Blind Side Of The Heart:

The blind side of the heart Frances Elizabeth Crichton,1915 **"An Anarchy in the Mind and in the Heart"** Ellen M. Wolff,2006 This is a study of some of Anglo Ireland s most compelling twentieth century attempts at self representation In contrast to formative studies that read Anglo Irish fiction as a predictably colonialist literature that nostalgically champions ruling class culture the author argues that novels by such authors as Molly Keane Elizabeth Bowen and Samuel Beckett are in fact richly textured narratives that sustain continuous debates with their own visions and revisions of history and culture The book contributes to the ongoing effort in Irish cultural studies to analyze myths and stereotypes that have been both symptom and cause of Irish troubles past and present and helps destabilize problematically binary terminologies toward which discourse about postcoloniality can tend In the process the author refines received ideas about literary modernism and post modernism and suggests failings in the prevailing theory and practice of ideology critique Ellen M Wolff is Eleanor Gwin Ellis Instructor in English at Phillips Exeter Academy *Race to the Heart* , Winning the Teacher's Heart Jean C.
