## **Blind On The Temple:**

*Disability Studies and the Hebrew Bible* Jeremy Schipper, 2009-04-01 This unique interdisciplinary book uses a fresh approach to explore issues of disability in the Hebrew Bible It examines how disability functions in the David Story 1 Samuel 16 1 Kings 2 by paying special attention to Mephibosheth the only biblical character with a disability as a sustained character trait The David Story contains some of the Bible s most striking images of disability Nonetheless interpreters tend to focus on legal material rather than narratives when studying disability in the Hebrew Bible Often they neglect the David Story s complex use of disability They overlook its use of disability imagery as open to critical interpretation because its stereotypical meanings may seem so commonplace and transparent Yet recent work in the burgeoning field of disability studies presents disability as a complicated motif that demands more critical engagement than it typically receives Informed by exciting developments in the field it argues that the David Story employs disability imagery as a subtle mode of narrating and organizing various ideological positions regarding national identity

*Blind in Early Modern Japan* Wei Yu Wayne Tan, 2022-09-06 A history of the blind in Japan that challenges contemporary notions of disability "The Poor, the Crippled, the Blind, and the Lame" Louise A. Gosbell, 2018-08-03 The New Testament gospels feature numerous social exchanges between Jesus and people with various physical and sensory disabilities Despite this traditional biblical scholarship has not seen these people as agents in their own right but existing only to highlight the actions of Jesus as a miracle worker In this study Louise A Gosbell uses disability as a lens through which to explore a number of these passages anew Using the cultural model of disability as the theoretical basis she explores the way that the gospel writers as with other writers of the ancient world used the language of disability as a means of understanding organising and interpreting the experiences of humanity Her investigation highlights the ways in which the gospel writers reinforce and reflect as well as subvert culturally driven constructions of disability in the ancient world

**Blind on the Temple** John M. Bennett, 1993-01-01 **The Bible Knowledge Background Commentary** Craig A. Evans, 2003 A book by book chapter by chapter detailed look at the historical geographical cultural and economic background of the New Testament A window is opened to the setting of the New Testament enabling a better understanding of Jesus words and life

*Matthew: Jimmy Swaggart Bible Commentary* Jimmy Swaggart, 1996 MATTHEW BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to

add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God

**Christ the King** Shirley Lucass,2019-03-12 How foolish you are and how slow to believe all that the prophets have spoken Did not the Messiah have to suffer these things and then enter his glory And beginning with Moses and all the Prophets he explained to them what was said in all the Scriptures concerning himself Luke 24 25 27 There s a selfish part of me that wanted to write everything that I know at this point and the amateur in me wanted to write it all in one book on the definitive way of understanding Jesus through the Jewish Festivals and through the themes that emerge but I felt the Lord had commissioned me to sing a new song not a whole opera just one song that told the story a royal ballad If we understand kingship as the background and framework into which all the other stories fit then we will be a good way along the path of understanding what it was that Jesus was trying to explain to the disciples This road to Emmaus won t tell us everything but it will have started us off on a journey with signposts we can continue to follow all our lives *The Meaning and Use of Baptizein* Thomas Jefferson Conant,1866 The interlinear literal translation of the Greek New Testament George Ricker Berry,1897 **The treasury harmony of the four Evangelists, according to Grewell's 'Harmonia evangelica', having Scripture illustr., notes etc., compiled by R. Mimpriss** Robert Mimpriss,1849 The Four Gospels, and Acts of the Apostles ,1861 *I & II Samuel* R. P. Gordon,1999-10-13 Robert P Gordon has provided us with a substantial commentary on the English text of the books of Samuel concentrating on exegesis but also paying attention to linguistic and textual problems I have not tried to Christianize 1 and 2 Samuel at every conceivable point Often as I have sought to show in the brief introductory section comparison and the only way to arrive at sensible conclusions in this matter is first to appreciate the Old Testament for its own sake that is in its own literary historical cultural and theological contexts That is principally what this commentary is about **Old and New** Morna D. Hooker,2024-04-17 This collection of essays by Morna D Hooker deals with the theme of continuity and discontinuity primarily between first century Judaism and early Christianity and explores the ways in which New Testament writers drew on their own cultures and previous beliefs in interpreting their experience of Jesus Commentary on the Gospel According to St. Matthew William Bruce,1870 *A Paraphrase on the New Testament, with notes, doctrinal and practical ... by the late Rev. Mr. Richard Baxter ... Together with a sketch of the author's life. [With the text.]* ,1798 **A scriptural commentary on the Book of Genesis and the Gospel according to st. Matthew, the text, with marginal references in the words of Scripture, by C.L. Coghlan** Charles Lambert Coghlan,1832 **A Scriptural Commentary on the Book of Genesis and the Gospel According to St. Matthew, Comprising the Sacred Text of These Books, with ... Marginal References ... By the Rev. C. L. Coghlan** ,1832 **The Family Expositor** Philip Doddridge,1740 *Temples in Transformation* Filip Čapek,2023 The focus of this

book is on temples in the Southern Levant during the Iron Age ca 1200 600 BC and their transformations In order to capture the long term context some significant sites with temples from the Late Bronze Age are also presented and discussed The author traces both material culture related to the temples and the way in which the same themes are treated in Old Testament texts concentrated primarily on Israel and Judah From the analysis of these texts he deduces a threefold transformation of the form of memory in relation to the temples and the cult The first concerns a contrastive reshaping Philistia and other neighbouring political entities the second an external Israel and the third an internal Judah silencing of the actual form of religious practice in the Iron Age      **The New Testament of Our Lord and Savior Jesus Christ** ,1882
