Blockade And Jungle:

Blockade and Jungle Nis Kock, Christen P. Christensen, 1940 Blockade and Jungle ... Translated by Eleanor Arkwright [from "Sønderjyder Forsvarer Østafrika"]. [With Plates, Including Portraits.]. Christen P. CHRISTENSEN, Eleanor ARKWRIGHT, Nis KOCK, 1941 *Blockade and Jungle* Nis Kock, 2003 Considered one of the most important German memoirs for World War I this is the story of Nis Kock A Danish sailor in the German Navy who was chosen to man a blockade runner carrying supplies for General Paul von Lettow Vorbeck's forces in German East Africa When his ship was sunk he joined the land forces A rare look at German personnel in that campaign **Scandinavia in the First World War** Claes Ahlund, 2015-02-01 Denmark Norway and Sweden all managed to stay out of World War I but all three countries were deeply affected by it Opening with a systematically comparative introduction to the history of the Scandinavian countries during that time period this account then presents 13 case studies examining the impact of the war on these neutral entities From inflation and the shortage of consumer goods to widespread poverty and political unrest not to mention the thousands of Scandinavian soldiers who participated in the war this unique compilation analyzes the military and economic consequences as well as the vital political and social issues raised by the conflict **Blockade and Jungle, by Christen P. Christensen** Christen P. Christensen, African Kaiser Robert Gaudi, 2017 At the turn of the twentieth century European colonial powers scrambled in Africa for trade land and political advantage When the First World War broke out they were forced to contend with one another not just in trenches on the Western Front but in East Africa's swamps and savannahs In that unforgiving landscape General Paul von Lettow Vorbeck and a small cadre of hardened German officers fought as equals with their African troops against the Allies creating the first truly integrated army of the modern age *African Kaiser* is the fascinating tale of a forgotten guerrilla campaign of rhino charges and artillery duels with scavenged naval guns of hunted German battleships hidden up unmapped river deltas of a desperate army in the wilderness cut off from the world enduring starvation malaria and dysentery and of the remarkable intercontinental voyage of Zeppelin L59 whose improbable 4 000 mile journey to the Equator and back made aviation history But mostly it is the incredible true story of General von Lettow Vorbeck the only undefeated German commander of the Great War *Army Aviation Digest*, 1955 *Blood and Treasure* Ryan Pote, 2025-07-22 The destruction of the International Space Station and the discovery of an ancient scroll are inextricably intertwined in this debut crossover thriller from a former Navy helicopter pilot The International Space Station suddenly loses contact with Earth When a NASA tech devises a way to restore the feed the images that come through are unfathomable a scene of terrible violence the crew unresponsive droplets of blood hovering in zero gravity But which of the astronauts on board would have done such a thing And why Off the coast of Mozambique former special ops pilot and current treasure hunter Ethan Cain sees something he can't believe an object shot out of the heavens plunging deep into the Indian Ocean When he goes to investigate it becomes even less intelligible A space capsule has crashed into the sea and inside is a

woman alone unconscious and injured Ethan knows he must save her What he doesn't know is who she is how she got there or why she's the only survivor of a killing spree conducted 254 miles up in the sky **Wars of Latin America, 1948-1982**

René De La Pedraja, 2013-04-17 This book continues the narrative begun by the author in Wars of Latin America 1899-1941 It provides a clear and readable description of military combat occurring in Latin America from 1948 to the start of 1982 In an unusual peaceful lull Latin America experienced no wars from 1942 to 1947 Although the text concentrates on combat narrative matters of politics business and international relations appear as necessary to explain the wars The author draws on many previously unknown sources to provide information never before published The book traces the many insurgencies in Latin America as well as conventional wars Among the highlights are the chapters on the Cuban and Nicaraguan insurrections and on the Bay of Pigs invasion One goal of the text is to explain why of the many insurgencies appearing in Latin America only those in Cuba and Nicaragua were successful in overthrowing governments The book also helps explain why even unsuccessful insurgencies have survived for decades as has happened in Colombia and Peru Instructors considering this book for use in a course may request an examination copy here Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library.  Sochaczewski, 2008 The Sultan and the Mermaid Queen is a collection of essays and articles which describe rarely written
 about Asian people places and events The Sulu Zone, 1768-1898 James Francis Warren, 2007 First published in 1981 The
 Sulu Zone has become a classic in the field of Southeast Asian History The book deals with a fascinating geographical
 cultural and historical border zone centred on the Sulu and Celebes Seas between 1768 and 1898 and its complex
 interactions with China and the West The author examines the social and cultural forces generated within the Sulu Sultanate
 by the China trade namely the advent of organized long distance maritime slave raiding and the assimilation of captives on a
 hitherto unprecedented scale into a traditional Malayo Muslim social system How entangled commodities trajectories of
 tastes and patterns of consumption and desire that span continents linked to slavery and slave raiding the manipulation of
 diverse ethnic groups the meaning and constitution of culture and state formation James Warren responds to this question by
 reconstructing the social economic and political relationships of diverse peoples in a multi ethnic zone of which the Sulu
 Sultanate was the centre and by problematizing important categories like piracy slavery culture ethnicity and the state His
 work analyzes the dynamics of the last autonomous Malayo Muslim maritime state over a long historical period and describes
 its stunning response to the world capitalist economy and the rapid forward movement of colonialism and modernity It also
 shows how the changing world of global cultural flows and economic interactions caused by cross cultural trade and
 European dominance affected men and women who were forest dwellers highlanders and slaves people who worked in
 everyday jobs as fishers raiders divers or traders Often neglected by historians the response of these members of society are
 a crucial part of the history of Southeast Asia *The Commonwealth* ,1954 **Chinese Political Science**
