CANADA 2024 AWARDS OF EXCELLENCE FINALIST Hidden away and decaying for decades a cryptic mural holds deadly
clues in this intoxicating mix of art murder and buried secrets perfect for fans of Simone St James It was a blood curdling
crime that rocked the town to its core leaving some with permanent scars and others with deep regrets A young girl had
been brutally slain Memories were beginning to fade but during the renovation of the old parsonage the murder rears its ugly
head again when workers discover a time ravaged portrait of the young victim Conservator Annora Garde is hired by the
local police to clean the painting and expose what lies buried within it Inspector Scott Mac MacGowan is convinced the mural
is a cryptic confession that will solve the cold case but it s looking more and more like someone will do whatever it takes to
keep the past in the past Together Mac and Annora struggle to put the pieces of the puzzle together in order to provide
closure to surviving family members Toxic mold obscures blood chilling clues and the painting has an eerie life of its own
Annora is haunted by what she reveals by the dirt she digs up by her own tragic losses and perhaps even by the young victim
herself As she closes in on the killer the killer inches ever closer to her and she will come face to face with a brutal truth
