Alvarez,2002 This book is a journal spanning three decades 1964 1998 and more It is also a series of essays written during that period Essentially it traces one individual s development as a person This book did not come about in the manner of most books as the product of a long range plan Rather as is sometimes the case with a child it just happened It was born of a compulsion to write As I am neither gregarious nor extroverted this journal served as a repository for my innermost feelings during those long years Somewhere along the way I developed the notion that perhaps others might want to see what I had written I felt much of it was important I believe this book speaks to everyone regardless of who they are *Geronimo* W. Michael Farmer,2019-09-24 When Geronimo and his warriors surrendered to the US Army General Miles made a number of promises for the surrender terms that were in fact false Geronimo Prisoner of Lies provides insights into how Chiricahua prisoners of war lived while held in captivity by the United States Army in the late nineteenth and early twentieth centuries as seen through the eyes of their war leader Geronimo The indignities and lies they suffered and how they maintained their tribal culture in the face of great pressure to change or vanish entirely are brought to life and provided new context through this book **Blood Line** John J.
