The Blithedale Romance Illustrated Nathaniel Hawthorne, 2020-12-06 The Blithedale Romance 1852 is Nathaniel

Hawthorne's third major romance. In Hawthorne 1879 Henry James called it the lightest the brightest the liveliest of Hawthorne's unhumorous fictions. The story takes place primarily in the utopian community of Blithedale presumably in the mid 1800s. The main character Miles Coverdale embarks on a quest for the betterment of the world through the agrarian lifestyle and community of the Blithedale Farm. The story begins with a conversation between Coverdale and Old Moodie, a character who reappears throughout the story. The legend of the mysterious Veiled Lady is introduced; she is a popular clairvoyant who disappears unannounced from the social scene. Coverdale then makes the voyage to Blithedale where he is introduced to such characters as Zenobia and Mr and Mrs Silas Foster. At their first community dinner they are interrupted by the arrival of Hollingsworth, a previous acquaintance of Coverdale's who is carrying a frail pale girl. Though Hollingsworth believes the girl whose age is never clarified is an expected guest, none of the Blithedale citizens recognize her. She immediately develops a strong attachment to Zenobia and reveals her name to be Priscilla.

Hawthorne's Romances Robert S. Friedman, 2000. First Published in 2000. Routledge is an imprint of Taylor Francis, an information company.

Hawthorne and Melville Jana L. Argersinger, Leland S. Person, 2008. Herman Melville and Nathaniel Hawthorne met in 1850 and enjoyed for sixteen months an intense but brief friendship. Taking advantage of new interpretive tools such as queer theory, globalist studies, political and social ideology, marketplace analysis, psychoanalytical and philosophical applications to literature, masculinist theory, and critical studies of race, the twelve essays in this book focus on a number of provocative personal, professional, and literary ambiguities existing between the two writers. Jana L. Argersinger and Leland S. Person introduce the volume with a lively summary of the known biographical facts of the two writers' relationship and an overview of the relevant scholarship to date. Some of the essays that follow broach the possibility of sexual dimensions to the relationship, a question that looms like a grand hooded phantom over the field of Melville-Hawthorne studies. Questions of influence: Hawthorne's on *Moby Dick* and *Pierre* and Melville's on *The Blithedale Romance* to mention only the most obvious instances are also discussed. Other topics covered include professional competitiveness, Melville's search for a father figure, masculine ambivalence in the marketplace, and political/literary aspects of nationalism, transcendentalism, race, and other defining issues of Hawthorne and Melville's times. Roughly half of the essays focus on biographical issues; the others take literary perspectives. The essays are informed by a variety of critical approaches as well as by new historical insights and new understandings of the possibilities that existed for male friendships in nineteenth-century American culture.

Nathaniel Hawthorne Charles Swann, 1991-06-28. This is the first analysis of the fiction of Nathaniel Hawthorne and his perception of history. In his study Charles Swann examines the whole of Hawthorne's literary career and gives proper weight to the unfinished work. Hawthorne saw history as a struggle between the authoritative claims of tradition on the one hand and the conflicting but equally valid claims of the desires for revolutionary transformation on the other. To evaluate Hawthorne's view of history Swann provides close readings of such key shorter works as *Alice Doane's Appeal* and *Main Street* as well as the

most detailed analysis to date of the unfinished works *The American Claimant* Mss and *The Elixir of Life* Mss two works which exemplify the temptations of tradition and the exhilaration of the revolutionary moment This study asks us to explore how Hawthorne presents and interprets history through his fiction for example the history of crucial sins of the past and the contemporary placing of such sins in Alice Doane s *Appeal* the problematic nature of the American Revolution in *The Elixir of Life* Mss and the role of society in *The Scarlet Letter* Swann s innovative study will be of interest to students and scholars of American literature history cultural studies and literary criticism

Hawthorne,2010-02-01 The residents of the Blithedale farm wish to make it into a modern Arcadia free from the pollution of society But they form such a varied self interested group that their efforts are in vain The misogynistic Hollingsworth wants to turn it into a sanctuary for reformed criminals the exotic feminist Zenobia is helplessly attracted to Hollingsworth and the narrator is an unreliable dandy with voyeuristic tendencies Henry James called *The Blithedale Romance* the lightest and liveliest of Hawthorne s non comedic novels

The Blithedale Romance Nathaniel Hawthorne,2017-11-03

The Blithedale Romance is the third of the major novels of Nathaniel Hawthorne Much of the action of the novel is set at Blithedale a utopian socialist community that is founded upon anti capitalist ideals yet is destroyed by the self interested behavior of its members

The Half-vanished Structure Magnus Ullén,2004 This book takes issue with the tendency in twentieth century Hawthorne criticism to blur the distinction between symbolism and allegory Rejecting the long standing notion that Hawthorne is a symbolist in allegorical disguise Ullén argues that allegory is the key to understanding how religion sexuality aesthetics and politics are interwoven in Hawthorne s writings The study presents a model for allegorical interpretation of general applicability which is brought to bear on each of Hawthorne s mature romances and on the oft neglected Wonder Books written for children An unparalleled analysis of the formal intricacies of Hawthorne s writings this book is an eloquent plea for the necessity of grounding ideological analysis in aesthetical considerations

Conspiracy and Romance Robert S.

Levine,Robert Steven Levine,1989-09-29 Robert Levine examines the American romance in a new historical context His book offers a fresh reading of the genre establishing its importance to American culture between the founding of the Republic and the Civil War With convincing historical and literary detail Levine shows that anxieties about foreign elements French revolutionaries secret societies Catholic immigrants African slaves are central to the fictional worlds of Brockden Brown Cooper Hawthorne and Melville Ormond *The Bravo* *The Blithedale Romance* and *Benito Cereno* are persuasively explicated by Levine to demonstrate that the romance dramatized the same conflicts and ideals that gave rise to the American Republic Americans conceived America as a historical romance and their romances dramatize the historical conditions of the culture The fear that reputed conspiracies would subvert the order and integrity of the new nation were recurrent and widespread

Levine illuminates the influence of such fears on the works of major romance writers during this period **Psychoanalytic Readings of Hawthorne's Romances** David B. Diamond, 2021-07-08 Offering innovative psychoanalytic readings of Nathaniel Hawthorne's four romances this volume systematically applies Freudian theory to present significant new insights into the psychology of Hawthorne's characters and their fates By critically examining scenes in which the protagonists confront past traumas Diamond underscores the transformative potential which Hawthorne attributes to encounters with the unconscious Psychoanalytic narrative technique is employed to interpret the psychological crises all hidden by Hawthorne in narrative gaps in *The Scarlet Letter* *The House of the Seven Gables* *The Blithedale Romance* and *The Marble Faun* The protagonists' transformations that are illuminated are crucial to an understanding of the trajectory and resolution of the romances The text will benefit both academic and non academic readers who seek a deeper understanding of the psychology of Hawthorne's romances It will be of particular interest to educators and researchers of applied psychoanalysis and psychoanalytic technique Since its conclusions challenge many currently held critical views this volume is especially relevant to scholars of Hawthorne studies interdisciplinary literary studies and 19th century American literature Practicing Romance Richard H. Millington, 2014-07-14 *Practicing Romance* sets out to re tell the story of Hawthorne's career arguing that he is best understood as a cultural analyst of extraordinary acuity ambitious to reshape in a sense to cure the community he addresses Through readings attentive to narrative strategy and alert to the emerging middle class culture that was his audience the book defines and describes Hawthornian Romance in a new way not in customary fashion as the definitive instance of a peculiarly American genre but as a narrative practice designed to expose and restage the covert drama that affiliates us to our community Hawthorne's fiction thus recovers for its readers through the interpretive independence it teaches a freer more lucid more critical relation to the community we inhabit and the cultural engagement romance enacts in turn rescues Hawthorne from the confining marginality that the writer's career had threatened to confer From the book's distinctive account of his narrative tactics especially his deployment of the voices and attitudes authoritarian or democratic entrapping or freeing that give shape to his ideological terrain Hawthorne emerges as a daring reinventor of the novel's cultural role Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Working Women, Literary Ladies* Sylvia J. Cook, 2008-01-30 *Working Women Literary Ladies* explores the simultaneous entry of working class women in the United States into wage earning factory labor and into opportunities for mental and literary development It is the first book to examine the fascinating exchange between the work and literary spheres for laboring women in the rapidly industrializing

America of the nineteenth and early twentieth centuries As women entered the public sphere as workers their opportunities for intellectual growth expanded even as those same opportunities were often tightly circumscribed by the factory owners who were providing them These developments both institutional and personal opened up a range of new possibilities for working class women that profoundly affected women of all classes and the larger social fabric Cook examines the extraordinary and diverse literary productions of these working women ranging from their first New England magazine of belles lettres The Lowell Offering to Emma Goldman s periodical Mother Earth from Lucy Larcom s epic poem of female factory life An Idyl of Work to Theresa Malkiel s fictional account of sweatshop workers in New York The Diary of a Shirtwaist Striker This vital new book traces the hopes and tensions generated by the expectations of working class women as they created a wholly new way of being alive in the world

Ruined Eden of the Present Gary Richard Thompson, Virgil Llewellyn Lokke, 1981 A recurrent idea in Darrel Abel s criticism of the works of Hawthorne gives this volume its title The idea of a fallen world and its potential for partial redemption through art and the art of criticism is a theme that weaves in and out of the sixteen essays The volume as a whole displays an explicit and implicit concern with critical approaches and reflects an awareness of the fictiveness of critical resolutions in a world in which boundaries are constantly under challenge for example those which divide textuality from contextuality This collection of essays explores the problems the practical critic and teacher has had to face in the shifts in taste assumptions and methodology in the moves from moral and historical criticism to the New Criticism and to the newer linguistic and semiotic criticism

Critical Companion to Nathaniel Hawthorne Sarah Bird Wright, 2006 Offers critical entries on Hawthorne s novels short stories travel writing criticism and other works as well as portraits of characters including Hester Prynne and Roger Chillingworth This reference also provides entries on Hawthorne s family friends ranging from Herman Melville to President Franklin Pierce publishers and critics
