of priestly pedophilia ecclesiastical cover up and clerical intimidation or financial settlements intended to silence victims Based on journalistic accounts or scholarly research it might be assumed that this is a recent phenomenon Journalist reports began only within the past few years Similarly most sociologists of religion and particularly specialists in deviance and criminology did not reflect awareness of clerical misbehavior in their work Despite this Anson Shupe shows that clergy deviance whether it is sexual or otherwise is not merely a recent problem It is as old as the church itself and is inevitably bound to recur due to the nature of religious groups This comprehensive analysis offers the first up to date analysis of sexual economic and authoritative clergy malfeasance across faiths and denominational authority structures Drawing on examples taken from antiquity up until the present day and using reports by historians theologians church spokespersons therapists social scientists and journalists Shupe critically evaluates clergy deviant behavior dividing it into various types He also makes use of the therapeutic literature addressing victimization at the level of the individual church and community at large In this way he compares the response of the clergy to victims attempts to mobilize movements calling for church reform Perhaps most controversial this book considers the possible relationship of homosexuality in the clergy to the occurrences of scandals in all religious traditions across the board As an overview of clergy misconduct this book is singular There is simply no other comprehensive serious examination of this subject Written by a sociologist for a wide range of readers its multi disciplinary nature vivid examples and wealth of research will make the volume of interest to sociologists of religion and crime historians and theologians as well as a general public

Forthcoming Books Rose Arny, 1997 **The Cult Observer**, 1994 *Reporting Child Abuse* Megan-Jane Johnstone, 1999 American Book Publishing Record Cumulative 1993 R R Bowker Publishing, 1994-03 Cited in BCL3

Sheehy and Walford Compiled from the 12 monthly issues of the ABPR this edition of the annual cumulation lists by Dewey sequence some 41 700 titles for books published or distributed in the US Entry information is derived from MARC II tapes and books submitted to R R Bowker an *Books in Print*, 1994 **The Cumulative Book Index**, 1995 A world list of books in the English language **Paperbound Books in Print**, 1992 **A Poet's Ashram** Sukalyan Chanda, 2025-01-24

The remarkably creative life Rabindranath Tagore 1861 1941 lived has long been an area of scholarly enquiry Yet surprisingly his role as the founder of an experimental ashram community remains unexplored A Poet's Ashram retrieves his idea of his ashram through an exploration of his writings on the institutions he built The ashram community Tagore endeavoured to create in Santiniketan during the period 1901 1941 was his response to the question of modernity Through his effort to reinvent the ancient Indian ideal of the ashram he articulated his idea of a mode of collective living that was meant to be grounded in a set of ethical values derived from India's civilizational inheritance This book traces the history of how his ashram school evolved into a community that practised egalitarianism inclusiveness and creativity through its daily

existence It explores a range of nineteenth and twentieth century discourses and Tagore s engagement with them in order to situate that idea within its historical context a critical juncture in the history of modern India and the world This book s reading of his project unravels its anti colonial underpinnings and the commonalities it shared with some of the other similar experimental communities that challenged illiberal ideologies and power relations during the early twentieth century Meticulously researched and perceptively written this book will be of interest to students and researchers of history political science culture studies and postcolonial studies It will also be of interest to educationists educators and those interested in colonial modernity modern Indian history philosophy of education institution building peace inclusivity and sustainability

Psychology, Symbolism, and the Sacred S. T. Manning, 2004 One in a very long while a book like this comes along offering startling insights into the very nature of being Innovative and provocative Manning presents a courageous and penetrating inside look into the convoluted religious world and offers some truly original formulas for dealing with society s current religious problems This stirring original book draws upon colorful and dramatic proofs in history mythology science and psychology to candidly confront religious fundamentalism probably the greatest menace facing our world today

Religion and Men's Violence Against Women Andy J. Johnson, 2015-04-14 This reference offers the nuanced understanding and practical guidance needed to address domestic violence sexual assault and human trafficking in diverse religious communities Introductory chapters sort through the complexities from abusers distorting of sacred texts to justifying their actions to survivors conflicting feelings toward their faith The core of the book surveys findings on gender violence across Christian Jewish Islamic Eastern and Indigenous traditions both attitudes that promote abuse and spiritual resources that can be used to promote healing Best practices are included for appropriate treatment of survivors their children and abusers and for partnering with communities and clergy toward stemming violence against women Among the topics featured Ecclesiastical policies vs lived social relationships gender parity attitudes and ethics Women s spiritual struggles and resources to cope with intimate partner aggression Christian stereotypes and violence against North America s native women Addressing intimate partner violence in rural church communities Collaboration between community service agencies and faith based institutions Providing hope in faith communities creating a domestic violence policy for families Religion and Men s Violence against Women will gain a wide audience among psychologists social workers marriage and family therapists and other mental health professionals who treat religious clients or specialize in treating survivors and perpetrators of domestic and intimate partner violence stalking sexual assault rape or human trafficking **Feminist-Free Marriage** Conrad Riker, 101-01-01 Do you feel like modern marriage has turned into a battlefield where men are always the villains Are you tired of being told that your masculinity is toxic What if you could reclaim your role as a leader and provider without being demonized Inside this book Discover why traditional marriage works better for both men and women Learn how to navigate the modern dating world without falling into feminist traps Understand the real sacrifices men make in

marriage and why they matter Find out how to build a strong lasting relationship based on mutual respect Get the truth about male sexuality and why it s not something to be ashamed of See how feminism has distorted the concept of consent in marriage Learn why monogamy benefits men just as much as it does women Discover the power of male leadership in creating a happy stable home If you want to take back control of your marriage and your life then buy this book today

The Congruence of People and Organizations Lloyd C. Williams,1993-01-21 This book explains in theoretical and practical terms the creation of effective change within organizations The book states that dysfunction is a current fact of life creating chronic problems for people and organizational systems The author describes the basis for dysfunction and develops an effective belief system that can guide personal and organizational functioning Specifically the author defines the parameters of creating effective balance and through three primary cases city government utility corporations and gay lesbian organizations shows how dysfunction can guide personal and organizational action The author displays an abiding belief that change should occur only when people and systems begin to experience dysfunction He describes a process for change and effectively walks the manager professional consultant student or faculty person through creating balance change and congruence for the long term

The Hare Krishna Movement Edwin Bryant,Maria Ekstrand,2004-06-23 Dancing and chanting with their shaven heads and saffron robes Hare Krishnas presented the most visible face of any of the eastern religions transplanted to the West during the sixties and seventies Yet few people know much about them This comprehensive study includes more than twenty contributions from members ex members and academics who have followed the Hare Krishna movement for years Since the death of its founder the movement also known as the International Society for Krishna Consciousness ISKCON has experienced debates over the roles of authority heresy and dissent which have led to the development of several splinter movements There is a growing women s rights movement and a highly publicized child abuse scandal Providing a privileged look at the people and issues shaping ISKCON this volume also offers insight into the complex factors surrounding the emergence of religious traditions including early Christianity as well as a glimpse of the original seeds and the germinating stages of a religious tradition putting down roots in foreign soil
