Blindsided Fbi Special Operations:

Blindsided Michael M. Clarke, 2002-07 Join agents of the FBI's Special Operations Unit SOU on an international adventure into the unknown When Special Agent Marshal King finds his investigation crossing over into the twisted domain of a sadistic serial killer all hell breaks loose The action never stops in this fast paced fictional story From undercover assignments and air ops to FBI tactical assaults this book will entertain both professionals who are in the business and arm chair warriors alike BLINDSIDED offers the reader an inside glimpse into the world of FBI special operations All author proceeds of this book will be donated to the victims of the September 11th 2001 terrorist attacks **Blindside** GJ Moffat, 2011-07-21 Alex Cahill and Logan Finch return in the gripping third novel in GJ Moffat's Glasgow set crime series When a passenger jet crashes in Denver Colorado nobody survives In Glasgow Alex Cahill is surprised to receive a phone call from the wife of an old Secret Service colleague who was supposedly travelling on the doomed plane But there is no record of his name on the passenger list Cahill uses his connections to find out what has happened but no one is talking Not even to him Enlisting the help of his lawyer and friend Logan Finch Cahill is determined to get some answers Logan's girlfriend DCI Rebecca Irvine is also looking for answers A new drug is killing users but is it accidental death or could it be homicide As Rebecca searches the streets of Glasgow and Cahill and Logan head to Denver they are unaware that a perfect storm of events across the globe is about to engulf them all *Safe Zone* Thomas G. Blacklock, 2007-08-27 The premise of this work of fiction is that major Mexican drug traffickers can operate with impunity in Mexico enjoying the protection of the Mexican Government as they flood the United States with heroin cocaine methamphetamine and marijuana The heroes of this work of fiction have likened the Mexican Government protection of drug traffickers to the protection the North Vietnamese Army and Viet Cong received from the governments of Cambodia and Laos during the Vietnamese War As veterans of that war my heroes witnessed how these governments provided safe zones for the North Vietnamese Army and Viet Cong from the American Military and as Veteran DEA Special Agents can see how the same thing is happening in Mexico with major drug traffickers who have the financial means to buy off any government official Using a Special Operations Team originally assigned to Bolivia to sneak into Mexico and do unilateral enforcement operations in Mexico my heroes not only hope to wreck havoc with the major traffickers but also hope to send a signal to those in the Mexican government who choose to protect these traffickers that they can not offer the traffickers a Safe Zone Foreign Operations, Export Financing, and Related Programs Appropriations for Fiscal Year 1996 United States.
